PREAMBLE

Humbly invoking the blessings of Almighty God, the people of the State of Texas, do ordain and establish this Constitution.

**ARTICLE 1
BILL OF RIGHTS**

That the general, great and essential principles of liberty and free government may be recognized and established, we declare:

Sec. 1. FREEDOM AND SOVEREIGNTY OF STATE. Texas is a free and independent State, subject only to the Constitution of the United States, and the maintenance of our free institutions and the perpetuity of the Union depend upon the preservation of the right of local self-government, unimpaired to all the States.

Sec. 2. INHERENT POLITICAL POWER; REPUBLICAN FORM OF GOVERNMENT. All political power is inherent in the people, and all free governments are founded on their authority, and instituted for their benefit. The faith of the people of Texas stands pledged to the preservation of a republican form of government, and, subject to this limitation only, they have at all times the inalienable right to alter, reform or abolish their government in such manner as they may think expedient.

Sec. 3. EQUAL RIGHTS. All free men, when they form a social compact, have equal rights, and no man, or set of men, is entitled to exclusive separate public emoluments, or privileges, but in consideration of public services.

Sec. 3a. EQUALITY UNDER THE LAW. Equality under the law shall not be denied or abridged because of sex, race, color, creed, or national origin. This amendment is self-operative. (Added Nov. 7, 1972.)

Sec. 4. RELIGIOUS TESTS. No religious test shall ever be required as a qualification to any office, or public trust, in this State; nor shall any one be excluded from holding office on account of his religious sentiments, provided he acknowledge the existence of a Supreme Being.

Sec. 5. WITNESSES NOT DISQUALIFIED BY RELIGIOUS BELIEFS; OATHS AND AFFIRMATIONS. No person shall be disqualified to give evidence in any of the Courts of this State on account of his religious opinions, or for the want of any religious belief, but all oaths or affirmations shall be administered in the mode most binding upon the conscience, and shall be taken subject to the pains and penalties of perjury.

Sec. 6. FREEDOM OF WORSHIP. All men have a natural and infeasible right to worship Almighty God according to the dictates of their own consciences. No man shall be compelled to attend, erect or support any place of worship, or to maintain any ministry against his consent. No human authority ought, in any case whatever, to control or interfere with the rights of conscience in matters of religion, and no preference shall ever be given by law to any religious society or mode of worship. But it shall be the duty of the

Art. 1 Sec. 7

Legislature to pass such laws as may be necessary to protect equally every religious denomination in the peaceable enjoyment of its own mode of public worship.

Sec. 7. APPROPRIATIONS FOR SECTARIAN PURPOSES. No money shall be appropriated, or drawn from the Treasury for the benefit of any sect, or religious society, theological or religious seminary; nor shall property belonging to the State be appropriated for any such purposes.

Sec. 8. FREEDOM OF SPEECH AND PRESS; LIBEL. Every person shall be at liberty to speak, write or publish his opinions on any subject, being responsible for the abuse of that privilege; and no law shall ever be passed curtailing the liberty of speech or of the press. In prosecutions for the publication of papers, investigating the conduct of officers, or men in public capacity, or when the matter published is proper for public information, the truth thereof may be given in evidence. And in all indictments for libels, the jury shall have the right to determine the law and the facts, under the direction of the court, as in other cases.

Sec. 9. SEARCHES AND SEIZURES. The people shall be secure in their persons, houses, papers and possessions, from all unreasonable seizures or searches, and no warrant to search any place, or to seize any person or thing, shall issue without describing them as near as may be, nor without probable cause, supported by oath or affirmation.

Sec. 10. RIGHTS OF ACCUSED IN CRIMINAL PROSECUTIONS. In all criminal prosecutions the accused shall have a speedy public trial by an impartial jury. He shall have the right to demand the nature and cause of the accusation against him, and to have a copy thereof. He shall not be compelled to give evidence against himself, and shall have the right of being heard by himself or counsel, or both, shall be confronted by the witnesses against him and shall have compulsory process for obtaining witnesses in his favor, except that when the witness resides out of the State and the offense charged is a violation of any of the anti-trust laws of this State, the defendant and the State shall have the right to produce and have the evidence admitted by deposition, under such rules and laws as the Legislature may hereafter provide; and no person shall be held to answer for a criminal offense, unless on an indictment of a grand jury, except in cases in which the punishment is by fine or imprisonment, otherwise than in the penitentiary, in cases of impeachment, and in cases arising in the army or navy, or in the militia, when in actual service in time of war or public danger. (Amended Nov. 5, 1918.)

Sec. 11. BAIL. All prisoners shall be bailable by sufficient sureties, unless for capital offenses, when the proof is evident; but this provision shall not be so construed as to prevent bail after indictment found upon examination of the evidence, in such manner as may be prescribed by law.

Sec. 11a. MULTIPLE CONVICTIONS; DENIAL OF BAIL. (a) Any person (1) accused of a felony less than capital in this State, who has been theretofore twice convicted of a felony, the second conviction being subsequent to the first, both in point of time of commission of the offense and conviction

therefor, (2) accused of a felony less than capital in this State, committed while on bail for a prior felony for which he has been indicted, (3) accused of a felony less than capital in this State involving the use of a deadly weapon after being convicted of a prior felony, or (4) accused of a violent or sexual offense committed while under the supervision of a criminal justice agency of the State or a political subdivision of the State for a prior felony, after a hearing, and upon evidence substantially showing the guilt of the accused of the offense in (1) or (3) above, of the offense committed while on bail in (2) above, or of the offense in (4) above committed while under the supervision of a criminal justice agency of the State or a political subdivision of the State for a prior felony, may be denied bail pending trial, by a district judge in this State, if said order denying bail pending trial is issued within seven calendar days subsequent to the time of incarceration of the accused; provided, however, that if the accused is not accorded a trial upon the accusation under (1) or (3) above, the accusation and indictment used under (2) above, or the accusation or indictment used under (4) above within sixty (60) days from the time of his incarceration upon the accusation, the order denying bail shall be automatically set aside, unless a continuance is obtained upon the motion or request of the accused; provided, further, that the right of appeal to the Court of Criminal Appeals of this State is expressly accorded the accused for a review of any judgment or order made hereunder, and said appeal shall be given preference by the Court of Criminal Appeals.

(b) In this section:

(1) "Violent offense" means:

(A) murder;

(B) aggravated assault, if the accused used or exhibited a deadly weapon during the commission of the assault;

(C) aggravated kidnapping; or

(D) aggravated robbery.

(2) "Sexual offense" means:

(A) aggravated sexual assault;

(B) sexual assault; or

(C) indecency with a child. (Added Nov. 6, 1956; amended Nov. 8, 1977; Subsec. (a) amended and (b) added Nov. 2, 1993.)

Sec. 12. HABEAS CORPUS. The writ of habeas corpus is a writ of right, and shall never be suspended. The Legislature shall enact laws to render the remedy speedy and effectual.

Sec. 13. EXCESSIVE BAIL OR FINES; CRUEL AND UNUSUAL PUNISHMENT; REMEDY BY DUE COURSE OF LAW. Excessive bail shall not be required, nor excessive fines imposed, nor cruel or unusual punishment inflicted. All courts shall be open, and every person for an injury done him, in his lands, goods, person or reputation, shall have remedy by due course of law.

Art. 1 Sec. 14

Sec. 14. DOUBLE JEOPARDY. No person, for the same offense, shall be twice put in jeopardy of life or liberty, nor shall a person be again put upon trial for the same offense, after a verdict of not guilty in a court of competent jurisdiction.

Sec. 15. RIGHT OF TRIAL BY JURY. The right of trial by jury shall remain inviolate. The Legislature shall pass such laws as may be needed to regulate the same, and to maintain its purity and efficiency. Provided, that the Legislature may provide for the temporary commitment, for observation and/or treatment, of mentally ill persons not charged with a criminal offense, for a period of time not to exceed ninety (90) days, by order of the County Court without the necessity of a trial by jury. (Amended Aug. 24, 1935.)

Sec. 15-a. COMMITMENT OF PERSONS OF UNSOUND MIND. No person shall be committed as a person of unsound mind except on competent medical or psychiatric testimony. The Legislature may enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for a waiver of trial by jury, in cases where the person under inquiry has not been charged with the commission of a criminal offense, by the concurrence of the person under inquiry, or his next of kin, and an attorney ad litem appointed by a judge of either the County or Probate Court of the county where the trial is being held, and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury. (Added Nov. 6, 1956.)

Sec. 16. BILLS OF ATTAINDER; EX POST FACTO OR RETROACTIVE LAWS; IMPAIRING OBLIGATION OF CONTRACTS. No bill of attainder, ex post facto law, retroactive law, or any law impairing the obligation of contracts, shall be made.

Sec. 17. TAKING, DAMAGING, OR DESTROYING PROPERTY FOR PUBLIC USE; SPECIAL PRIVILEGES AND IMMUNITIES; CONTROL OF PRIVILEGES AND FRANCHISES. No person's property shall be taken, damaged or destroyed for or applied to public use without adequate compensation being made, unless by the consent of such person; and, when taken, except for the use of the State, such compensation shall be first made, or secured by a deposit of money; and no irrevocable or uncontrollable grant of special privileges or immunities, shall be made; but all privileges and franchises granted by the Legislature, or created under its authority shall be subject to the control thereof.

Sec. 18. IMPRISONMENT FOR DEBT. No person shall ever be imprisoned for debt.

Sec. 19. DEPRIVATION OF LIFE, LIBERTY, ETC.; DUE COURSE OF LAW. No citizen of this State shall be deprived of life, liberty, property, privileges or immunities, or in any manner disfranchised, except by the due course of the law of the land.

Sec. 20. OUTLAWRY OR TRANSPORTATION FOR OFFENSE. No citizen shall be outlawed. No person shall be transported out of the State for any offense committed within the same. This section does not prohibit an agreement with another state providing for the confinement of inmates of this State in the penal or correctional facilities of that state. (Amended Nov. 5, 1985.)

Sec. 21. CORRUPTION OF BLOOD; FORFEITURE; SUICIDES. No conviction shall work corruption of blood, or forfeiture of estate, and the estates of those who destroy their own lives shall descend or vest as in case of natural death.

Sec. 22. TREASON. Treason against the State shall consist only in levying war against it, or adhering to its enemies, giving them aid and comfort; and no person shall be convicted of treason except on the testimony of two witnesses to the same overt act, or on confession in open court.

Sec. 23. RIGHT TO KEEP AND BEAR ARMS. Every citizen shall have the right to keep and bear arms in the lawful defense of himself or the State; but the Legislature shall have power, by law, to regulate the wearing of arms, with a view to prevent crime.

Sec. 24. MILITARY SUBORDINATE TO CIVIL AUTHORITY. The military shall at all times be subordinate to the civil authority.

Sec. 25. QUARTERING SOLDIERS IN HOUSES. No soldier shall in time of peace be quartered in the house of any citizen without the consent of the owner, nor in time of war but in a manner prescribed by law.

Sec. 26. PERPETUITIES AND MONOPOLIES; PRIMOGENITURE OR ENTAILMENTS. Perpetuities and monopolies are contrary to the genius of a free government, and shall never be allowed, nor shall the law of primogeniture or entailments ever be in force in this State.

Sec. 27. RIGHT OF ASSEMBLY; PETITION FOR REDRESS OF GRIEVANCES. The citizens shall have the right, in a peaceable manner, to assemble together for their common good; and apply to those invested with the powers of government for redress of grievances or other purposes, by petition, address or remonstrance.

Sec. 28. SUSPENSION OF LAWS. No power of suspending laws in this State shall be exercised except by the Legislature.

Sec. 29. PROVISIONS OF BILL OF RIGHTS EXCEPTED FROM POWERS OF GOVERNMENT; TO FOREVER REMAIN INVIOLEATE. To guard against transgressions of the high powers herein delegated, we declare that everything in this "Bill of Rights" is excepted out of the general powers of government, and shall forever remain inviolate, and all laws contrary thereto, or to the following provisions, shall be void.

Sec. 30. RIGHTS OF CRIME VICTIMS. (a) A crime victim has the following rights:

(1) the right to be treated with fairness and with respect for the victim's dignity and privacy throughout the criminal justice process; and

(2) the right to be reasonably protected from the accused throughout the criminal justice process.

(b) On the request of a crime victim, the crime victim has the following rights:

(1) the right to notification of court proceedings;

Art. 1 Sec. 31

(2) the right to be present at all public court proceedings related to the offense, unless the victim is to testify and the court determines that the victim's testimony would be materially affected if the victim hears other testimony at the trial;

(3) the right to confer with a representative of the prosecutor's office;

(4) the right to restitution; and

(5) the right to information about the conviction, sentence, imprisonment, and release of the accused.

(c) The legislature may enact laws to define the term "victim" and to enforce these and other rights of crime victims.

(d) The state, through its prosecuting attorney, has the right to enforce the rights of crime victims.

(e) The legislature may enact laws to provide that a judge, attorney for the state, peace officer, or law enforcement agency is not liable for a failure or inability to provide a right enumerated in this section. The failure or inability of any person to provide a right or service enumerated in this section may not be used by a defendant in a criminal case as a ground for appeal or post-conviction writ of habeas corpus. A victim or guardian or legal representative of a victim has standing to enforce the rights enumerated in this section but does not have standing to participate as a party in a criminal proceeding or to contest the disposition of any charge. (Added Nov. 7, 1989.)

Sec. 31. COMPENSATION TO VICTIMS OF CRIME FUND; COMPENSATION TO VICTIMS OF CRIME AUXILIARY FUND; USE OF FUND MONEY. (a) The compensation to victims of crime fund created by general law and the compensation to victims of crime auxiliary fund created by general law are each a separate dedicated account in the general revenue fund.

(b) Except as provided by Subsection (c) of this section and subject to legislative appropriation, money deposited to the credit of the compensation to victims of crime fund or the compensation to victims of crime auxiliary fund from any source may be expended as provided by law only for delivering or funding victim-related compensation, services, or assistance.

(c) The legislature may provide by law that money in the compensation to victims of crime fund or in the compensation to victims of crime auxiliary fund may be expended for the purpose of assisting victims of episodes of mass violence if other money appropriated for emergency assistance is depleted. (Added Nov. 4, 1997.)

If the office of Lieutenant Governor becomes vacant, the President pro tempore of the Senate shall convene the Committee of the Whole Senate within 30 days after the vacancy occurs. The Committee of the Whole shall elect one of its members to perform the duties of the Lieutenant Governor in addition to the member's duties as Senator until the next general election. If the Senator so elected ceases to be a Senator before the election of a new Lieutenant Governor, another Senator shall be elected in the same manner to perform the duties of the Lieutenant Governor until the next general election. Until the Committee of the Whole elects one of its members for this purpose, the President pro tempore shall perform the duties of the Lieutenant Governor as provided by this subsection.

Sec. 14. PRIVILEGED FROM ARREST. Senators and Representatives shall, except in cases of treason, felony, or breach of the peace, be privileged from arrest during the session of the Legislature, and in going to and returning from the same. (Amended Nov. 2, 1999.)

No member of either House shall vote for any other member for any office whatever, which may be filled by a

vote of the Legislature, except in such cases as are in this Constitution provided, nor shall any member of the Legislature be interested, either directly or indirectly, in any contract with the State, or any county thereof, authorized by any law passed during the term for which he was elected. (Amended Nov. 5, 1968.)

Sec. 19. INELIGIBILITY OF PERSONS HOLDING OTHER OFFICES.

No judge of any court, Secretary of State, Attorney General, clerk of any court of record, or any person holding a lucrative office under the United States, or this State, or any foreign government shall during the term for which he is elected or appointed, be eligible to the Legislature.

Sec. 20. COLLECTORS OF TAXES; PERSONS ENTRUSTED WITH PUBLIC MONEY; INELIGIBILITY. No person who at any time may have been a collector of taxes, or who may have been otherwise entrusted with public money, shall be eligible to the Legislature, or to any office of profit or trust under the State government, until he shall have obtained a discharge for the amount of such collections, or for all public moneys with which he may have been entrusted.

Sec. 22. DISCLOSURE OF PRIVATE INTEREST IN MEASURE OR BILL; NOT TO VOTE. A member who has a personal or private interest in any measure or bill, proposed, or pending before the Legislature, shall disclose the fact to the House, of which he is a member, and shall not vote thereon.

Sec. 23. REMOVAL FROM DISTRICT OR COUNTY FROM WHICH ELECTED. If any Senator or Representative remove his residence from the district or county for which he was elected, his office shall thereby become vacant, and the vacancy shall be filled as provided in section 13 of this article.

Sec. 23a. (Repealed Nov. 4, 1997.)

Sec. 24. COMPENSATION AND EXPENSES OF MEMBERS OF LEGISLATURE; DURATION OF SESSIONS. (a) Members of the Legislature shall receive from the Public Treasury a salary of Six Hundred Dollars (\$600) per month, unless a greater amount is recommended by the Texas Ethics Commission and approved by the voters of this State in which case the salary is that amount. Each member shall also receive a per diem set by the Texas Ethics Commission for each day during each Regular and Special Session of the Legislature.

(b) No Regular Session shall be of longer duration than one hundred and forty (140) days.

(c) In addition to the per diem the Members of each House shall be entitled to mileage at the same rate as prescribed by law for employees of the State of Texas. (Amended Nov. 4, 1930, Nov. 2, 1954, Nov. 8, 1960, April 22, 1975, and Nov. 5, 1991.)

Sec. 24a. TEXAS ETHICS COMMISSION. (a) The Texas Ethics Commission is a state agency consisting of the following eight members:

Art. 3 Sec. 24a

(1) two members of different political parties appointed by the governor from a list of at least 10 names submitted by the members of the house of representatives from each political party required by law to hold a primary;

(2) two members of different political parties appointed by the governor from a list of at least 10 names submitted by the members of the senate from each political party required by law to hold a primary;

(3) two members of different political parties appointed by the speaker of the house of representatives from a list of at least 10 names submitted by the members of the house from each political party required by law to hold a primary; and

(4) two members of different political parties appointed by the lieutenant governor from a list of at least 10 names submitted by the members of the senate from each political party required by law to hold a primary.

(b) The governor may reject all names on any list submitted under Subsection (a)(1) or (2) of this section and require a new list to be submitted. The members of the commission shall elect annually the chairman of the commission.

(c) With the exception of the initial appointees, commission members serve for four-year terms. Each appointing official will make one initial appointment for a two-year term and one initial appointment for a four-year term. A vacancy on the commission shall be filled for the unexpired portion of the term in the same manner as the original appointment. A member who has served for one term and any part of a second term is not eligible for reappointment.

(d) The commission has the powers and duties provided by law.

(e) The commission may recommend the salary of the members of the legislature and may recommend that the salary of the speaker of the house of representatives and the lieutenant governor be set at an amount higher than that of other members. The commission shall set the per diem of members of the legislature and the lieutenant governor, and the per diem shall reflect reasonable estimates of costs and may be raised or lowered biennially as necessary to pay those costs, but the per diem may not exceed during a calendar year the amount allowed as of January 1 of that year for federal income tax purposes as a deduction for living expenses incurred in a legislative day by a state legislator in connection with the legislator's business as a legislator, disregarding any exception in federal law for legislators residing near the Capitol.

(f) At each general election for state and county officers following a proposed change in salary, the voters shall approve or disapprove the salary recommended by the commission if the commission recommends a change in salary. If the voters disapprove the salary, the salary continues at the amount paid immediately before disapproval until another amount is recommended by the commission and approved by the voters. If the voters approve the salary, the approved salary takes effect January 1 of the next odd-numbered year. (Added Nov. 5, 1991.)

Sec. 25. SENATORIAL DISTRICTS. The State shall be divided into Senatorial Districts of contiguous territory, and each district shall be entitled to elect one Senator. (Amended Nov. 6, 2001.)

Each election and proposition must conform to the requirements of Subsections (c) and (d) of this section.

(c) The legislature may call an election during any regular session of the legislature or during any special session of the legislature in which the subject of the election is designated in the governor's proclamation for that special session. No bill containing an appropriation shall be considered as passed or be sent to the Governor for consideration until and unless the Comptroller of Public Accounts endorses his certificate thereon showing that the amount appropriated is within the amount estimated to be available in the affected funds. When the Comptroller finds an appropriation bill exceeds the estimated revenue he shall endorse such finding thereon and return to the House in which same originated. Such information shall be immediately made known to both the House of Representatives and the Senate and the necessary steps shall be taken to bring such appropriation to within the revenue, either by providing additional revenue or reducing the appropriation. member shall, with the advice and consent of the Senate, be appointed biennially by the Governor to serve for a term of four (4) years. In the event of the resignation or death of any such citizen member, the Governor shall appoint a replacement to serve for the unexpired portion of the term to which the deceased or resigning member had been appointed. The compensation for said citizen members shall be as is now or may hereafter be fixed by the Legislature; and each shall make bond in such amount as is now or may hereafter be prescribed by the Legislature.

(b) The Commissioner of the General Land Office shall act as Chairman of said Board and shall be the administrator of the Veterans' Land Program under such terms and restrictions as are now or may hereafter be provided by law. In the absence or illness of said Commissioner, the Chief Clerk of the General Land Office shall be the Acting Chairman of said Board with the same duties and powers that said Commissioner would have if present.

(c) The Veterans' Land Board may provide for, issue and sell bonds or obligations of the State of Texas as authorized by constitutional amendment or by a debt proposition under Section 49 of this article for the purpose of creating the Veterans' Land Fund, the Veterans' Housing Assistance Fund, and the Veterans' Housing Assistance Fund II.

(d) Said Veterans' Land Fund, to the extent of the moneys attributable to any bonds hereafter issued and sold by said Board may be used by said Board, as is now or may hereafter be provided by law, for the purpose of paying the expenses of surveying, monumenting, road construction, legal fees, recordation fees, advertising and other like costs necessary or incidental to the purchase and sale, or resale, of any lands purchased with any of the moneys attributable to such additional bonds, such expenses to be added to the price of such lands when sold, or resold, by said Board; for the purpose of paying the expenses of issuing, selling, and delivering any such additional bonds; and for the purpose of meeting the expenses of paying the interest or principal due or to become due on any such additional bonds.

(e) For purposes of this section, "veteran" means a person who satisfies the definition of "veteran" as set forth by the laws of the State of Texas.

(f) The Veterans' Housing Assistance Fund shall be administered by the Veterans' Land Board and shall be used for the purpose of making home mortgage loans to veterans for housing within the State of Texas in such quantities, on such terms, at such rates of interest, and under such rules and regulations as may be authorized by law. The expenses of the board in connection with the issuance of the bonds for the benefit of the Veterans' Housing Assistance Fund and the making of the loans may be paid from money in the fund. The principal of and interest on the general obligation bonds authorized by this section for the benefit of the Veterans' Housing Assistance Fund shall be paid out of the money of the fund, but the money of the fund which is not immediately committed to the payment of principal and interest on such bonds, the making of home mortgage loans as herein provided, or the payment of expenses as herein provided may be invested as authorized by law until the money is needed for such purposes.

(g) The Veterans' Land Fund shall be used by the Veterans' Land Board to purchase lands situated in the state owned by the United States government, an agency of the United States government, this state, a political subdivision or agency of this state, or a person, firm, or corporation.

(h) Lands purchased and comprising a part of the Veterans' Land Fund are declared to be held for a governmental purpose, but the individual purchasers of those lands shall be subject to taxation to the same extent and in the same manner as are purchasers of lands dedicated to the Permanent Free Public School Fund. The lands shall be sold to veterans in quantities, on terms, at prices, and at fixed, variable, floating, or other rates of interest, determined by the Board and in accordance with rules of the Board. Notwithstanding any provisions of this section to the contrary, lands in the Veterans' Land Fund that are offered for sale to veterans and that are not sold may be sold or resold to the purchasers in quantities, on terms, at prices, and at rates of interest determined by the Board and in accordance with rules of the Board.

(i) The expenses of the Board in connection with the issuance of the bonds for the benefit of the Veterans' Land Fund and the purchase and sale of the lands may be paid from money in the Veterans' Land Fund.

(j) The Veterans' Land Fund shall consist of:

- (3) money received from the sale or resale of lands or rights in lands purchased from those proceeds;
- (4) money received from the sale or resale of lands or rights in lands purchased with other money attributable to the bonds;
- (5) proceeds derived from the sale or other disposition of the Board's interest in contracts for the sale or resale of lands or rights in lands;
- (6) interest and penalties received from the sale or resale of lands or rights in lands;
- (7) bonuses, income, rents, royalties, and other pecuniary benefits received by the Board from lands;
- (8) money received by way of indemnity or forfeiture for the failure of a bidder for the purchase of bonds to comply with the bid and accept and pay for the bonds or for the failure of a bidder for the purchase of lands comprising a part of the Veterans' Land Fund to comply with the bid and accept and pay for the lands;
- (9) payments received by the Board under a bond enhancement agreement with respect to the bonds; and
- (10) interest received from investments of money in the fund.

Art. 3 Sec. 49-b

(k) The principal of and interest on the general obligation bonds for the benefit of the Veterans' Land Fund, including payments by the Board under a bond enhancement agreement with respect to principal of or interest on the bonds, shall be paid out of the money of the Veterans' Land Fund, but the money in the fund that is not immediately committed to the payment of principal and interest on the bonds, the purchase of lands, or the payment of expenses may be invested as authorized by law until the money is needed for those purposes.

(l) The Veterans' Housing Assistance Fund II is a separate and distinct fund from the Veterans' Housing Assistance Fund. Money in the Veterans' Housing Assistance Fund II shall be administered by the Veterans' Land Board and shall be used to make home mortgage loans to veterans for housing within this state in quantities, on terms, and at fixed, variable, floating, or other rates of interest, determined by the Board and in accordance with rules of the Board. The expenses of the Board in connection with the issuance of the bonds for the benefit of the Veterans' Housing Assistance Fund II and the making of the loans may be paid from money in the Veterans' Housing Assistance Fund II.

(m) The Veterans' Housing Assistance Fund II shall consist of:

(1) the Board's interest in home mortgage loans the Board makes to veterans from money in the fund under the Veterans' Housing Assistance Program established by law;

(2) proceeds derived from the sale or other disposition of the Board's interest in home mortgage loans;

(3) money attributable to bonds issued and sold by the Board to provide money for the fund, including the proceeds from the issuance and sale of bonds;

(4) income, rents, and other pecuniary benefits received by the Board as a result of making loans;

(5) money received by way of indemnity or forfeiture for the failure of a bidder for the purchase of bonds to comply with the bid and accept and pay for the bonds;

(6) payments received by the Board under a bond enhancement agreement with respect to the bonds; and

(7) interest received from investments of money.

(n) The principal of and interest on the general obligation bonds for the benefit of the Veterans' Housing Assistance Fund II, including payments by the Board under a bond enhancement agreement with respect to principal of or interest on the bonds, shall be paid out of the money of the Veterans' Housing Assistance Fund II, but the money in the fund that is not immediately committed to the payment of principal and interest on the bonds, the making of home mortgage loans, or the payment of expenses may be invested as authorized by law until the money is needed for those purposes.

(o) The Veterans' Housing Assistance Fund shall consist of:

(1) the Board's interest in home mortgage loans the Board makes to veterans from money in the fund under the Veterans' Housing Assistance Program established by law;

(2) proceeds derived from the sale or other disposition of the Board's interest in home mortgage loans;

(3) money attributable to bonds issued and sold by the Board to provide money for the fund, including proceeds from the issuance and sale of bonds;

(4) income, rents, and other pecuniary benefits received by the Board as a result of making loans;

(5) money received by way of indemnity or forfeiture for the failure of a bidder for the purchase of bonds to comply with the bid and accept and pay for the bonds;

(6) payments received by the Board under a bond enhancement agreement with respect to the bonds; and

(7) interest received from investments of money.

(p) The principal of and interest on the general obligation bonds for the benefit of the Veterans' Housing Assistance Fund, including payments by the Board under a bond enhancement agreement with respect to principal of or interest on the bonds, shall be paid out of money in the Veterans' Housing Assistance Fund.

(q) If there is not enough money in the Veterans' Land Fund, the Veterans' Housing Assistance Fund, or the Veterans' Housing Assistance Fund II, as the case may be, available to pay the principal of and interest on the general obligation bonds benefiting those funds, including money to make payments by the Board under a bond enhancement agreement with respect to principal of or interest on the bonds, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, an amount that is sufficient to pay the principal of and interest on the general obligation bonds that mature or become due during that fiscal year or to make bond enhancement payments with respect to those bonds.

(r) Receipts of all kinds of the Veterans' Land Fund, the Veterans' Housing Assistance Fund, or the Veterans' Housing Assistance Fund II that the Board determines are not required for the payment of principal of and interest on the general obligation bonds benefiting those funds, including payments by the Board under a bond enhancement agreement with respect to principal of or interest on the bonds, may be used by the Board, to the extent not inconsistent with the proceedings authorizing the bonds to:

(1) make temporary transfers to another of those funds to avoid a temporary cash deficiency in that fund or make a transfer to another of those funds for the purposes of that fund;

(2) pay the principal of and interest on general obligation bonds issued to provide money for another of those funds or make bond enhancement payments with respect to the bonds; or

(3) pay the principal of and interest on revenue bonds of the Board or make bond enhancement payments with respect to the bonds.

Art. 3 Sec. 49-b

(s) If the Board determines that assets from the Veterans' Land Fund, the Veterans' Housing Assistance Fund, or the Veterans' Housing Assistance Fund II are not required for the purposes of the fund, the Board may:

- (1) transfer the assets to another of those funds;
- (2) use the assets to secure revenue bonds issued by the Board;
- (3) use the assets to plan and design, operate, maintain, enlarge, or improve veterans cemeteries; or
- (4) use the assets to plan and design, construct, acquire, own, operate, maintain, enlarge, improve, furnish, or equip veterans homes.

(t) The revenue bonds shall be special obligations of the Board and payable only from and secured only by receipts of the funds, assets transferred from the funds, and other revenues and assets as determined by the Board and shall not constitute indebtedness of the state or the Veterans' Land Board. The Board may issue revenue bonds from time to time, which bonds may not exceed an aggregate principal amount that the Board determines can be fully retired from the receipts of the funds, the assets transferred from the funds, and the other revenues and assets pledged to the retirement of the revenue bonds. Notwithstanding the rate of interest specified by any other provision of this constitution, revenue bonds shall bear a rate or rates of interest the Board determines. A determination made by the Board under this subsection shall be binding and conclusive as to the matter determined.

(u) The bonds authorized to be issued and sold by the Veterans' Land Board shall be issued and sold in forms and denominations, on terms, at times, in the manner, at places, and in installments the Board determines. The bonds shall bear a rate or rates of interest the Board determines. The bonds shall be incontestable after execution by the Board, approval by the Attorney General of Texas, and delivery to the purchaser or purchasers of the bonds.

(v) This Amendment being intended only to establish a basic framework and not to be a comprehensive treatment of the Veterans' Housing Assistance Program and the Veterans' Land Program, there is hereby reposed in the Legislature full power to implement and effectuate the design and objects of this Amendment, including the power to delegate such duties, responsibilities, functions, and authority to the Veterans' Land Board as it believes necessary.

(w) In addition to the general obligation bonds authorized to be issued and to be sold by the Veterans' Land Board by previous constitutional amendments, the Veterans' Land Board may provide for, issue, and sell general obligation bonds of the state to provide home mortgage loans to veterans of the state. The principal amount of outstanding bonds authorized by this subsection may not at any one time exceed \$500 million. The bond proceeds shall be deposited in or used to benefit and augment the Veterans' Housing Assistance Fund II and shall be administered and invested as provided by law. Payments of principal and interest on the bonds, including payments made under a bond enhancement agreement with respect to principal of or interest on the bonds, shall be made from the sources and in the manner provided by this section for general obligation bonds issued for the benefit of the Veterans' Housing Assistance Fund

The qualifications, compensation, and number of members of said Board shall be determined by law. They shall be appointed by the Governor with the advice and consent of the Senate in the manner and for such terms as may be prescribed by law.

(b) The Texas Water Development Board shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas as authorized by constitutional amendment or by a debt proposition under Section 49 of this article. The bonds shall be called "Texas Water Development Bonds," shall be executed in such form, denominations and upon such terms as may be prescribed by law, and may be issued in such installments as the Board finds feasible and practical in accomplishing the purpose set forth herein.

(c) All moneys received from the sale of the bonds shall be deposited in a fund hereby created in the State Treasury to be known as the Texas Water Development Fund to be administered (without further appropriation) by the Texas Water Development Board in such manner as prescribed by law.

(d) Such fund shall be used only for the purpose of aiding or making funds available upon such terms and conditions as the Legislature may prescribe, to the various political subdivisions or bodies politic and corporate of the State of Texas including river authorities, conservation and reclamation districts and districts created or organized or authorized to be created or organized under Article XVI, Section 59 or Article III, Section 52, of this Constitution, interstate compact commissions to which the State of Texas is a party and municipal corporations, in the conservation and development of the water resources of this State, including the control, storing and preservation of its storm and flood waters and the waters of its rivers and streams, for all useful and lawful purposes by the acquisition, improvement, extension, or construction of dams, reservoirs and other water storage projects, including any system necessary for the transportation of water from storage to points of treatment and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods.

(e) Any or all financial assistance as provided herein shall be repaid with interest upon such terms, conditions and manner of repayment as may be provided by law.

(f) While any of the Texas Water Development Bonds, or any interest on any of such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise

Art. 3 Sec. 49-d

appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the sinking fund at the close of the prior fiscal year.

(g) The Legislature may provide for the investment of moneys available in the Texas Water Development Fund, and the interest and sinking funds established for the payment of bonds issued by the Texas Water Development Board. Income from such investment shall be used for the purposes prescribed by the Legislature. The Legislature may also make appropriations from the General Revenue Fund for paying administrative expenses of the Board.

(h) From the moneys received by the Texas Water Development Board as repayment of principal for financial assistance or as interest thereon, there shall be deposited in the interest and sinking fund for the bonds sufficient moneys to pay the interest and principal to become due during the ensuing year and sufficient to establish and maintain a reserve in said fund equal to the average annual principal and interest requirements on all outstanding bonds. If any year moneys are received in excess of the foregoing requirements then such excess shall be deposited to the Texas Water Development Fund, and may be used for administrative expenses of the Board and for the same purposes and upon the same terms and conditions prescribed for the proceeds derived from the sale of such State bonds.

(i) All Texas Water Development Bonds shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas. (Added Nov. 5, 1957; amended Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 49-d. ACQUISITION AND DEVELOPMENT OF WATER STORAGE FACILITIES; FILTRATION, TREATMENT, AND TRANSPORTATION OF WATER; ENLARGEMENT OF RESERVOIRS.

(a) It is hereby declared to be the policy of the State of Texas to encourage the optimum development of the limited number of feasible sites available for the construction or enlargement of dams and reservoirs for conservation of the public waters of the state, which waters are held in trust for the use and benefit of the public, and to encourage the optimum regional development of systems built for the filtration, treatment, and transmission of water and wastewater. The proceeds from the sale of bonds deposited in the Texas Water Development Fund may be used by the Texas Water Development Board, under such provisions as the Legislature may prescribe by General Law, including the requirement of a permit for storage or beneficial use, for the additional purposes of acquiring and developing storage facilities, and any system or works necessary for the filtration, treatment and transportation of water or waste water, or for any one or more of such purposes or methods, whether or not such a system or works is connected with a reservoir in which the state has a financial interest; provided, however, the Texas Water Development Fund or any other state fund provided for water development, transmission, transfer or filtration shall not be used to finance any project which contemplates or results in the removal from the basin

of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing fifty-year period within the river basin of origin, except on a temporary, interim basis.

(b) Under such provisions as the Legislature may prescribe by General Law the Texas Water Development Fund may be used for the conservation and enlargement of water for useful purposes by construction or reconstruction or enlargement of reservoirs constructed or to be constructed or enlarged within the State of Texas or on any stream constituting a boundary of the State of Texas, together with any system or works necessary for the filtration, treatment and/or transportation of water, by any one or more of the following governmental agencies: by the United States of America or any agency, department or instrumentality thereof; by the State of Texas or any agency, department or instrumentality thereof; by political subdivisions or bodies politic and corporate of the state; by interstate compact commissions to which the State of Texas is a party; and by municipal corporations. The Legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer or lease, in whole or in part, any reservoir and associated system or works which the Texas Water Development Board has financed in whole or in part.

(c) Under such provisions as the Legislature may prescribe by General Law, the Texas Water Development Board may also execute long-term contracts with the United States or any of its agencies for the acquisition and development of storage facilities in reservoirs constructed or to be constructed by the Federal Government. Such contracts when executed shall constitute general obligations of the State of Texas in the same manner and with the same effect as state bonds issued under the authority of Section 49-c of this article, and the provisions of Section 49-c of this article with respect to payment of principal and interest on state bonds issued shall likewise apply with respect to payment of principal and interest required to be paid by such contracts. If storage facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment.

(d) The Legislature shall provide terms and conditions for the Texas Water Development Board to sell, transfer or lease, in whole or in part, any acquired facilities or the right to use such facilities at a price not less than the direct cost of the Board in acquiring same; and the Legislature may provide terms and conditions for the Board to sell any unappropriated public waters of the state that might be stored in such facilities. As a prerequisite to the purchase of such storage or water, the applicant therefor shall have secured a valid permit from the state authorizing the acquisition of such storage facilities or the water impounded therein. The money received from any sale, transfer or lease of facilities shall be used to pay principal and interest on state bonds issued or contractual obligations incurred by the Texas Water Development Board, provided that when moneys are sufficient to pay the full amount of indebtedness then outstanding and the full amount of interest to accrue thereon, any further sums received from the sale, transfer or lease of such facilities shall be deposited and used as provided by law. Money received from the sale of water, which shall include standby service, may be used for the operation and maintenance

Art. 3 Sec. 49-d-1

of acquired facilities, and for the payment of principal and interest on debt incurred. (Added Nov. 6, 1962; amended Nov. 8, 1966, Nov. 5, 1985, and Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 49-d-1. ADDITIONAL TEXAS WATER DEVELOPMENT BONDS.

(a) The Texas Water Development Board may issue Texas Water Development Bonds as authorized by constitutional amendment or by a debt proposition under Section 49 of this article to provide grants, loans, or any combination of grants and loans for water quality enhancement purposes as established by the Legislature to political subdivisions or bodies politic and corporate of the State of Texas, including municipal corporations, river authorities, conservation and reclamation districts, and districts created or organized or authorized to be created or organized under Article XVI, Section 59, or Article III, Section 52, of this Constitution, State agencies, and interstate agencies and compact commissions to which the State of Texas is a party, and upon such terms and conditions as the Legislature may authorize by general law. The bonds shall be issued for such terms, in such denominations, form and installments, and upon such conditions as the Legislature may authorize.

(b) The Texas Water Development Fund shall be used for the purposes heretofore permitted by, and subject to the limitations in this Section and Sections 49-c and 49-d; provided, however, that the financial assistance may be made subject only to the availability of funds. (Added May 18, 1971; Subsec. (a) amended Nov. 2, 1976; Subsec. (a) amended, Subsecs. (b) and (c) deleted, Subsec. (d) amended and redesignated Subsec. (b), and Subsecs. (e) and (f) deleted Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 49-d-2. ADDITIONAL BONDING AUTHORITY OF TEXAS WATER DEVELOPMENT BOARD; DEDICATED USE OF SOME PROCEEDS. The Texas Water Development Board may issue Texas Water Development Bonds for flood control projects and for any acquisition or construction necessary to achieve structural and nonstructural flood control purposes. (Added Nov. 5, 1985; Subsec. (a) amended and Subsecs. (b)-(e) deleted Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 49-d-3. CREATION AND USE OF SPECIAL FUNDS FOR WATER PROJECTS. (a) The legislature by law may create one or more special funds in the state treasury for use for or in aid of water conservation, water development, water quality enhancement, flood control, drainage, subsidence control, recharge, chloride control, agricultural soil and water conservation, desalinization or any combination of those purposes, may make money in a special fund available to cities, counties, special governmental districts and authorities, and other political subdivisions of the state for use for the purposes for which the fund was created by grants, loans, or any other means, and may appropriate money to any of the special funds to carry out the purposes of this section.

(b) Money deposited in a special fund created under this section may not be used to finance or aid any project that contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable water requirements for the next ensuing 50-year period within the river basin of origin, except on a temporary, interim basis. (Added Nov. 5, 1985.)

Sec. 49-d-4. BOND INSURANCE PROGRAM FOR WATER PROJECTS.

(a) In addition to other programs authorized by this constitution, the legislature by law may provide for the creation, administration, and implementation of a bond insurance program to which the state pledges its general credit in an amount not to exceed \$250 million to insure the payment in whole or in part of the principal of and interest on bonds or other obligations that are issued by cities, counties, special governmental districts and authorities, and other political subdivisions of the state as defined by law for use for or in aid of water conservation, water development, water quality enhancement, flood control, drainage, recharge, chloride control, desalinization, or any combination of those purposes.

(b) The legislature by law shall designate the state agency to administer the bond insurance program and may authorize that agency to execute insurance contracts that bind the state to pay the principal of and interest on the bonds if the bonds are in default or the bonds are subject to impending default, subject to the limits provided by this section and by law.

(c) The payment by the state of any insurance commitment made under this section must be made from the first money coming into the state treasury that is not otherwise dedicated by this constitution.

(d) Notwithstanding the total amount of bonds insured under this section, the total amount paid and not recovered by the state under this section, excluding the costs of administration, may not exceed \$250 million.

(e) Except on a two-thirds vote of the members elected to each house of the legislature, the ratio of bonds insured to the total liability of the state must be two to one.

(f) Except on a two-thirds vote of the members elected to each house of the legislature, the state agency administering the bond insurance program may not authorize bond insurance coverage under the program in any state fiscal year that exceeds a total of \$100 million.

(g) Unless authorized to continue by a two-thirds vote of the members elected to each house, this section and the bond insurance program authorized by this section expire on the sixth anniversary of the date on which this section becomes a part of the constitution. However, bond insurance issued before the expiration of this section and the program is not affected by the expiration of this section and the program and remains in effect according to its terms, and the state is required to fulfill all of the terms of that previously issued insurance. (Added Nov. 5, 1985.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 49-d-6. ADDITIONAL TEXAS WATER DEVELOPMENT BONDS; USE OF BONDS; REVIEW AND APPROVAL. The legislature may require review and approval of the issuance of Texas Water Development Bonds, of the use of the bond proceeds, or of the rules adopted by an agency to govern use of the bond proceeds. Notwithstanding any other provision of this constitution, any entity created or directed to conduct this review and approval may include members or appointees of members of the executive, legislative, and judicial departments of state government. (Added Nov. 3, 1987; Subsecs. (a), (c), and (d) deleted and Subsec. (b) amended Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 49-d-7. ADDITIONAL TEXAS WATER DEVELOPMENT BONDS; USE OF BONDS AND PROCEEDS; REVIEW AND APPROVAL. (a) The Texas Water Development Board may use the proceeds of Texas water development bonds issued for the purposes provided by Section 49-c of this article for the additional purpose of providing financial assistance, on terms and conditions provided by law, to various political subdivisions and bodies politic and corporate of the state and to nonprofit water supply corporations to provide for acquisition, improvement, extension, or construction of water supply projects that involve the distribution of water to points of delivery to wholesale or retail customers.

(b) The legislature may provide by law for subsidized loans and grants from the proceeds of Texas water development bonds to provide wholesale and retail water and wastewater facilities to economically distressed areas of the state as defined by law, provided, the principal amount of bonds that may be issued for the purposes under this subsection may not exceed \$250 million. Separate accounts shall be established in the water development fund for administering the proceeds of bonds issued for purposes under this subsection, and an interest and sinking fund separate from and not subject to the limitations of the interest and sinking fund created for other Texas water development bonds is established in the State Treasury to be used for paying the principal of and interest on bonds for the purposes of this subsection. While any of the bonds authorized for the purposes of this subsection or any of the interest on those bonds is outstanding and unpaid, there is appropriated out of the first money coming into the State Treasury in each fiscal year, not otherwise appropriated by this constitution, an amount that is sufficient to pay the principal of and interest on those bonds issued for the purposes under this subsection that mature or become due during that fiscal year. (Added Nov. 7, 1989; Subsec. (e) amended Nov. 5, 1991; Subsec. (a) deleted, Subsec. (b) redesignated Subsec. (a), Subsecs. (c) and (d) deleted, Subsec. (e) amended and redesignated Subsec. (b), and Subsec. (f) deleted Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 49-d-8. TEXAS WATER DEVELOPMENT FUND II. (a) The Texas Water Development Fund II is in the state treasury as a fund separate and distinct from the Texas Water Development Fund established under Section 49-c of this article. Money in the Texas Water Development Fund II shall be administered without further appropriation by the Texas Water Development Board and shall be used for any one or more of the purposes currently or formerly authorized by Sections 49-c, 49-d, 49-d-1, 49-d-2, 49-d-5, 49-d-6, and 49-d-7 of this article, as determined by the Texas Water Development Board. Separate accounts shall be established in the Texas Water Development Fund II for administering proceedings related to the purposes described in Section 49-d of this article, the purposes described in Subsection (b) of Section 49-d-7 of this article, and all other authorized purposes. The Texas Water Development Board is hereby authorized, at its determination, to issue general obligation bonds for one or more accounts of the Texas Water Development Fund II in an aggregate principal amount equal to the amount of bonds previously authorized pursuant to former Section 49-d-6 and Sections 49-d-2 and 49-d-7 of this article less the amount of bonds issued pursuant to those sections to augment the Texas Water Development Fund and the amount of bonds issued to augment the Texas Water Development Fund II. Nothing in this section, however, shall grant to the Texas Water Development Board the authority to issue bonds in excess of the total amount of those previously authorized bonds or to issue bonds for purposes described in Subsection (b) of Section 49-d-7 of this article in excess of \$250 million. The expenses of the Texas Water Development Board in connection with the issuance of bonds for an account of the Texas Water Development Fund II and administration of such account may be paid from money in such account.

TEMPORARY TRANSITION PROVISIONS.¹

(b) The Texas Water Development Board is hereby authorized, at its determination, to issue general obligation bonds for one or more accounts of the Texas Water Development Fund II in order to refund outstanding bonds previously issued to augment the Texas Water Development Fund, as long as the principal amount of the refunding bonds does not exceed the outstanding principal amount of the refunded bonds, and to refund the general obligation of the State of Texas under long-term contracts entered into by the Texas Water Development Board with the United States or any of its agencies under authority granted by Section 49-d of this article, as long as the principal amount of the refunding bonds does not exceed the principal amount of the contractual obligation of the Texas Water Development Board. Money and assets in the Texas Water Development Fund attributable to such refunding bonds shall be transferred to the appropriate account of the Texas Water Development Fund II, as determined by the Texas Water Development Board, to the extent not inconsistent with the proceedings authorizing any outstanding bonds issued to augment the Texas Water Development Fund and the terms of any long-term contracts entered into by the Texas Water Development Board with the United States or any of its agencies. In addition, the Texas Water Development Board may transfer other moneys and assets in the Texas Water Development Fund to the appropriate account of the Texas Water Development Fund II, as determined by the Texas Water Development Board, without the necessity of

Art. 3 Sec. 49-d-8

issuing refunding bonds to effect the transfer, to the extent not inconsistent with the proceedings authorizing any outstanding bonds issued to augment the Texas Water Development Fund. Further, at such time as all bonds issued to augment the Texas Water Development Fund and all such contractual obligations have been paid or otherwise discharged, all money and assets in the Texas Water Development Fund shall be transferred to the credit of the Texas Water Development Fund II and deposited to the accounts therein, as determined by the Texas Water Development Board.

TEMPORARY TRANSITION PROVISIONS.¹

(c) Subject to the limitations set forth in Section 49-d of this article, the legislature shall provide terms and conditions under which the Texas Water Development Board may sell, transfer, or lease, in whole or in part, facilities held for the account established within the Texas Water Development Fund II for administering proceedings related to the purposes described in Section 49-d of this article, and the legislature may provide terms and conditions under which the Texas Water Development Board may sell any unappropriated public waters of the state that may be stored in such facilities. Money received from any sale, transfer, or lease of such facilities or water shall be credited to the account established within the Texas Water Development Fund II for the purpose of administering proceedings related to the purposes described in Section 49-d of this article.

(d) Each account of the Texas Water Development Fund II shall consist of:

(1) the Texas Water Development Board's rights to receive repayment of financial assistance provided from such account, together with any evidence of such rights;

(2) money received from the sale or other disposition of the Texas Water Development Board's rights to receive repayment of such financial assistance;

(3) money received as repayment of such financial assistance;

(4) money and assets attributable to bonds issued and sold by the Texas Water Development Board for such account, including money and assets transferred from the Texas Water Development Fund pursuant to this section;

(5) money deposited in such account pursuant to Subsection (c) of this section;

(6) payments received by the Texas Water Development Board under a bond enhancement agreement as authorized by law with respect to bonds issued for such account; and

(7) interest and other income received from investment of money in such account.

(e) Notwithstanding the other provisions of this article, the principal of and interest on the general obligation bonds issued for an account of the Texas Water Development Fund II, including payments by the Texas Water Development Board under a bond enhancement agreement as authorized by law with respect to principal of or interest on such bonds, shall be paid out of such

account, but the money in such account that is not immediately committed to the purposes of such account or the payment of expenses may be invested as authorized by law until the money is needed for those purposes. If there is not enough money in any account available to pay the principal of and interest on the general obligation bonds issued for such account, including money to make payments by the Texas Water Development Board under a bond enhancement agreement as authorized by law with respect to principal of or interest on such bonds, there is appropriated out of the first money coming into the state treasury in each fiscal year not otherwise appropriated by this constitution an amount that is sufficient to pay the principal of and interest on such general obligation bonds that mature or become due during that fiscal year or to make bond enhancement payments with respect to those bonds.

TEMPORARY TRANSITION PROVISIONS.¹

(f) The general obligation bonds authorized by this section may be issued as bonds, notes, or other obligations as permitted by law and shall be sold in forms and denominations, on terms, at times, in the manner, at places, and in installments, all as determined by the Texas Water Development Board. The bonds shall bear a rate or rates of interest the Texas Water Development Board determines. The bonds authorized by this section shall be incontestable after execution by the Texas Water Development Board, approval by the attorney general, and delivery to the purchaser or purchasers of the bonds.

(g) This section being intended only to establish a basic framework and not to be a comprehensive treatment of the Texas Water Development Fund II, there is hereby reposed in the legislature full power to implement and effectuate the design and objects of this section, including the power to delegate such duties, responsibilities, functions, and authority to the Texas Water Development Board as it believes necessary.

(h) The Texas Water Development Fund II, (including any account in that fund, may not be used to finance or aid any project that contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing 50-year period within the river basin of origin, except on a temporary, interim basis. (Added Nov. 4, 1997; Subsecs. (a), (b), and (e) amended Nov. 2, 1999.)

Sec. 49-d-9. ISSUANCE OF ADDITIONAL GENERAL OBLIGATION BONDS. (a) The Texas Water Development Board may issue additional general obligation bonds, at its determination, for one or more accounts of the Texas Water Development Fund II, in an amount not to exceed \$2 billion. Of the additional general obligation bonds authorized to be issued, \$50 million of those bonds shall be used for the water infrastructure fund as provided by law.

(b) Section 49-d-8 of this article applies to the bonds authorized by this section. The limitation in Section 49-d-8 of this article that the Texas Water Development Board may not issue bonds in excess of the aggregate principal amount of previously authorized bonds does not apply to the bonds authorized by and issued under this section.

Art. 3 Sec. 49-e

(c) A limitation on the percentage of state participation in any single project imposed by this article does not apply to a project funded with the proceeds of bonds issued under the authority of Section 49-d-8 of this article or this section. (Added Nov. 6, 2001.)

Sec. 49-e. TEXAS PARK DEVELOPMENT FUND. (a) The Parks and Wildlife Department, or its successor vested with the powers, duties, and authority which deals with the operation, maintenance, and improvement of State Parks, shall have the authority to provide for, issue and sell general obligation bonds of the State of Texas in an amount authorized by constitutional amendment or by a debt proposition under Section 49 of this article. The bonds shall be called "Texas Park Development Bonds," shall be executed in such form, denominations, and upon such terms as may be prescribed by law, shall bear a rate or rates of interest as may be fixed by the Parks and Wildlife Department or its successor, not to exceed the maximum prescribed by Section 65 of this article, and may be issued in such installments as said Parks and Wildlife Department, or its said successor, finds feasible and practical in accomplishing the purpose set forth herein.

(b) All moneys received from the sale of said bonds shall be deposited in a fund hereby created with the Comptroller of Public Accounts of the State of Texas to be known as the Texas Park Development Fund to be administered (without further appropriation) by the said Parks and Wildlife Department, or its said successor, in such manner as prescribed by law.

(c) Such fund shall be used by said Parks and Wildlife Department, or its said successor, under such provisions as the Legislature may prescribe by general law, for the purposes of acquiring lands from the United States, or any governmental agency thereof, from any governmental agency of the State of Texas, or from any person, firm, or corporation, for State Park Sites and for developing said sites as State Parks.

(d) While any of the bonds, or any interest on any such bonds, is outstanding and unpaid, there is hereby appropriated out of the first moneys coming into the Treasury in each fiscal year, not otherwise appropriated by this Constitution, an amount which is sufficient to pay the principal and interest on such bonds that mature or become due during such fiscal year, less the amount in the interest and sinking fund at the close of the prior fiscal year, which includes any receipts derived during the prior fiscal year by said Parks and Wildlife Department, or its said successor, from admission charges to State Parks, as the Legislature may prescribe by general law.

(e) The Legislature may provide for the investment of moneys available in the Texas Park Development Fund and the interest and sinking fund established for the payment of bonds issued by said Parks and Wildlife Department, or its said successor. Income from such investment shall be used for the purposes prescribed by the Legislature.

(f) From the moneys received by said Parks and Wildlife Department, or its said successor, from the sale of the bonds issued hereunder, there shall be deposited in the interest and sinking fund for the bonds authorized by this section sufficient moneys to pay the interest to become due during the State fiscal year

in which the bonds were issued. After all bonds have been fully paid with interest, or after there are on deposit in the interest and sinking fund sufficient moneys to pay all future maturities of principal and interest, additional moneys received from admission charges to State Parks shall be deposited to the State Parks Fund, or any successor fund which may be established by the Legislature as a depository for Park revenue earned by said Parks and Wildlife Department, or its said successor.

(g) All bonds issued hereunder shall after approval by the Attorney General, registration by the Comptroller of Public Accounts of the State of Texas, and delivery to the purchasers, be incontestable and shall constitute general obligations of the State of Texas under the Constitution of Texas. (Added Nov. 11, 1967; amended Nov. 7, 1995, and Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 49-f. BONDS TO FUND FINANCIAL ASSISTANCE TO PURCHASE FARM AND RANCH LAND. (a) The legislature by general law may provide for the issuance of general obligation bonds of the state, the proceeds of which shall be used to make loans and provide other financing assistance for the purchase of farm and ranch land.

(b) Except as provided by Subsection (g) of this section, all money received from the sale of the bonds shall be deposited in a fund created with the comptroller of public accounts to be known as the farm and ranch finance program fund. This fund shall be administered by the Texas Agricultural Finance Authority in the manner prescribed by law.

(c) Section 65(b) of this article applies to the payment of interest on the bonds.

(d) The principal amount of bonds outstanding at one time may not exceed \$500 million.

(e) While any of the bonds authorized by this section or any interest on those bonds is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year not otherwise appropriated by this constitution an amount that is sufficient to pay the principal and interest on the bonds that mature or become due during the fiscal year less the amount in the interest and sinking fund at the close of the prior fiscal year.

(f) The bonds shall be approved by the attorney general and registered with the comptroller of public accounts. The bonds, when approved and registered, are general obligations of the state and are incontestable.

(g) Notwithstanding Subsection (a) of this section, the proceeds of \$200 million of the bonds authorized by this section may be used for the purposes provided by Section 49-i of this article and for other rural economic development programs, and the proceeds of bonds issued for those purposes under this subsection shall be deposited in the Texas agricultural fund, to be administered in the same manner that proceeds of bonds issued under Section 49-i of this article are administered. (Subsecs. (a)-(f) added Nov. 5, 1985; Subsec. (b) amended and (g) added Nov. 7, 1995.)

Art. 3 Sec. 49-g

Sec. 49-g. SUPERCONDUCTING SUPER COLLIDER FUND. (Added by Acts 1987, 70th Leg., R.S., H.J.R. 88; amended Nov. 7, 1995; repealed Nov. 4, 1997.)

Sec. 49-g. ECONOMIC STABILIZATION FUND. (Text of section as added by Acts 1987, 70th Leg., R.S., H.J.R. 2.) (a) The economic stabilization fund is established as a special fund in the state treasury.

(b) The comptroller shall, not later than the 90th day of each biennium, transfer to the economic stabilization fund one-half of any unencumbered positive balance of general revenues on the last day of the preceding biennium. If necessary, the comptroller shall reduce the amount transferred in proportion to the other amounts prescribed by this section to prevent the amount in the fund from exceeding the limit in effect for that biennium under Subsection (g) of this section.

(c) Not later than the 90th day of each fiscal year, the comptroller of public accounts shall transfer from general revenue to the economic stabilization fund the amounts prescribed by Subsections (d) and (e) of this section. However, if necessary, the comptroller shall reduce proportionately the amounts transferred to prevent the amount in the fund from exceeding the limit in effect for that biennium under Subsection (g) of this section.

(d) If in the preceding year the state received from oil production taxes a net amount greater than the net amount of oil production taxes received by the state in the fiscal year ending August 31, 1987, the comptroller shall transfer to the economic stabilization fund an amount equal to 75 percent of the difference between those amounts. The comptroller shall retain the remaining 25 percent of the difference as general revenue. In computing the net amount of oil production taxes received, the comptroller may not consider refunds paid as a result of oil overcharge litigation.

(e) If in the preceding year the state received from gas production taxes a net amount greater than the net amount of gas production taxes received by the state in the fiscal year ending August 31, 1987, the comptroller shall transfer to the economic stabilization fund an amount equal to 75 percent of the difference between those amounts. The comptroller shall retain the remaining 25 percent of the difference as general revenue. For the purposes of this subsection, the comptroller shall adjust his computation of revenues to reflect only 12 months of collection.

(f) The legislature may appropriate additional amounts to the economic stabilization fund.

(g) During each fiscal biennium, the amount in the economic stabilization fund may not exceed an amount equal to 10 percent of the total amount, excluding investment income, interest income, and amounts borrowed from special funds, deposited in general revenue during the preceding biennium.

(h) In preparing an estimate of anticipated revenues for a succeeding biennium as required by Article III, Section 49a, of this constitution, the comptroller shall estimate the amount of the transfers that will be made under

Subsections (b), (d), and (e) of this section. The comptroller shall deduct that amount from the estimate of anticipated revenues as if the transfers were made on August 31 of that fiscal year.

(i) The comptroller shall credit to general revenue interest due to the economic stabilization fund that would result in an amount in the economic stabilization fund that exceeds the limit in effect under Subsection (g) of this section.

(j) The comptroller may transfer money from the economic stabilization fund to general revenue to prevent or eliminate a temporary cash deficiency in general revenue. The comptroller shall return the amount transferred to the economic stabilization fund as soon as practicable, but not later than August 31 of each odd-numbered year. The comptroller shall allocate the depository interest as if the transfers had not been made. If the comptroller submits a statement to the governor and the legislature under Article III, Section 49a, of this constitution when money from the economic stabilization fund is in general revenue, the comptroller shall state that the transferred money is not available for appropriation from general revenue.

(k) Amounts from the economic stabilization fund may be appropriated during a regular legislative session only for a purpose for which an appropriation from general revenue was made by the preceding legislature and may be appropriated in a special session only for a purpose for which an appropriation from general revenue was made in a preceding legislative session of the same legislature. An appropriation from the economic stabilization fund may be made only if the comptroller certifies that appropriations from general revenue made by the preceding legislature for the current biennium exceed available general revenues and cash balances for the remainder of that biennium. The amount of an appropriation from the economic stabilization fund may not exceed the difference between the comptroller's estimate of general revenue for the current biennium at the time the comptroller receives for certification the bill making the appropriation and the amount of general revenue appropriations for that biennium previously certified by the comptroller. Appropriations from the economic stabilization fund under this subsection may not extend beyond the last day of the current biennium. An appropriation from the economic stabilization fund must be approved by a three-fifths vote of the members present in each house of the legislature.

(l) If an estimate of anticipated revenues for a succeeding biennium prepared by the comptroller pursuant to Article III, Section 49a, of this constitution is less than the revenues that are estimated at the same time by the comptroller to be available for the current biennium, the legislature may, by a three-fifths vote of the members present in each house, appropriate for the succeeding biennium from the economic stabilization fund an amount not to exceed this difference. Following each fiscal year, the actual amount of revenue shall be computed, and if the estimated difference exceeds the actual difference, the comptroller shall transfer the amount necessary from general revenue to the economic stabilization fund so that the actual difference shall not be exceeded. If all or a portion of the difference in revenue from one biennium to the next

Art. 3 Sec. 49-h

results, at least in part, from a change in a tax rate or base adopted by the legislature, the computation of revenue difference shall be adjusted to the amount that would have been available had the rate or base not been changed.

(m) In addition to the appropriation authority provided by Subsections (k) and (l) of this section, the legislature may, by a two-thirds vote of the members present in each house, appropriate amounts from the economic stabilization fund at any time and for any purpose.

(n) Money appropriated from the economic stabilization fund is subject to being withheld or transferred, within any limits provided by statute, by any person or entity authorized to exercise the power granted by Article XVI, Section 69, of this constitution.

(o) In this section, "net" means the amount of money that is equal to the difference between gross collections and refunds before the comptroller allocates the receipts as provided by law. (Added Nov. 8, 1988.)

(p) (Subsec. (p) added Nov. 8, 1988, and expired Sept. 2, 1989.) (Subsecs. (i) and (j) amended Nov. 7, 1995.)

Sec. 49-h. BOND ISSUES FOR FACILITIES OF CORRECTIONAL INSTITUTIONS, STATEWIDE LAW ENFORCEMENT FACILITIES, AND MENTAL HEALTH AND MENTAL RETARDATION INSTITUTIONS.

(a) In amounts authorized by constitutional amendment or by a debt proposition under Section 49 of this article, the legislature may provide for the issuance of general obligation bonds and the use of the bond proceeds for acquiring, constructing, or equipping new facilities or for major repair or renovation of existing facilities of corrections institutions, including youth corrections institutions, and mental health and mental retardation institutions. The legislature may require the review and approval of the issuance of the bonds and the projects to be financed by the bond proceeds. Notwithstanding any other provision of this constitution, the issuer of the bonds or any entity created or directed to review and approve projects may include members or appointees of members of the executive, legislative, and judicial departments of state government.

TEMPORARY TRANSITION PROVISIONS.¹

(b) Bonds issued under this section constitute a general obligation of the state. While any of the bonds or interest on the bonds is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, the amount sufficient to pay the principal of and interest on the bonds that mature or become due during the fiscal year, less any amount in any sinking fund at the end of the preceding fiscal year that is pledged to payment of the bonds or interest.

(c) In addition to the purposes authorized under Subsection (a), the legislature may authorize the issuance of the general obligation bonds for acquiring, constructing, or equipping:

(1) new statewide law enforcement facilities and for major repair or renovation of existing facilities; and

(2) new prisons and substance abuse felony punishment facilities to confine criminals and major repair or renovation of existing facilities of those institutions, and for the acquisition of, major repair to, or renovation of other facilities for use as state prisons or substance abuse felony punishment facilities. (Added Nov. 3, 1987; Subsec. (c) added Nov. 7, 1989; Subsec. (d) added Nov. 5, 1991; Subsec. (e) added Nov. 2, 1993; Subsecs. (a) and (c) amended, Subsec. (d) amended and redesignated Subsec. (c), and Subsec. (e) deleted Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 49-i. TEXAS AGRICULTURAL FUND. (a) The legislature by law may provide for the issuance of general obligation bonds of the state for the purpose of providing money to establish a Texas agricultural fund in the state treasury to be used without further appropriation in the manner provided by law and for the purpose of providing money to establish a rural microenterprise development fund in the state treasury to be used without further appropriation in the manner provided by law. The Texas agricultural fund shall be used only to provide financial assistance to develop, increase, improve, or expand the production, processing, marketing, or export of crops or products grown or produced primarily in this state by agricultural businesses domiciled in the state. The rural microenterprise development fund shall be used only in furtherance of a program established by the legislature to foster and stimulate the creation and expansion of small businesses in rural areas. The financial assistance offered by both funds may include loan guarantees, insurance, coinsurance, loans, and indirect loans or purchases or acceptances of assignments of loans or other obligations.

(b) The principal amount of bonds outstanding at one time may not exceed \$25 million for the Texas agricultural fund and \$5 million for the rural microenterprise development fund.

(c) The legislature may establish an interest and sinking account and other accounts within the Texas agricultural fund and within the rural microenterprise development fund. The legislature may provide for the investment of bond proceeds and of the interest and sinking accounts. Income from the investment of money in the funds that is not immediately committed to the payment of the principal of and interest on the bonds or the provision of financial assistance shall be used to create new employment and business opportunities in the state through the diversification and expansion of agricultural or rural small businesses, as provided by the legislature.

(d) Bonds authorized under this section constitute a general obligation of the state. While any of the bonds or interest on the bonds is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, the amount sufficient to pay the principal of and interest on the bonds that mature or become due during the fiscal year, less any amounts in the interest and sinking accounts at the close of the preceding fiscal year that are pledged to payment of the bonds or interest. (Added Nov. 7, 1989.)

Art. 3 Sec. 49-j

Sec. 49-j. LIMIT ON STATE DEBT PAYABLE FROM GENERAL REVENUE FUND. (a) The legislature may not authorize additional state debt if the resulting annual debt service exceeds the limitation imposed by this section. The maximum annual debt service in any fiscal year on state debt payable from the general revenue fund may not exceed five percent of an amount equal to the average of the amount of general revenue fund revenues, excluding revenues constitutionally dedicated for purposes other than payment of state debt, for the three preceding fiscal years.

(b) For purposes of this section, “state debt payable from the general revenue fund” means general obligation and revenue bonds, including authorized but unissued bonds, and lease-purchase agreements in an amount greater than \$250,000, which bonds or lease purchase agreements are designed to be repaid with the general revenues of the state. The term does not include bonds that, although backed by the full faith or credit of the state, are reasonably expected to be paid from other revenue sources and that are not expected to create a general revenue draw. Bonds or lease purchase agreements that pledge the full faith and credit of the state are considered to be reasonably expected to be paid from other revenue sources if they are designed to receive revenues other than state general revenues sufficient to cover their debt service over the life of the bonds or agreement. If those bonds or agreements, or any portion of the bonds or agreements, subsequently requires use of the state’s general revenue for payment, the bonds or agreements, or portion of the bonds or agreements, is considered to be a “state debt payable from the general revenue fund” under this section, until:

(1) the bonds or agreements are backed by insurance or another form of guarantee that ensures payment from a source other than general revenue; or

(2) the issuer demonstrates to the satisfaction of the Bond Review Board or its successor designated by law that the bonds no longer require payment from general revenue, and the Bond Review Board so certifies to the Legislative Budget Board or its successor designated by law. (Added Nov. 4, 1997.)

Sec. 49-k. TEXAS MOBILITY FUND. (a) In this section:

(1) “Commission” means the Texas Transportation Commission or its successor.

(2) “Comptroller” means the comptroller of public accounts of the State of Texas.

(3) “Department” means the Texas Department of Transportation or its successor.

(4) “Fund” means the Texas Mobility Fund.

(5) “Obligations” means bonds, notes, and other public securities.

(b) The Texas Mobility Fund is created in the state treasury and shall be administered by the commission as a revolving fund to provide a method of financing the construction, reconstruction, acquisition, and expansion of state highways, including costs of any necessary design and costs of acquisition of rights-of-way, as determined by the commission in accordance with standards and procedures established by law.

(c) Money in the fund may also be used to provide participation by the state in the payment of a portion of the costs of constructing and providing publicly owned toll roads and other public transportation projects in accordance with the procedures, standards, and limitations established by law.

(d) The commission may issue and sell obligations of the state and enter into related credit agreements that are payable from and secured by a pledge of and a lien on all or part of the money on deposit in the fund in an aggregate principal amount that can be repaid when due from money on deposit in the fund, as that aggregate amount is projected by the comptroller in accordance with procedures established by law. The proceeds of the obligations must be deposited in the fund and used for one or more specific purposes authorized by law, including:

(1) refunding obligations and related credit agreements authorized by this section;

(2) creating reserves for payment of the obligations and related credit agreements;

(3) paying the costs of issuance; and

(4) paying interest on the obligations and related credit agreements for a period not longer than the maximum period established by law.

(e) The legislature by law may dedicate to the fund one or more specific sources or portions, or a specific amount, of the revenue, including taxes, and other money of the state that are not otherwise dedicated by this constitution. The legislature may not dedicate money from the collection of motor vehicle registration fees and taxes on motor fuels and lubricants dedicated by Section 7-a, Article VIII, of this constitution, but it may dedicate money received from other sources that are allocated to the same costs as those dedicated taxes and fees.

(f) Money dedicated as provided by this section is appropriated when received by the state, shall be deposited in the fund, and may be used as provided by this section and law enacted under this section without further appropriation. While money in the fund is pledged to the payment of any outstanding obligations or related credit agreements, the dedication of a specific source or portion of revenue, taxes, or other money made as provided by this section may not be reduced, rescinded, or repealed unless:

(1) the legislature by law dedicates a substitute or different source that is projected by the comptroller to be of a value equal to or greater than the source or amount being reduced, rescinded, or repealed and authorizes the commission to implement the authority granted by Subsection (g) of this section; and

(2) the commission implements the authority granted by the legislature pursuant to Subsection (g) of this section.

(g) In addition to the dedication of specified sources or amounts of revenue, taxes, or money as provided by Subsection (e) of this section, the legislature may by law authorize the commission to guarantee the payment of any obligations and credit agreements issued and executed by the commission under the authority of this section by pledging the full faith and credit of the state to

Art. 3 Sec. 49-1

that payment if dedicated revenue is insufficient for that purpose. If that authority is granted and is implemented by the commission, while any of the bonds, notes, other obligations, or credit agreements are outstanding and unpaid, and for any fiscal year during which the dedicated revenue, taxes, and money are insufficient to make all payments when due, there is appropriated, and there shall be deposited in the fund, out of the first money coming into the state treasury in each fiscal year that is not otherwise appropriated by this constitution, an amount that is sufficient to pay the principal of the obligations and agreements and the interest on the obligations and agreements that become due during that fiscal year, minus any amount in the fund that is available for that payment in accordance with applicable law.

(h) Proceedings authorizing obligations and related credit agreements to be issued and executed under the authority of this section shall be submitted to the attorney general for approval as to their legality. If the attorney general finds that they will be issued in accordance with this section and applicable law, the attorney general shall approve them, and, after payment by the purchasers of the obligations in accordance with the terms of sale and after execution and delivery of the related credit agreements, the obligations and related credit agreements are incontestable for any cause.

(i) Obligations and credit agreements issued or executed under the authority of this section may not be included in the computation required by Section 49-j, Article III, of this constitution, except that if money has been dedicated to the fund without specification of its source or the authority granted by Subsection (g) of this section has been implemented, the obligations and credit agreements shall be included to the extent the comptroller projects that general funds of the state, if any, will be required to pay amounts due on or on account of the obligations and credit agreements.

(j) The collection and deposit of the amounts required by this section, applicable law, and contract to be applied to the payment of obligations and credit agreements issued, executed, and secured under the authority of this section may be enforced by mandamus against the commission, the department, and the comptroller in a district court of Travis County, and the sovereign immunity of the state is waived for that purpose. (Added Nov. 6, 2001.)

Sec. 49-1. FINANCIAL ASSISTANCE TO COUNTIES FOR ROADWAY PROJECTS TO SERVE BORDER COLONIAS. (a) To fund financial assistance to counties for roadways to serve border colonias, the legislature by general law may authorize the governor to authorize the Texas Public Finance Authority or its successor to issue general obligation bonds or notes of the State of Texas in an aggregate amount not to exceed \$175 million and to enter into related credit agreements. Except as provided by Subsection (c) of this section, the proceeds from the sale of the bonds and notes may be used only to provide financial assistance to counties for projects to provide access roads to connect border colonias with public roads. Projects may include the construction of colonia access roads, the acquisition of materials used in maintaining colonia access roads, and projects related to the construction of colonia access roads, such as projects for the drainage of the roads.

(b) The Texas Transportation Commission may, in its discretion and in consultation with the office of the governor, determine what constitutes a border colonia for purposes of selecting the counties and projects that may receive assistance under this section.

(c) A portion of the proceeds from the sale of the bonds and notes and a portion of the interest earned on the bonds and notes may be used to pay:

- (1) the costs of administering projects authorized under this section; and
- (2) all or part of a payment owed or to be owed under a credit agreement.

(d) The bonds and notes authorized under this section constitute a general obligation of the state. While any of the bonds or notes or interest on the bonds or notes is outstanding and unpaid, there is appropriated out of the general revenue fund in each fiscal year an amount sufficient to pay the principal of and interest on the bonds and notes that mature or become due during the fiscal year, including an amount sufficient to make payments under a related credit agreement. (Added Nov. 6, 2001.)

Sec. 49-m. TEXAS DEPARTMENT OF TRANSPORTATION SHORT-TERM NOTES AND LOANS. (a) The legislature, by law, may authorize the Texas Transportation Commission or its successor to authorize the Texas Department of Transportation or its successor to issue notes or borrow money from any source to carry out the functions of the department.

(b) Notes issued or a loan obtained under this section may not have a term of more than two years. The legislature may appropriate money dedicated by Sections 7-a and 7-b, Article VIII, of this constitution for the purpose of paying a debt created by the notes or loan. (Added Sept. 13, 2003.)

Sec. 49-n. HIGHWAY TAX AND REVENUE ANTICIPATION NOTES. (Text of section as added by Acts 2003, 78th Leg., R.S., H.J.R. No. 28.) (a) To fund highway improvement projects, the legislature may authorize the Texas Transportation Commission or its successor to issue bonds and other public securities and enter into bond enhancement agreements that are payable from revenue deposited to the credit of the state highway fund.

(b) In each fiscal year in which amounts become due under the bonds, other public securities, or agreements authorized by this section, there is appropriated from the revenue deposited to the credit of the state highway fund in that fiscal year an amount that is sufficient to pay:

- (1) the principal of and interest on the bonds or other public securities that mature or become due during the fiscal year; and
- (2) any cost related to the bonds and other public securities, including payments under bond enhancement agreements, that becomes due during that fiscal year.

(c) Any dedication or appropriation of revenue to the credit of the state highway fund may not be modified so as to impair any outstanding bonds or other public securities secured by a pledge of that revenue unless provisions have been made for a full discharge of those securities. (Added Sept. 13, 2003.)

Art. 3 Sec. 49-n

Sec. 49-n. GENERAL OBLIGATION BONDS AND NOTES FOR MILITARY VALUE REVOLVING LOAN ACCOUNT. (Text of section as added by Acts 2003, 78th Leg., R.S., S.J.R. No. 55.) (a) The legislature by general law may authorize one or more state agencies to issue general obligation bonds or notes of the State of Texas in an aggregate amount not to exceed \$250 million and enter into related credit agreements. The proceeds from the sale of the bonds and notes shall be deposited in the Texas military value revolving loan account in the state treasury or its successor account to be used by one or more state agencies designated by the legislature by general law without further appropriation to provide loans for economic development projects that benefit defense-related communities, as defined by the legislature by general law, including projects that enhance the military value of military installations located in the state.

(b) The expenses incurred in connection with the issuance of the bonds and notes and the costs of administering the Texas military value revolving loan account may be paid from money in the account. Money in the Texas military value revolving loan account may be used to pay all or part of any payment owed under a credit agreement related to the bonds or notes.

(c) A defense-related community receiving a loan from the Texas military value revolving loan account may use money from the account to capitalize interest on the loan.

(d) An agency providing a loan from the Texas military value revolving loan account to a defense-related community may require the defense-related community to pay any pro rata cost of issuing the general obligation bonds and notes.

(e) Bonds and notes authorized under this section are a general obligation of the state. While any of the bonds or notes or interest on the bonds or notes is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, the amount sufficient to pay the principal of and interest on the bonds or notes that mature or become due during the fiscal year, including an amount sufficient to make payments under a related credit agreement, less any amounts in the interest and sinking accounts at the close of the preceding fiscal year that are pledged to payment of the bonds or notes or interest. The Legislature by general statute shall provide for the means for determining the state budget amounts, including state and other funds appropriated by the Legislature, to be used in establishing the biennial limit.

TEMPORARY TRANSITION PROVISIONS.¹

(c) Provided further, that if the limitations and restrictions herein contained are found to be in conflict with the provisions of appropriate federal statutes, as they now are or as they may be amended to the extent that federal matching money is not available to the state for these purposes, then and in that event the Legislature is specifically authorized and empowered to prescribe such limitations and restrictions and enact such laws as may be necessary in order that such federal matching money will be available for assistance and/or medical care for or on behalf of needy persons.

(d) Nothing in this Section shall be construed to amend, modify or repeal Section 31 of Article XVI of this Constitution; provided further, however, that such medical care, services or assistance shall also include the employment of objective or subjective means, without the use of drugs, for the purpose of ascertaining and measuring the powers of vision of the human eye, and fitting lenses or prisms to correct or remedy any defect or abnormal condition of vision. Nothing herein shall be construed to permit optometrists to treat the eyes for any defect whatsoever in any manner nor to administer nor to prescribe any drug or physical treatment whatsoever, unless such optometrist is a regularly licensed physician or surgeon under the laws of this state. (Added Aug. 25, 1945; amended Nov. 2, 1954, Nov. 5, 1957, Nov. 6, 1962, Nov. 9, 1963, Nov. 2, 1965, Aug. 5, 1969, Nov. 2, 1982, and Nov. 2, 1999.)

Sec. 51-a-1. ASSISTANCE TO LOCAL FIRE DEPARTMENTS. (a) The legislature by general law may authorize the use of public money to provide to local fire departments and other public fire-fighting organizations:

(1) loans or other financial assistance to purchase fire-fighting equipment and to aid in providing necessary equipment and facilities to comply with federal and state law; and

Art. 3 Sec. 51-b

(2) scholarships and grants to educate and train the members of local fire departments and other public fire-fighting organizations.

(b) A portion of the money used under this section may be used for the administrative costs of the program. The legislature shall provide for the terms and conditions of scholarships, grants, loans, and other financial assistance to be provided under this section. (Added Nov. 7, 1989.)

Sec. 51-b. (Repealed Nov. 7, 1978.)

Sec. 51-c. AID OR COMPENSATION TO PERSONS IMPROPERLY FINED OR IMPRISONED. The Legislature may grant aid and compensation to any person who has heretofore paid a fine or served a sentence in prison, or who may hereafter pay a fine or serve a sentence in prison, under the laws of this State for an offense for which he or she is not guilty, under such regulations and limitations as the Legislature may deem expedient. (Added Nov. 6, 1956.)

Sec. 51-d. PAYMENT OF ASSISTANCE TO SURVIVORS OF LAW ENFORCEMENT AND OTHER OFFICERS. The Legislature shall have the power, by general law, to provide for the payment of assistance by the State of Texas to the surviving spouse, minor children, and surviving dependent parents, brothers, and sisters of officers, employees, and agents, including members of organized volunteer fire departments and members of organized police reserve or auxiliary units with authority to make an arrest, of the state or of any city, county, district, or other political subdivision who, because of the hazardous nature of their duties, suffer death in the course of the performance of those official duties. Should the Legislature enact any enabling laws in anticipation of this amendment, no such law shall be void by reason of its anticipatory nature. (Added Nov. 8, 1966; amended Aug. 5, 1969, and Nov. 6, 1984.)

Sec. 51-e. (Repealed April 22, 1975.)

Sec. 51-f. (Repealed April 22, 1975.)

Sec. 51g. SOCIAL SECURITY COVERAGE OF PROPRIETARY EMPLOYEES OF POLITICAL SUBDIVISIONS. The Legislature shall have the power to pass such laws as may be necessary to enable the State to enter into agreements with the Federal Government to obtain for proprietary employees of its political subdivisions coverage under the old-age and survivors insurance provisions of Title II of the Federal Social Security Act as amended. The Legislature shall have the power to make appropriations and authorize all obligations necessary to the establishment of such Social Security coverage program. (Added Nov. 2, 1954.)

Sec. 52. COUNTIES, CITIES OR OTHER POLITICAL CORPORATIONS OR SUBDIVISIONS; LENDING CREDIT; GRANTS; BONDS. (a) Except as otherwise provided by this section, the Legislature shall have no power to authorize any county, city, town or other political corporation or subdivision of the State to lend its credit or to grant public money or thing of value in aid of, or to any individual, association or corporation whatsoever, or to become a stockholder in such corporation, association or company. However, this section does not prohibit the use of public funds or credit for

the payment of premiums on nonassessable property and casualty, life, health, or accident insurance policies and annuity contracts issued by a mutual insurance company authorized to do business in this State.

(b) Under Legislative provision, any county, political subdivision of a county, number of adjoining counties, political subdivision of the State, or defined district now or hereafter to be described and defined within the State of Texas, and which may or may not include, towns, villages or municipal corporations, upon a vote of two-thirds majority of the voting qualified voters of such district or territory to be affected thereby, may issue bonds or otherwise lend its credit in any amount not to exceed one-fourth of the assessed valuation of the real property of such district or territory, except that the total bonded indebtedness of any city or town shall never exceed the limits imposed by other provisions of this Constitution, and levy and collect taxes to pay the interest thereon and provide a sinking fund for the redemption thereof, as the Legislature may authorize, and in such manner as it may authorize the same, for the following purposes to wit:

(1) The improvement of rivers, creeks, and streams to prevent overflows, and to permit of navigation thereof, or irrigation thereof, or in aid of such purposes.

(2) The construction and maintenance of pools, lakes, reservoirs, dams, canals and waterways for the purposes of irrigation, drainage or navigation, or in aid thereof.

(3) The construction, maintenance and operation of macadamized, graveled or paved roads and turnpikes, or in aid thereof.

TEMPORARY TRANSITION PROVISIONS.¹

(c) Notwithstanding the provisions of Subsection (b) of this Section, bonds may be issued by any county in an amount not to exceed one-fourth of the assessed valuation of the real property in the county, for the construction, maintenance, and operation of macadamized, graveled, or paved roads and turnpikes, or in aid thereof, upon a vote of a majority of the voting qualified voters of the county, and without the necessity of further or amendatory legislation. The county may levy and collect taxes to pay the interest on the bonds as it becomes due and to provide a sinking fund for redemption of the bonds.

TEMPORARY TRANSITION PROVISIONS.¹

(d) Any defined district created under this section that is authorized to issue bonds or otherwise lend its credit for the purposes stated in Subdivisions (1) and (2) of Subsection (b) of this section may engage in fire-fighting activities and may issue bonds or otherwise lend its credit for fire-fighting purposes as provided by law and this constitution.

(e) A county, city, town, or other political corporation or subdivision of the state may invest its funds as authorized by law. (Amended Nov. 8, 1904; Subsecs. (a) and (b) amended and (c) added Nov. 3, 1970; Subsec. (d) added Nov. 7, 1978; Subsec. (a) amended Nov. 4, 1986; Subsec. (e) added Nov. 7, 1989; Subsecs. (a), (b), and (c) amended Nov. 2, 1999.)

Art. 3 Sec. 52-a

Sec. 52-a. LOAN OR GRANT OF PUBLIC MONEY FOR ECONOMIC DEVELOPMENT. Notwithstanding any other provision of this constitution, the legislature may provide for the creation of programs and the making of loans and grants of public money, other than money otherwise dedicated by this constitution to use for a different purpose, for the public purposes of development and diversification of the economy of the state, the elimination of unemployment or underemployment in the state, the stimulation of agricultural innovation, the fostering of the growth of enterprises based on agriculture, or the development or expansion of transportation or commerce in the state. Any bonds or other obligations of a county, municipality, or other political subdivision of the state that are issued for the purpose of making loans or grants in connection with a program authorized by the legislature under this section and that are payable from ad valorem taxes must be approved by a vote of the majority of the registered voters of the county, municipality, or political subdivision voting on the issue. An enabling law enacted by the legislature in anticipation of the adoption of this amendment is not void because of its anticipatory character. (Added Nov. 3, 1987.)

Sec. 52-b. LOAN OF STATE'S CREDIT OR GRANT OF PUBLIC MONEY FOR TOLL ROAD PURPOSES. The Legislature shall have no power or authority to in any manner lend the credit of the State or grant any public money to, or assume any indebtedness, present or future, bonded or otherwise, of any individual, person, firm, partnership, association, corporation, public corporation, public agency, or political subdivision of the State, or anyone else, which is now or hereafter authorized to construct, maintain or operate toll roads and turnpikes within this State except that the Legislature may authorize the Texas Department of Transportation to expend, grant, or loan money, from any source available, for the acquisition, construction, maintenance, or operation of turnpikes, toll roads, and toll bridges. (Added Nov. 2, 1954; amended Nov. 5, 1991, and Nov. 6, 2001.)

Sec. 52-c. (Blank.)

Sec. 52d. COUNTY OR ROAD DISTRICT TAX FOR ROAD PURPOSES. (a) Upon the vote of a majority of the qualified voters so authorizing, a county or road district may collect an annual tax for a period not exceeding five (5) years to create a fund for constructing lasting and permanent roads and bridges or both. No contract involving the expenditure of any of such fund shall be valid unless, when it is made, money shall be on hand in such fund.

(b) At such election, the Commissioners' Court shall submit for adoption a road plan and designate the amount of special tax to be levied; the number of years said tax is to be levied; the location, description, and character of the roads and bridges; and the estimated cost thereof. The funds raised by such taxes shall not be used for purposes other than those specified in the plan submitted to the voters. Elections may be held from time to time to extend or discontinue said plan or to increase or diminish said tax. The Legislature shall enact laws prescribing the procedure hereunder.

(c) The provisions of this section shall apply only to Harris County and road districts therein. (Added Aug. 23, 1937; amended Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 52e. PAYMENT OF MEDICAL EXPENSES OF LAW ENFORCEMENT OFFICIALS. Each county in the State of Texas is hereby authorized to pay all medical expenses, all doctor bills and all hospital bills for Sheriffs, Deputy Sheriffs, Constables, Deputy Constables and other county and precinct law enforcement officials who are injured in the course of their official duties; providing that while said Sheriff, Deputy Sheriff, Constable, Deputy Constable or other county or precinct law enforcement official is hospitalized or incapacitated that the county shall continue to pay his maximum salary; providing, however, that said payment of salary shall cease on the expiration of the term of office to which such official was elected or appointed. Provided, however, that no provision contained herein shall be construed to amend, modify, repeal or nullify Article 16, Section 31, of the Constitution of the State of Texas. (Added Nov. 11, 1967.)

Sec. 52f. PRIVATE ROAD WORK BY CERTAIN COUNTIES. A county with a population of 5,000 or less, according to the most recent federal census, may construct and maintain private roads if it imposes a reasonable charge for the work. The Legislature by general law may limit this authority. Revenue received from private road work may be used only for the construction, including right-of-way acquisition, or maintenance of public roads. (Added Nov. 4, 1980.)

Sec. 52g. DALLAS COUNTY BOND ISSUES FOR ROADS AND TURNPIKES. Bonds to be issued by Dallas County under Section 52(b)(3) of Article III of this Constitution may, without the necessity of further or amendatory legislation, be issued upon a vote of a majority of the voting qualified voters of said county, and bonds heretofore or hereafter issued under Subsections (a) and (b) of said Section 52 shall not be included in determining the debt limit prescribed in said Section. (Added Nov. 5, 1968; amended Nov. 4, 1997, and Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 52h. MUNICIPALITIES TO DONATE OUTDATED OR SURPLUS FIRE FIGHTING EQUIPMENT TO UNDERDEVELOPED COUNTRIES. A municipality may donate to an underdeveloped country outdated or surplus equipment, supplies, or other materials used in fighting fires. (Added Nov. 6, 2001.)

Sec. 52i. MUNICIPALITIES TO DONATE SURPLUS FIRE FIGHTING EQUIPMENT FOR RURAL FIRE PROTECTION. (a) A municipality may donate surplus equipment, supplies, or other materials used in fighting fires to the Texas Forest Service or to a successor agency authorized to cooperate in the development of rural fire protection plans.

(b) The Texas Forest Service or the successor agency may, based on need, redistribute to rural volunteer fire departments the equipment, supplies, or materials donated under Subsection (a). (Added Sept. 13, 2003.)

Sec. 53. COUNTY OR MUNICIPAL AUTHORITIES; EXTRA COMPENSATION; UNAUTHORIZED CLAIMS. The Legislature shall have no power to grant, or to authorize any county or municipal authority to grant,

Art. 3 Sec. 54

any extra compensation, fee or allowance to a public officer, agent, servant or contractor, after service has been rendered, or a contract has been entered into, and performed in whole or in part; nor pay, nor authorize the payment of, any claim created against any county or municipality of the State, under any agreement or contract, made without authority of law.

Sec. 54. (Repealed Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 55. RELEASE OR EXTINGUISHMENT OF INDEBTEDNESS TO STATE, COUNTY, SUBDIVISION, OR MUNICIPAL CORPORATION.

The Legislature shall have no power to release or extinguish, or to authorize the releasing or extinguishing, in whole or in part, the indebtedness, liability or obligation of any corporation or individual, to this State or to any county or defined subdivision thereof, or other municipal corporation therein, except delinquent taxes which have been due for a period of at least ten years. (Amended Nov. 8, 1932.)

Sec. 56. LOCAL AND SPECIAL LAWS. (a) The Legislature shall not, except as otherwise provided in this Constitution, pass any local or special law, authorizing:

- (1) the creation, extension or impairing of liens;
- (2) regulating the affairs of counties, cities, towns, wards or school districts;
- (3) changing the names of persons or places;
- (4) changing the venue in civil or criminal cases;
- (5) authorizing the laying out, opening, altering or maintaining of roads, highways, streets or alleys;
- (6) relating to ferries or bridges, or incorporating ferry or bridge companies, except for the erection of bridges crossing streams which form boundaries between this and any other State;
- (7) vacating roads, town plats, streets or alleys;
- (8) relating to cemeteries, grave-yards or public grounds not of the State;
- (9) authorizing the adoption or legitimation of children;

- (11) incorporating cities, towns or villages, or changing their charters;

- (13) granting divorces;
- (14) creating offices, or prescribing the powers and duties of officers, in counties, cities, towns, election or school districts;
- (15) changing the law of descent or succession;
- (16) regulating the practice or jurisdiction of, or changing the rules of evidence in any judicial proceeding or inquiry before courts, justices of the peace,

sheriffs, commissioners, arbitrators or other tribunals, or providing or changing methods for the collection of debts, or the enforcing of judgments, or prescribing the effect of judicial sales of real estate;

(17) regulating the fees, or extending the powers and duties of aldermen, justices of the peace, magistrates or constables;

(18) regulating the management of public schools, the building or repairing of school houses, and the raising of money for such purposes;

(19) fixing the rate of interest;

(20) affecting the estates of minors, or persons under disability;

(21) remitting fines, penalties and forfeitures, and refunding moneys legally paid into the treasury;

(22) exempting property from taxation;

(23) regulating labor, trade, mining and manufacturing;

(24) declaring any named person of age;

(25) extending the time for the assessment or collection of taxes, or otherwise relieving any assessor or collector of taxes from the due performance of his official duties, or his securities from liability;

(26) giving effect to informal or invalid wills or deeds;

(27) summoning or empanelling grand or petit juries;

(28) for limitation of civil or criminal actions;

(29) for incorporating railroads or other works of internal improvements; or

(30) relieving or discharging any person or set of persons from the performance of any public duty or service imposed by general law.

(b) In addition to those laws described by Subsection (a) of this section in all other cases where a general law can be made applicable, no local or special law shall be enacted; provided, that nothing herein contained shall be construed to prohibit the Legislature from passing:

(1) special laws for the preservation of the game and fish of this State in certain localities; and

(2) fence laws applicable to any subdivision of this State or counties as may be needed to meet the wants of the people. (Amended Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 57. NOTICE OF INTENTION TO APPLY FOR LOCAL OR SPECIAL LAWS. No local or special law shall be passed, unless notice of the intention to apply therefor shall have been published in the locality where the matter or thing to be affected may be situated, which notice shall state the substance of the contemplated law, and shall be published at least thirty days prior to the introduction into the Legislature of such bill and in the manner to be provided by law. The evidence of such notice having been published, shall be exhibited in the Legislature, before such act shall be passed.

Art. 3 Sec. 58

Sec. 58. SEAT OF GOVERNMENT. The Legislature shall hold its sessions at the City of Austin, which is hereby declared to be the seat of government.

Sec. 59. WORKERS' COMPENSATION INSURANCE FOR STATE EMPLOYEES. The Legislature shall have power to pass such laws as may be necessary to provide for Workers' Compensation Insurance for such State employees, as in its judgment is necessary or required; and to provide for the payment of all costs, charges, and premiums on such policies of insurance; providing the State shall never be required to purchase insurance for any employee. (Added Nov. 3, 1936; amended Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 60. WORKERS' COMPENSATION INSURANCE FOR EMPLOYEES OF COUNTIES AND OTHER POLITICAL SUBDIVISIONS. The Legislature shall have the power to pass such laws as may be necessary to enable all counties, cities, towns, villages, and other political subdivisions of this State to provide Workers' Compensation Insurance, including the right of a political subdivision to provide its own insurance risk, for all employees of the political subdivision as in its judgment is necessary or required; and the Legislature shall provide suitable laws for the administration of such insurance in the counties, cities, towns, villages, or other political subdivisions of this State and for the payment of the costs, charges and premiums on such policies of insurance and the benefits to be paid thereunder. (Added Nov. 2, 1948; amended Nov. 6, 1962, and Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 61. (Repealed Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 61-a. MINIMUM SALARIES. The Legislature shall not fix the salary of the Governor, Attorney General, Comptroller of Public Accounts, Commissioner of the General Land Office or Secretary of State at a sum less than that fixed for such officials in the Constitution on January 1, 1953. (Added Nov. 2, 1954; amended Nov. 7, 1995, and Nov. 4, 1997.)

Sec. 62. CONTINUITY OF STATE AND LOCAL GOVERNMENTAL OPERATIONS; SUSPENSION OF CONSTITUTIONAL PROCEDURAL RULES. (a) The Legislature, in order to insure continuity of state and local governmental operations in periods of emergency resulting from disasters caused by enemy attack, shall have the power and the immediate duty to provide for prompt and temporary succession to the powers and duties of public offices, of whatever nature and whether filled by election or appointment, the incumbents of which may become unavailable for carrying on the powers and duties of such offices. Provided, however, that Article I of the Constitution of Texas, known as the "Bill of Rights" shall not be in any manner affected, amended, impaired, suspended, repealed or suspended hereby.

(b) When such a period of emergency or the immediate threat of enemy attack exists, the Legislature may suspend procedural rules imposed by this Constitution that relate to:

- (1) the order of business of the Legislature;
- (2) the percentage of each house of the Legislature necessary to constitute a quorum;
- (3) the requirement that a bill must be read on three days in each house before it has the force of law;
- (4) the requirement that a bill must be referred to and reported from committee before its consideration; and
- (5) the date on which laws passed by the Legislature take effect.

(c) When such a period of emergency or the immediate threat of enemy attack exists, the Governor, after consulting with the Lieutenant Governor and the Speaker of the House of Representatives, may suspend the constitutional requirement that the Legislature hold its sessions in Austin, the seat of government. When this requirement has been suspended, the Governor shall determine a place other than Austin at which the Legislature will hold its sessions during such period of emergency or immediate threat of enemy attack. The Governor shall notify the Lieutenant Governor and the Speaker of the House of Representatives of the place and time at which the Legislature will meet. The Governor may take security precautions, consistent with the state of emergency, in determining the extent to which that information may be released.

(d) To suspend the constitutional rules specified by Subsection (b) of this section, the Governor must issue a proclamation and the House of Representatives and the Senate must concur in the proclamation as provided by this section.

(e) The Governor's proclamation must declare that a period of emergency resulting from disasters caused by enemy attack exists, or that the immediate threat of enemy attack exists, and that suspension of constitutional rules relating to legislative procedure is necessary to assure continuity of state government. The proclamation must specify the period, not to exceed two years, during which the constitutional rules specified by Subsection (b) of this section are suspended.

(f) The House of Representatives and the Senate, by concurrent resolution approved by the majority of the members present, must concur in the Governor's proclamation. A resolution of the House of Representatives and the Senate concurring in the Governor's proclamation suspends the constitutional rules specified by Subsection (b) of this section for the period of time specified by the Governor's proclamation.

(g) The constitutional rules specified by Subsection (b) of this section may not be suspended for more than two years under a single proclamation. A suspension may be renewed, however, if the Governor issues another proclamation as provided by Subsection (e) of this section and the House of Representatives and the Senate, by concurrent resolution, concur in that proclamation. (Added Nov. 6, 1962; Subsec. (a) amended and (b)-(g) added Nov. 8, 1983.)

Sec. 63. (Repealed Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 64. CONSOLIDATION OF GOVERNMENTAL OFFICES AND FUNCTIONS. (a) The Legislature may by special statute provide for consolidation of governmental offices and functions of government of any one or more political subdivisions comprising or located within any county. Any such statute shall require an election to be held within the political subdivisions affected thereby with approval by a majority of the voters in each of these subdivisions, under such terms and conditions as the Legislature may require.

(b) The county government, or any political subdivision(s) comprising or located therein, may contract one with another for the performance of governmental functions required or authorized by this Constitution or the Laws of this State, under such terms and conditions as the Legislature may prescribe. No person acting under a contract made pursuant to this Subsection (b) shall be deemed to hold more than one office of honor, trust or profit or more than one civil office of emolument. The term "governmental functions," as it relates to counties, includes all duties, activities and operations of statewide importance in which the county acts for the State, as well as of local importance, whether required or authorized by this Constitution or the Laws of this State. (Added Nov. 5, 1968; Subsec. (a) amended Nov. 3, 1970.)

Sec. 65. PUBLIC BONDS; INTEREST RATE; CONFLICTING RATES REPEALED; VETERANS' LAND BOARD BONDS. (a) Wherever the Constitution authorizes an agency, instrumentality, or subdivision of the State to issue bonds and specifies the maximum rate of interest which may be paid on such bonds issued pursuant to such constitutional authority, such bonds may bear interest at rates not to exceed a weighted average annual interest rate of 12% unless otherwise provided by Subsection (b) of this section. All Constitutional provisions specifically setting rates in conflict with this provision are hereby repealed.

(b) Bonds issued by the Veterans' Land Board after the effective date of this subsection bear interest at a rate or rates determined by the board, but the rate or rates may not exceed a net effective interest rate of 10% per year unless otherwise provided by law. A statute that is in effect on the effective date of this subsection and that sets as a maximum interest rate payable on bonds issued by the Veterans' Land Board a rate different from the maximum rate provided by this subsection is ineffective unless reenacted by the legislature after that date. (Added Nov. 7, 1972; Subsec. (a) amended and (b) added Nov. 3, 1981; Subsec. (a) amended Nov. 2, 1982.)

Sec. 66. LIMITATION ON LIABILITY FOR NONECONOMIC DAMAGES. (a) In this section "economic damages" means compensatory damages for any pecuniary loss or damage. The term does not include any loss or damage, however characterized, for past, present, and future physical pain and suffering, mental anguish and suffering, loss of consortium, loss of companionship and society, disfigurement, or physical impairment.

(b) Notwithstanding any other provision of this constitution, the legislature by statute may determine the limit of liability for all damages and losses, however characterized, other than economic damages, of a provider of medical or health care with respect to treatment, lack of treatment, or other claimed departure

from an accepted standard of medical or health care or safety, however characterized, that is or is claimed to be a cause of, or that contributes or is claimed to contribute to, disease, injury, or death of a person. This subsection applies without regard to whether the claim or cause of action arises under or is derived from common law, a statute, or other law, including any claim or cause of action based or sounding in tort, contract, or any other theory or any combination of theories of liability. The claim or cause of action includes a medical or health care liability claim as defined by the legislature.

(c) Notwithstanding any other provision of this constitution, after January 1, 2005, the legislature by statute may determine the limit of liability for all damages and losses, however characterized, other than economic damages, in a claim or cause of action not covered by Subsection (b) of this section. This subsection applies without regard to whether the claim or cause of action arises under or is derived from common law, a statute, or other law, including any claim or cause of action based or sounding in tort, contract, or any other theory or any combination of theories of liability.

(d) Except as provided by Subsection (c) of this section, this section applies to a law enacted by the 78th Legislature, Regular Session, 2003, and to all subsequent regular or special sessions of the legislature.

(e) A legislative exercise of authority under Subsection (c) of this section requires a three-fifths vote of all the members elected to each house and must include language citing this section. (Added Sept. 13, 2003.)

ARTICLE 4

EXECUTIVE DEPARTMENT

Sec. 1. OFFICERS CONSTITUTING THE EXECUTIVE DEPARTMENT. The Executive Department of the State shall consist of a Governor, who shall be the Chief Executive Officer of the State, a Lieutenant Governor, Secretary of State, Comptroller of Public Accounts, Commissioner of the General Land Office, and Attorney General. (Amended Nov. 7, 1995.)

Sec. 2. ELECTION OF OFFICERS OF EXECUTIVE DEPARTMENT. All the above officers of the Executive Department (except Secretary of State) shall be elected by the qualified voters of the State at the time and places of election for members of the Legislature.

Sec. 3. RETURNS OF ELECTION; DECLARATION OF ELECTION; TIE VOTES; CONTESTS. The returns of every election for said executive officers, until otherwise provided by law, shall be made out, sealed up, and transmitted by the returning officers prescribed by law, to the seat of Government, directed to the Secretary of State, who shall deliver the same to the Speaker of the House of Representatives, as soon as the Speaker shall be chosen, and the said Speaker shall, during the first week of the session of the Legislature, open and publish them in the presence of both Houses of the Legislature. The person, voted for at said election, having the highest number of votes for each of said offices respectively, and being constitutionally eligible, shall be declared by the Speaker, under sanction of the Legislature, to be elected to said office. But, if two or more persons shall have the highest and an equal number of votes for either of said offices, one of them shall be immediately chosen to such office by joint vote of both Houses of the Legislature. Contested elections for either of said offices, shall be determined by both Houses of the Legislature in joint session.

Sec. 3a. DEATH, DISABILITY, OR FAILURE TO QUALIFY OF PERSON RECEIVING HIGHEST VOTE. If, at the time the Legislature shall canvass the election returns for the offices of Governor and Lieutenant Governor, the person receiving the highest number of votes for the office of Governor, as declared by the Speaker, has died, fails to qualify, or for any other reason is unable to assume the office of Governor, then the person having the highest number of votes for the office of Lieutenant Governor shall become Governor for the full term to which the person was elected as Governor. By becoming the Governor, the person forfeits the office of Lieutenant Governor, and the resulting vacancy in the office of Lieutenant Governor shall be filled as provided by Section 9, Article III, of this Constitution. If the person with the highest number of votes for the office of Governor, as declared by the Speaker, becomes temporarily unable to take office, then the Lieutenant Governor shall act as Governor until the person with the highest number of votes for the office of Governor becomes able to assume the office of Governor. Any succession to the Governorship not otherwise provided for in this Constitution, may be provided for by law; provided, however, that any person succeeding to the office of Governor shall be qualified as otherwise provided in this Constitution, and

shall, during the entire term to which he may succeed, be under all the restrictions and inhibitions imposed in this Constitution on the Governor. (Added Nov. 2, 1948; amended Nov. 2, 1999.)

Sec. 4. INSTALLATION OF GOVERNOR; TERM; ELIGIBILITY. The Governor elected at the general election in 1974, and thereafter, shall be installed on the first Tuesday after the organization of the Legislature, or as soon thereafter as practicable, and shall hold his office for the term of four years, or until his successor shall be duly installed. He shall be at least thirty years of age, a citizen of the United States, and shall have resided in this State at least five years immediately preceding his election. (Amended Nov. 7, 1972.)

Sec. 5. COMPENSATION OF GOVERNOR. The Governor shall, at stated times, receive as compensation for his services an annual salary in an amount to be fixed by the Legislature, and shall have the use and occupation of the Governor's Mansion, fixtures and furniture. (Amended Nov. 3, 1936, and Nov. 2, 1954.)

Sec. 6. HOLDING OTHER OFFICES; PRACTICE OF PROFESSION; OTHER SALARY, REWARD, OR COMPENSATION. During the time he holds the office of Governor, he shall not hold any other office: civil, military or corporate; nor shall he practice any profession, and receive compensation, reward, fee, or the promise thereof for the same; nor receive any salary, reward or compensation or the promise thereof from any person or corporation, for any service rendered or performed during the time he is Governor, or to be thereafter rendered or performed.

Sec. 7. COMMANDER-IN-CHIEF OF MILITARY FORCES; CALLING FORTH MILITIA. He shall be Commander-in-Chief of the military forces of the State, except when they are called into actual service of the United States. He shall have power to call forth the militia to execute the laws of the State, to suppress insurrections, and to repel invasions. (Amended Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 8. CONVENING LEGISLATURE ON EXTRAORDINARY OCCASIONS. (a) The Governor may, on extraordinary occasions, convene the Legislature at the seat of Government, or at a different place, in case that should be in possession of the public enemy or in case of the prevalence of disease threat. His proclamation therefor shall state specifically the purpose for which the Legislature is convened.

(b) The Governor shall convene the Legislature in special session to appoint presidential electors if the Governor determines that a reasonable likelihood exists that a final determination of the appointment of electors will not occur before the deadline prescribed by law to ascertain a conclusive determination of the appointment. The Legislature may not consider any subject other than the appointment of electors at that special session. (Amended Nov. 6, 2001.)

Sec. 9. GOVERNOR'S MESSAGE AND RECOMMENDATIONS; ACCOUNTING FOR PUBLIC MONEY; ESTIMATES OF MONEY REQUIRED. The Governor shall, at the commencement of each session of the Legislature, and at the close of his term of office, give to the Legislature

Art. 4 Sec. 10

information, by message, of the condition of the State; and he shall recommend to the Legislature such measures as he may deem expedient. He shall account to the Legislature for all public moneys received and paid out by him, from any funds subject to his order, with vouchers; and shall accompany his message with a statement of the same. And at the commencement of each regular session, he shall present estimates of the amount of money required to be raised by taxation for all purposes.

Sec. 10. EXECUTION OF LAWS; CONDUCT OF BUSINESS WITH OTHER STATES AND UNITED STATES. He shall cause the laws to be faithfully executed and shall conduct, in person, or in such manner as shall be prescribed by law, all intercourse and business of the State with other States and with the United States.

Sec. 11. BOARD OF PARDONS AND PAROLES; PAROLE LAWS; REPRIEVES, COMMUTATIONS, AND PARDONS; REMISSION OF FINES AND FORFEITURES. (a) The Legislature shall by law establish a Board of Pardons and Paroles and shall require it to keep record of its actions and the reasons for its actions. The Legislature shall have authority to enact parole laws and laws that require or permit courts to inform juries about the effect of good conduct time and eligibility for parole or mandatory supervision on the period of incarceration served by a defendant convicted of a criminal offense.

(b) In all criminal cases, except treason and impeachment, the Governor shall have power, after conviction, on the written signed recommendation and advice of the Board of Pardons and Paroles, or a majority thereof, to grant reprieves and commutations of punishment and pardons; and under such rules as the Legislature may prescribe, and upon the written recommendation and advice of a majority of the Board of Pardons and Paroles, he shall have the power to remit fines and forfeitures. The Governor shall have the power to grant one reprieve in any capital case for a period not to exceed thirty (30) days; and he shall have power to revoke conditional pardons. With the advice and consent of the Legislature, he may grant reprieves, commutations of punishment and pardons in cases of treason. (Amended Nov. 3, 1936, Nov. 8, 1983, and Nov. 7, 1989.)

Sec. 11A. SUSPENSION OF SENTENCE AND PROBATION. The Courts of the State of Texas having original jurisdiction of criminal actions shall have the power, after conviction, to suspend the imposition or execution of sentence and to place the defendant upon probation and to reimpose such sentence, under such conditions as the Legislature may prescribe. (Added Aug. 24, 1935.)

Sec. 11B. CRIMINAL JUSTICE AGENCIES. (a) The legislature by law may organize and combine into one or more agencies all agencies of the state that:

(1) have authority over the confinement or supervision of persons convicted of criminal offenses;

(2) set standards or distribute state funds to political subdivisions that have authority over the confinement or supervision of persons convicted of criminal offenses; or

(3) gather information about the administration of criminal justice.

(b) The legislature by law may authorize the appointment of members of more than one department of government to serve on the governing body. (Added Nov. 7, 1989.)

Sec. 12. VACANCIES IN STATE OR DISTRICT OFFICES. (a) All vacancies in State or district offices, except members of the Legislature, shall be filled unless otherwise provided by law by appointment of the Governor.

(b) An appointment of the Governor made during a session of the Senate shall be with the advice and consent of two-thirds of the Senate present.

(c) In accordance with this section, the Senate may give its advice and consent on an appointment of the Governor made during a recess of the Senate. To be confirmed, the appointment must be with the advice and consent of two-thirds of the Senate present. If an appointment of the Governor is made during the recess of the Senate, the Governor shall nominate the appointee, or some other person to fill the vacancy, to the Senate during the first ten days of its next session following the appointment. If the Senate does not confirm a person under this subsection, the Governor shall nominate in accordance with this section the recess appointee or another person to fill the vacancy during the first ten days of each subsequent session of the Senate until a confirmation occurs. If the Governor does not nominate a person to the Senate during the first ten days of a session of the Senate as required by this subsection, the Senate at that session may consider the recess appointee as if the Governor had nominated the appointee.

(d) If the Senate, at any special session, does not take final action to confirm or reject a previously unconfirmed recess appointee or another person nominated to fill the vacancy for which the appointment was made:

(1) the Governor after the session may appoint another person to fill the vacancy; and

(2) the appointee, if otherwise qualified and if not removed as provided by law, is entitled to continue in office until the earlier of the following occurs:

(A) the Senate rejects the appointee at a subsequent session; or

(B) the Governor appoints another person to fill the vacancy under Subdivision (1) of this subsection.

(e) If the Senate, at a regular session, does not take final action to confirm or reject a previously unconfirmed recess appointee or another person nominated to fill the vacancy for which the appointment was made, the appointee or other person, as appropriate, is considered to be rejected by the Senate when the Senate session ends.

(f) If an appointee is rejected, the office shall immediately become vacant, and the Governor shall, without delay, make further nominations, until a confirmation takes place. If a person has been rejected by the Senate to fill a vacancy, the Governor may not appoint the person to fill the vacancy or, during the term of the vacancy for which the person was rejected, to fill another vacancy in the same office or on the same board, commission, or other body.

Art. 4 Sec. 13

(g) Appointments to vacancies in offices elective by the people shall only continue until the next general election.

(h) The Legislature by general law may limit the term to be served by a person appointed by the Governor to fill a vacancy in a state or district office to a period that ends before the vacant term otherwise expires or, for an elective office, before the next election at which the vacancy is to be filled, if the appointment is made on or after November 1 preceding the general election for the succeeding term of the office of Governor and the Governor is not elected at that election to the succeeding term.

(i) For purposes of this section, the expiration of a term of office or the creation of a new office constitutes a vacancy. (Amended Nov. 3, 1987, and Nov. 6, 1990.)

(j) (Added Nov. 6, 1990; expired Jan. 1, 1991.)

Sec. 13. RESIDENCE OF GOVERNOR. During the session of the Legislature the Governor shall reside where its sessions are held, and at all other times at the seat of Government, except when by act of the Legislature, he may be required or authorized to reside elsewhere.

Sec. 14. APPROVAL OR DISAPPROVAL OF BILLS; RETURN AND RECONSIDERATION; FAILURE TO RETURN; DISAPPROVAL OF ITEMS OF APPROPRIATION. Every bill which shall have passed both houses of the Legislature shall be presented to the Governor for his approval. If he approve he shall sign it; but if he disapprove it, he shall return it, with his objections, to the House in which it originated, which House shall enter the objections at large upon its journal, and proceed to reconsider it. If after such reconsideration, two-thirds of the members present agree to pass the bill, it shall be sent, with the objections, to the other House, by which likewise it shall be reconsidered; and, if approved by two-thirds of the members of that House, it shall become a law; but in such cases the votes of both Houses shall be determined by yeas and nays, and the names of the members voting for and against the bill shall be entered on the journal of each House respectively. If any bill shall not be returned by the Governor with his objections within ten days (Sundays excepted) after it shall have been presented to him, the same shall be a law, in like manner as if he had signed it, unless the Legislature, by its adjournment, prevent its return, in which case it shall be a law, unless he shall file the same, with his objections, in the office of the Secretary of State and give notice thereof by public proclamation within twenty days after such adjournment. If any bill presented to the Governor contains several items of appropriation he may object to one or more of such items, and approve the other portion of the bill. In such case he shall append to the bill, at the time of signing it, a statement of the items to which he objects, and no item so objected to shall take effect. If the Legislature be in session, he shall transmit to the House in which the bill originated a copy of such statement and the items objected to shall be separately considered. If, on reconsideration, one or more of such items be approved by two-thirds of the members present of each House, the same shall be part of the law, notwithstanding the objections of the Governor. If any such bill, containing several items of appropriation, not having been

presented to the Governor ten days (Sundays excepted) prior to adjournment, be in the hands of the Governor at the time of adjournment, he shall have twenty days from such adjournment within which to file objections to any items thereof and make proclamation of the same, and such item or items shall not take effect.

Sec. 15. APPROVAL OR DISAPPROVAL OF ORDERS, RESOLUTIONS, OR VOTES. Every order, resolution or vote to which the concurrence of both Houses of the Legislature may be necessary, except on questions of adjournment, shall be presented to the Governor, and, before it shall take effect, shall be approved by him; or, being disapproved, shall be repassed by both Houses, and all the rules, provisions and limitations shall apply thereto as prescribed in the last preceding section in the case of a bill.

Sec. 16. LIEUTENANT GOVERNOR. (a) There shall also be a Lieutenant Governor, who shall be chosen at every election for Governor by the same voters, in the same manner, continue in office for the same time, and possess the same qualifications. The voters shall distinguish for whom they vote as Governor and for whom as Lieutenant Governor.

TEMPORARY TRANSITION PROVISIONS.¹

(b) The Lieutenant Governor shall by virtue of his office be President of the Senate, and shall have, when in Committee of the Whole, a right to debate and vote on all questions; and when the Senate is equally divided to give the casting vote.

(c) In the case of the temporary inability or temporary disqualification of the Governor to serve, the impeachment of the Governor, or the absence of the Governor from the State, the Lieutenant Governor shall exercise the powers and authority appertaining to the office of Governor until the Governor becomes able or qualified to resume serving, is acquitted, or returns to the State.

(d) If the Governor refuses to serve or becomes permanently unable to serve, or if the office of Governor becomes vacant, the Lieutenant Governor becomes Governor for the remainder of the term being served by the Governor who refused or became unable to serve or vacated the office. On becoming Governor, the person vacates the office of Lieutenant Governor, and the resulting vacancy in the office of Lieutenant Governor shall be filled in the manner provided by Section 9, Article III, of this Constitution. (Subsecs. (a), (b), and (c) amended and Subsec. (d) added Nov. 2, 1999.)

Sec. 17. DEATH, RESIGNATION, REFUSAL TO SERVE, REMOVAL, INABILITY TO SERVE, IMPEACHMENT, OR ABSENCE; COMPENSATION. (a) If, while exercising the powers and authority appertaining to the office of Governor under Section 16(c) of this article, the Lieutenant Governor becomes temporarily unable or disqualified to serve, is impeached, or is absent from the State, the President pro tempore of the Senate, for the time being, shall exercise the powers and authority appertaining to the office of Governor until the Governor or Lieutenant Governor reassumes those powers and duties.

(b) The Lieutenant Governor shall, while acting as President of the Senate, receive for his or her services the same compensation and mileage which shall

Art. 4 Sec. 18

be allowed to the members of the Senate, and no more unless the Texas Ethics Commission recommends and the voters approve a higher salary, in which case the salary is that amount; and during the time the Lieutenant Governor exercises the powers and authority appertaining to the office of Governor, the Lieutenant Governor shall receive in like manner the same compensation which the Governor would have received had the Governor been employed in the duties of that office, and no more. An increase in the emoluments of the office of Lieutenant Governor does not make a member of the Legislature ineligible to serve in the office of Lieutenant Governor.

(c) The President pro tempore of the Senate shall, during the time that officer exercises the powers and authority appertaining to the office of Governor, receive in like manner the same compensation which the Governor would have received had the Governor been employed in the duties of that office. (Amended Nov. 5, 1991; amended Nov. 2, 1999.)

Sec. 18. RESTRICTIONS AND INHIBITIONS. The Lieutenant Governor or President pro tempore of the Senate shall, during the time the Lieutenant Governor or President pro tempore exercises the powers and authority appertaining to the office of Governor, be under all the restrictions and inhibitions imposed in this Constitution on the Governor. (Amended Nov. 2, 1999.)

Sec. 19. SEAL OF STATE. There shall be a Seal of the State which shall be kept by the Secretary of State, and used by him officially under the direction of the Governor. The Seal of the State shall be a star of five points encircled by olive and live oak branches, and the words "The State of Texas."

Sec. 20. COMMISSIONS. All commissions shall be in the name and by the authority of the State of Texas, sealed with the State Seal, signed by the Governor and attested by the Secretary of State.

Sec. 21. SECRETARY OF STATE. There shall be a Secretary of State, who shall be appointed by the Governor, by and with the advice and consent of the Senate, and who shall continue in office during the term of service of the Governor. He shall authenticate the publication of the laws, and keep a fair register of all official acts and proceedings of the Governor, and shall, when required, lay the same and all papers, minutes and vouchers relative thereto, before the Legislature, or either House thereof, and shall perform such other duties as may be required of him by law. He shall receive for his services an annual salary in an amount to be fixed by the Legislature. (Amended Nov. 3, 1936, and Nov. 2, 1954.)

Sec. 22. ATTORNEY GENERAL. The Attorney General shall represent the State in all suits and pleas in the Supreme Court of the State in which the State may be a party, and shall especially inquire into the charter rights of all private corporations, and from time to time, in the name of the State, take such action in the courts as may be proper and necessary to prevent any private corporation from exercising any power or demanding or collecting any species of taxes, tolls, freight or wharfage not authorized by law. He shall, whenever sufficient cause exists, seek a judicial forfeiture of such charters, unless otherwise expressly directed by law, and give legal advice in writing to the Governor and

other executive officers, when requested by them, and perform such other duties as may be required by law. (Amended Nov. 3, 1936, Nov. 2, 1954, Nov. 7, 1972, and Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 23. COMPTROLLER OF PUBLIC ACCOUNTS; COMMISSIONER OF GENERAL LAND OFFICE; ELECTED STATUTORY STATE OFFICERS; TERM; SALARY; FEES, COSTS AND PERQUISITES. The Comptroller of Public Accounts, the Commissioner of the General Land Office, the Attorney General, and any statutory State officer who is elected by the electorate of Texas at large, unless a term of office is otherwise specifically provided in this Constitution, shall each hold office for the term of four years. Each shall receive an annual salary in an amount to be fixed by the Legislature; reside at the Capital of the State during his continuance in office, and perform such duties as are or may be required by law. They and the Secretary of State shall not receive to their own use any fees, costs or perquisites of office. All fees that may be payable by law for any service performed by any officer specified in this section or in his office, shall be paid, when received, into the State Treasury. (Amended Nov. 3, 1936, Nov. 2, 1954, Nov. 7, 1972, Nov. 7, 1995, and Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 24. ACCOUNTS AND REPORTS; INFORMATION TO, AND INSPECTION BY, GOVERNOR; PERJURY. An account shall be kept by the officers of the Executive Department, and by all officers and managers of State institutions, of all moneys and choses in action received and disbursed or otherwise disposed of by them, severally, from all sources, and for every service performed; and a semi-annual report thereof shall be made to the Governor under oath. The Governor may, at any time, require information in writing from any and all of said officers or managers, upon any subject relating to the duties, condition, management and expenses of their respective offices and institutions, which information shall be required by the Governor under oath, and the Governor may also inspect their books, accounts, vouchers and public funds; and any officer or manager who, at any time, shall wilfully make a false report or give false information, shall be guilty of perjury, and so adjudged, and punished accordingly, and removed from office.

Sec. 25. CUSTODIANS OF PUBLIC FUNDS; BREACHES OF TRUST AND DUTY. The Legislature shall pass efficient laws facilitating the investigation of breaches of trust and duty by all custodians of public funds and providing for their suspension from office on reasonable cause shown, and for the appointment of temporary incumbents of their offices during such suspension.

Sec. 26. NOTARIES PUBLIC. (a) The Secretary of State shall appoint a convenient number of Notaries Public for the state who shall perform such duties as now are or may be prescribed by law. The qualifications of Notaries Public shall be prescribed by law.

(b) The terms of office of Notaries Public shall be not less than two years nor more than four years as provided by law. (Amended Nov. 5, 1940; Subsec. (b) amended Nov. 6, 1979.)

ARTICLE 5

JUDICIAL DEPARTMENT

Sec. 1. JUDICIAL POWER; COURTS IN WHICH VESTED. The judicial power of this State shall be vested in one Supreme Court, in one Court of Criminal Appeals, in Courts of Appeals, in District Courts, in County Courts, in Commissioners Courts, in Courts of Justices of the Peace, and in such other courts as may be provided by law.

The Legislature may establish such other courts as it may deem necessary and prescribe the jurisdiction and organization thereof, and may conform the jurisdiction of the district and other inferior courts thereto. (Amended Aug. 11, 1891, Nov. 8, 1977, and Nov. 4, 1980.)

Sec. 1-a. RETIREMENT, CENSURE, REMOVAL, AND COMPENSATION OF JUSTICES AND JUDGES; STATE COMMISSION ON JUDICIAL CONDUCT; PROCEDURE. (1) Subject to the further provisions of this Section, the Legislature shall provide for the retirement and compensation of Justices and Judges of the Appellate Courts and District and Criminal District Courts on account of length of service, age and disability, and for their reassignment to active duty where and when needed. The office of every such Justice and Judge shall become vacant when the incumbent reaches the age of seventy-five (75) years or such earlier age, not less than seventy (70) years, as the Legislature may prescribe.

TEMPORARY TRANSITION PROVISION.⁴

(2) The State Commission on Judicial Conduct consists of eleven (11) members, to wit: (i) one (1) Justice of a Court of Appeals; (ii) one (1) District Judge; (iii) two (2) members of the State Bar, who have respectively practiced as such for over ten (10) consecutive years next preceding their selection; (iiii) four (4) citizens, at least thirty (30) years of age, not licensed to practice law nor holding any salaried public office or employment; (v) one (1) Justice of the Peace; (vi) one (1) Judge of a Municipal Court; and, (vii) one (1) Judge of a County Court at Law; provided that no person shall be or remain a member of the Commission, who does not maintain physical residence within this State, or who resides in, or holds a judgeship within or for, the same Supreme Judicial District as another member of the Commission, or who shall have ceased to retain the qualifications above specified for his respective class of membership, except that the Justice of the Peace and the Judges of a Municipal Court and or a County Court at Law shall be selected at large without regard to whether they reside or hold a judgeship in the same Supreme Judicial District as another member of the Commission. Commissioners of classes (i), (ii), and (vii) above shall be chosen by the Supreme Court with advice and consent of the Senate, those of class (iii) by the Board of Directors of the State Bar under regulations to be prescribed by the Supreme Court with advice and consent of the Senate, those of class (iiii) by appointment of the Governor with advice and consent of the Senate, and the commissioners of classes (v) and (vi) by appointment of the Supreme Court as provided by law, with the advice and consent of the Senate.

TEMPORARY TRANSITION PROVISION.⁴

(3) The regular term of office of Commissioners shall be six (6) years; but the initial members of each of classes (i), (ii) and (iii) shall respectively be chosen for terms of four (4) and six (6) years, and the initial members of class (iiii) for respective terms of two (2), four (4) and six (6) years. Interim vacancies shall be filled in the same manner as vacancies due to expiration of a full term, but only for the unexpired portion of the term in question. Commissioners may succeed themselves in office only if having served less than three (3) consecutive years.

(4) Commissioners shall receive no compensation for their services as such. The Legislature shall provide for the payment of the necessary expense for the operation of the Commission.

(5) The Commission may hold its meetings, hearings and other proceedings at such times and places as it shall determine but shall meet at Austin at least once each year. It shall annually select one of its members as Chairman. A quorum shall consist of six (6) members. Proceedings shall be by majority vote of those present, except that recommendations for retirement, censure, suspension, or removal of any person holding an office named in Paragraph A of Subsection (6) of this Section shall be by affirmative vote of at least six (6) members.

(6) A. Any Justice or Judge of the courts established by this Constitution or created by the Legislature as provided in Section 1, Article V, of this Constitution, may, subject to the other provisions hereof, be removed from office for willful or persistent violation of rules promulgated by the Supreme Court of Texas, incompetence in performing the duties of the office, willful violation of the Code of Judicial Conduct, or willful or persistent conduct that is clearly inconsistent with the proper performance of his duties or casts public discredit upon the judiciary or administration of justice. Any person holding such office may be disciplined or censured, in lieu of removal from office, as provided by this section. Any person holding an office specified in this subsection may be suspended from office with or without pay by the Commission immediately on being indicted by a State or Federal grand jury for a felony offense or charged with a misdemeanor involving official misconduct. On the filing of a sworn complaint charging a person holding such office with willful or persistent violation of rules promulgated by the Supreme Court of Texas, incompetence in performing the duties of the office, willful violation of the Code of Judicial Conduct, or willful and persistent conduct that is clearly inconsistent with the proper performance of his duties or casts public discredit on the judiciary or on the administration of justice, the Commission, after giving the person notice and an opportunity to appear and be heard before the Commission, may recommend to the Supreme Court the suspension of such person from office. The Supreme Court, after considering the record of such appearance and the recommendation of the Commission, may suspend the person from office with or without pay, pending final disposition of the charge.

B. Any person holding an office named in Paragraph A of this subsection who is eligible for retirement benefits under the laws of this state providing for judicial retirement may be involuntarily retired, and any person holding an

Art. 5 Sec. 1-a

office named in that paragraph who is not eligible for retirement benefits under such laws may be removed from office, for disability seriously interfering with the performance of his duties, which is, or is likely to become, permanent in nature.

C. The law relating to the removal, discipline, suspension, or censure of a Justice or Judge of the courts established by this Constitution or created by the Legislature as provided in this Constitution applies to a master or magistrate appointed as provided by law to serve a trial court of this State and to a retired or former Judge who continues as a judicial officer subject to an assignment to sit on a court of this State. Under the law relating to the removal of an active Justice or Judge, the Commission and the review tribunal may prohibit a retired or former Judge from holding judicial office in the future or from sitting on a court of this State by assignment.

(7) The Commission shall keep itself informed as fully as may be of circumstances relating to the misconduct or disability of particular persons holding an office named in Paragraph A of Subsection (6) of this Section, receive complaints or reports, formal or informal, from any source in this behalf and make such preliminary investigations as it may determine. Its orders for the attendance or testimony of witnesses or for the production of documents at any hearing or investigation shall be enforceable by contempt proceedings in the District Court or by a Master.

(8) After such investigation as it deems necessary, the Commission may in its discretion issue a private or public admonition, warning, reprimand, or requirement that the person obtain additional training or education, or if the Commission determines that the situation merits such action, it may institute formal proceedings and order a formal hearing to be held before it concerning the public censure, removal, or retirement of a person holding an office or position specified in Subsection (6) of this Section, or it may in its discretion request the Supreme Court to appoint an active or retired District Judge or Justice of a Court of Appeals, or retired Judge or Justice of the Court of Criminal Appeals or the Supreme Court, as a Master to hear and take evidence in any such matter, and to report thereon to the Commission. The Master shall have all the power of a District Judge in the enforcement of orders pertaining to witnesses, evidence, and procedure. If, after formal hearing, or after considering the record and report of a Master, the Commission finds good cause therefor, it shall issue an order of public censure or it shall recommend to a review tribunal the removal or retirement, as the case may be, of the person in question holding an office or position specified in Subsection (6) of this Section and shall thereupon file with the tribunal the entire record before the Commission.

(9) A tribunal to review the Commission's recommendation for the removal or retirement of a person holding an office or position specified in Subsection (6) of this Section is composed of seven (7) Justices or Judges of the Courts of Appeals who are selected by lot by the Chief Justice of the Supreme Court. Each Court of Appeals shall designate one of its members for inclusion in the list from which the selection is made. Service on the tribunal shall be considered part of the official duties of a judge, and no additional compensation may be

paid for such service. The review tribunal shall review the record of the proceedings on the law and facts and in its discretion may, for good cause shown, permit the introduction of additional evidence. Within 90 days after the date on which the record is filed with the review tribunal, it shall order public censure, retirement or removal, as it finds just and proper, or wholly reject the recommendation. A Justice, Judge, Master, or Magistrate may appeal a decision of the review tribunal to the Supreme Court under the substantial evidence rule. Upon an order for involuntary retirement for disability or an order for removal, the office in question shall become vacant. The review tribunal, in an order for involuntary retirement for disability or an order for removal, may prohibit such person from holding judicial office in the future. The rights of an incumbent so retired to retirement benefits shall be the same as if his retirement had been voluntary.

(10) All papers filed with and proceedings before the Commission or a Master shall be confidential, unless otherwise provided by law, and the filing of papers with, and the giving of testimony before the Commission or a Master shall be privileged, unless otherwise provided by law. However, the Commission may issue a public statement through its executive director or its Chairman at any time during any of its proceedings under this Section when sources other than the Commission cause notoriety concerning a Judge or the Commission itself and the Commission determines that the best interests of a Judge or of the public will be served by issuing the statement.

(11) The Supreme Court shall by rule provide for the procedure before the Commission, Masters, review tribunal, and the Supreme Court. Such rule shall provide the right of discovery of evidence to a Justice, Judge, Master, or Magistrate after formal proceedings are instituted and shall afford to any person holding an office or position specified in Subsection (6) of this Section, against whom a proceeding is instituted to cause his retirement or removal, due process of law for the procedure before the Commission, Masters, review tribunal, and the Supreme Court in the same manner that any person whose property rights are in jeopardy in an adjudicatory proceeding is entitled to due process of law, regardless of whether or not the interest of the person holding an office or position specified in Subsection (6) of this Section in remaining in active status is considered to be a right or a privilege. Due process shall include the right to notice, counsel, hearing, confrontation of his accusers, and all such other incidents of due process as are ordinarily available in proceedings whether or not misfeasance is charged, upon proof of which a penalty may be imposed.

(12) No person holding an office specified in Subsection (6) of this Section shall sit as a member of the Commission in any proceeding involving his own suspension, discipline, censure, retirement or removal.

(13) This Section 1-a is alternative to and cumulative of, the methods of removal of persons holding an office named in Paragraph A of Subsection (6) of this Section provided elsewhere in this Constitution.

(14) The Legislature may promulgate laws in furtherance of this Section that are not inconsistent with its provisions. (Added Nov. 2, 1948; Subsecs. (1)-(13) amended Nov. 2, 1965; Subsecs. (5)-(9) and (11)-(13) amended Nov. 3,

Art. 5 Sec. 2

1970; Subsecs. (2), (5)-(10), and (12) amended Nov. 8, 1977; Subsecs. (2), (6), and (8)-(12) amended and (14) added Nov. 6, 1984; Subsecs. (1) and (2) amended Nov. 6, 2001.)

Sec. 2. SUPREME COURT; JUSTICES; SECTIONS; ELIGIBILITY; ELECTION; VACANCIES. (a) The Supreme Court shall consist of the Chief Justice and eight Justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case; provided, that when the business of the court may require, the court may sit in sections as designated by the court to hear argument of causes and to consider applications for writs of error or other preliminary matters.

(b) No person shall be eligible to serve in the office of Chief Justice or Justice of the Supreme Court unless the person is licensed to practice law in this state and is, at the time of election, a citizen of the United States and of this state, and has attained the age of thirty-five years, and has been a practicing lawyer, or a lawyer and judge of a court of record together at least ten years.

(c) Said Justices shall be elected (three of them each two years) by the qualified voters of the state at a general election; shall hold their offices six years; and shall each receive such compensation as shall be provided by law. (Amended Aug. 11, 1891, Aug. 25, 1945, Nov. 4, 1980, and Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 3. JURISDICTION OF SUPREME COURT; WRITS; CLERK.

(a) The Supreme Court shall exercise the judicial power of the state except as otherwise provided in this Constitution. Its jurisdiction shall be co-extensive with the limits of the State and its determinations shall be final except in criminal law matters. Its appellate jurisdiction shall be final and shall extend to all cases except in criminal law matters and as otherwise provided in this Constitution or by law. The Supreme Court and the Justices thereof shall have power to issue writs of habeas corpus, as may be prescribed by law, and under such regulations as may be prescribed by law, the said courts and the Justices thereof may issue the writs of mandamus, procedendo, certiorari and such other writs, as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified, except as against the Governor of the State.

(b) The Supreme Court shall also have power, upon affidavit or otherwise as by the court may be determined, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. (Amended Aug. 11, 1891, Nov. 4, 1930, Nov. 4, 1980, and Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 3a. (Repealed Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 3-b. APPEAL FROM ORDER GRANTING OR DENYING INJUNCTION. The Legislature shall have the power to provide by law, for an appeal direct to the Supreme Court of this State from an order of any trial

court granting or denying an interlocutory or permanent injunction on the grounds of the constitutionality or unconstitutionality of any statute of this State, or on the validity or invalidity of any administrative order issued by any state agency under any statute of this State. (Added Nov. 5, 1940.)

Sec. 7. JUDICIAL DISTRICTS; DISTRICT JUDGES; TERMS OR SESSIONS; ABSENCE, DISABILITY, OR DISQUALIFICATION OF JUDGE. The State shall be divided into judicial districts, with each district having one or more Judges as may be provided by law or by this Constitution. Each district judge shall be elected by the qualified voters at a General Election and shall be a citizen of the United States and of this State, who is licensed to practice law in this State and has been a practicing lawyer or a Judge of a Court in this State, or both combined, for four (4) years next preceding his election, who has resided in the district in which he was elected for two (2) years next preceding his election, and who shall reside in his district during his term of office and hold his office for the period of four (4) years, and who shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms or sessions of each Court as it may deem necessary.

The Legislature shall also provide for the holding of District Court when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding. (Amended Aug. 11, 1891, Nov. 8, 1949, and Nov. 5, 1985.)

Sec. 7a. JUDICIAL DISTRICTS BOARD; REAPPORTIONMENT OF JUDICIAL DISTRICTS. (a) The Judicial Districts Board is created to reapportion the judicial districts authorized by Article V, Section 7, of this constitution.

(b) The membership of the board consists of the Chief Justice of the Texas Supreme Court who serves as chairman, the presiding judge of the Texas Court of Criminal Appeals, the presiding judge of each of the administrative judicial districts of the state, the president of the Texas Judicial Council, and one person who is licensed to practice law in this state appointed by the governor with the advice and consent of the senate for a term of four years. In the event of a vacancy in the appointed membership, the vacancy is filled for the unexpired term in the same manner as the original appointment.

(c) A majority of the total membership of the board constitutes a quorum for the transaction of business. The adoption of a reapportionment order requires a majority vote of the total membership of the board.

(d) The reapportionment powers of the board shall be exercised in the interims between regular sessions of the legislature, except that a reapportionment may not be ordered by the board during an interim immediately following a regular session of the legislature in which a valid and subsisting statewide apportionment of judicial districts is enacted by the legislature. The

Art. 5 Sec. 7a

board has other powers and duties as provided by the legislature and shall exercise its powers under the policies, rules, standards, and conditions, not inconsistent with this section, that the legislature provides.

(e) Unless the legislature enacts a statewide reapportionment of the judicial districts following each federal decennial census, the board shall convene not later than the first Monday of June of the third year following the year in which the federal decennial census is taken to make a statewide reapportionment of the districts. The board shall complete its work on the reapportionment and file its order with the secretary of state not later than August 31 of the same year. If the Judicial Districts Board fails to make a statewide apportionment by that date, the Legislative Redistricting Board established by Article III, Section 28, of this constitution shall make a statewide reapportionment of the judicial districts not later than the 150th day after the final day for the Judicial Districts Board to make the reapportionment.

(f) In addition to the statewide reapportionment, the board may reapportion the judicial districts of the state as the necessity for reapportionment appears by redesignating, in one or more reapportionment orders, the county or counties that comprise the specific judicial districts affected by those reapportionment orders. In modifying any judicial district, no county having a population as large or larger than the population of the judicial district being reapportioned shall be added to the judicial district.

(g) Except as provided by Subsection (i) of this section, this section does not limit the power of the legislature to reapportion the judicial districts of the state, to increase the number of judicial districts, or to provide for consequent matters on reapportionment. The legislature may provide for the effect of a reapportionment made by the board on pending cases or the transfer of pending cases, for jurisdiction of a county court where county court jurisdiction has been vested by law in a district court affected by the reapportionment, for terms of the courts upon existing officers and their duties, and for all other matters affected by the reapportionment. The legislature may delegate any of these powers to the board. The legislature shall provide for the necessary expenses of the board.

(h) Any judicial reapportionment order adopted by the board must be approved by a record vote of the majority of the membership of both the senate and house of representatives before such order can become effective and binding.

(i) The legislature, the Judicial Districts Board, or the Legislative Redistricting Board may not redistrict the judicial districts to provide for any judicial district smaller in size than an entire county except as provided by this section. Judicial districts smaller in size than the entire county may be created subsequent to a general election where a majority of the persons voting on the proposition adopt the proposition “to allow the division of _____ County into judicial districts composed of parts of _____ County.” No redistricting plan may be proposed or adopted by the legislature, the Judicial Districts Board, or the Legislative Redistricting Board in anticipation of a future action by the voters of any county. (Added Nov. 5, 1985.)

Sec. 8. JURISDICTION OF DISTRICT COURT. District Court jurisdiction consists of exclusive, appellate, and original jurisdiction of all actions, proceedings, and remedies, except in cases where exclusive, appellate, or original jurisdiction may be conferred by this Constitution or other law on some other court, tribunal, or administrative body. District Court judges shall have the power to issue writs necessary to enforce their jurisdiction.

The District Court shall have appellate jurisdiction and general supervisory control over the County Commissioners Court, with such exceptions and under such regulations as may be prescribed by law. (Amended Aug. 11, 1891, Nov. 6, 1973, and Nov. 5, 1985.)

Sec. 9. CLERK OF DISTRICT COURT. There shall be a Clerk for the District Court of each county, who shall be elected by the qualified voters and who shall hold his office for four years, subject to removal by information, or by indictment of a grand jury, and conviction of a petit jury. In case of vacancy, the Judge of the District Court shall have the power to appoint a Clerk, who shall hold until the office can be filled by election. (Amended Nov. 2, 1954, and Nov. 2, 1999.)

Sec. 10. TRIAL BY JURY. In the trial of all causes in the District Courts, the plaintiff or defendant shall, upon application made in open court, have the right of trial by jury; but no jury shall be empaneled in any civil case unless demanded by a party to the case, and a jury fee be paid by the party demanding a jury, for such sum, and with such exceptions as may be prescribed by the Legislature.

Sec. 11. DISQUALIFICATION OF JUDGES; EXCHANGE OF DISTRICTS; HOLDING COURT FOR OTHER JUDGES. No judge shall sit in any case wherein the judge may be interested, or where either of the parties may be connected with the judge, either by affinity or consanguinity, within such a degree as may be prescribed by law, or when the judge shall have been counsel in the case. When the Supreme Court, the Court of Criminal Appeals, the Court of Appeals, or any member of any of those courts shall be thus disqualified to hear and determine any case or cases in said court, the same shall be certified to the Governor of the State, who shall immediately commission the requisite number of persons learned in the law for the trial and determination of such cause or causes. When a judge of the District Court is disqualified by any of the causes above stated, the parties may, by consent, appoint a proper person to try said case; or upon their failing to do so, a competent person may be appointed to try the same in the county where it is pending, in such manner as may be prescribed by law.

And the District Judges may exchange districts, or hold courts for each other when they may deem it expedient, and shall do so when required by law. This disqualification of judges of inferior tribunals shall be remedied and vacancies in their offices filled as may be prescribed by law. (Amended Aug. 11, 1891, and Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 12. JUDGES TO BE CONSERVATORS OF THE PEACE; INDICTMENTS AND INFORMATION. (a) All judges of courts of this State, by virtue of their office, are conservators of the peace throughout the State.

Sec. 13. NUMBER OF GRAND AND PETIT JURORS; NUMBER CONCURRING. Grand and petit juries in the District Courts shall be composed of twelve persons, except that petit juries in a criminal case below the grade of felony shall be composed of six persons; but nine members of a grand jury shall be a quorum to transact business and present bills. In trials of civil cases in the District Courts, nine members of the jury, concurring, may render a verdict, but when the verdict shall be rendered by less than the whole number, it shall be signed by every member of the jury concurring in it. When, pending the trial of any case, one or more jurors not exceeding three, may die, or be disabled from sitting, the remainder of the jury shall have the power to render the verdict; provided, that the Legislature may change or modify the rule authorizing less than the whole number of the jury to render a verdict. (Amended Nov. 6, 2001, and Sept. 13, 2003.)

County Courts in existence on the effective date of this amendment are continued unless otherwise provided by law.

When the judge of the County Court is disqualified in any case pending in the County Court the parties interested may, by consent, appoint a proper person to try said case, or upon their failing to do so a competent person may be appointed to try the same in the county where it is pending in such manner as may be prescribed by law. (Amended Aug. 11, 1891, Nov. 7, 1978, Nov. 4, 1980, and Nov. 5, 1985.)

(a) Each county in the State with a population of 50,000 or more, according to the most recent federal census, from time to time, for the convenience of the people, shall be divided into not less than four and not more than eight precincts. Each county in the State with a population of 18,000 or more but less than 50,000, according to the most recent federal census, from time to time, for the convenience of the people, shall be divided into not less than two and not more than eight precincts. Each county in the State with a population of less than 18,000, according to the most recent federal census, from time to time, for the convenience of the people, shall be designated as a single precinct or, if the Commissioners Court determines that the county needs more than one precinct, shall be divided into not more than four precincts. Notwithstanding the population requirements of this subsection, Chambers County and Randall County, from time to time, for the convenience of the people, shall be divided into not less than two and not more than six precincts. Notwithstanding the population requirements of this subsection, any county that is divided into four or more precincts on November 2, 1999, shall continue to be divided into not less than four precincts.

(b) Each county shall, in the manner provided for justice of the peace and constable precincts, be divided into four commissioners precincts in each of which there shall be elected by the qualified voters thereof one County Commissioner, who shall hold his office for four years and until his successor shall be elected and qualified. The County Commissioners so chosen, with the County Judge as presiding officer, shall compose the County Commissioners Court, which shall exercise such powers and jurisdiction over all county business, as is conferred by this Constitution and the laws of the State, or as may be hereafter prescribed.

(c) When the boundaries of justice of the peace and constable precincts are changed, each Justice and Constable in office on the effective date of the change, or elected to a term of office beginning on or after the effective date of the change, shall serve in the precinct in which the person resides for the term to which each was elected or appointed, even though the change in boundaries places the person's residence outside the precinct for which he was elected or appointed, abolishes the precinct for which he was elected or appointed, or temporarily results in extra Justices or Constables serving in a precinct. When, as a result of a change of precinct boundaries, a vacancy occurs in the office of Justice of the Peace or Constable, the Commissioners Court shall fill the vacancy by appointment until the next general election.

(d) When the boundaries of commissioners precincts are changed, each commissioner in office on the effective date of the change, or elected to a term of office beginning on or after the effective date of the change, shall serve in the precinct to which each was elected or appointed for the entire term to which each was elected or appointed, even though the change in boundaries places the person's residence outside the precinct for which he was elected or appointed.

(a) The permanent school fund consists of all land appropriated for public schools by this constitution or the other laws of this state, other properties belonging to the permanent school fund, and all revenue derived from the land or other properties. The available school fund consists of the distributions made to it from the total return on all investment assets of the permanent school fund, the taxes authorized by this constitution or general law to be part of the available school fund, and appropriations made to the available school fund by the legislature. The total amount distributed from the permanent school fund to the available school fund:

(1) in each year of a state fiscal biennium must be an amount that is not more than six percent of the average of the market value of the permanent school fund, excluding real property belonging to the fund that is managed, sold, or acquired under Section 4 of this article, on the last day of each of the 16 state fiscal quarters preceding the regular session of the legislature that begins before that state fiscal biennium, in accordance with the rate adopted by:

(A) a vote of two-thirds of the total membership of the State Board of Education, taken before the regular session of the legislature convenes; or

(B) the legislature by general law or appropriation, if the State Board of Education does not adopt a rate as provided by Paragraph (A) of this subdivision; and

(2) over the 10-year period consisting of the current state fiscal year and the nine preceding state fiscal years may not exceed the total return on all investment assets of the permanent school fund over the same 10-year period.

(b) The expenses of managing permanent school fund land and investments shall be paid by appropriation from the permanent school fund.

(c) The available school fund shall be applied annually to the support of the public free schools. Except as provided by this section, the legislature may not enact a law appropriating any part of the permanent school fund or available school fund to any other purpose. The permanent school fund and the available school fund may not be appropriated to or used for the support of any sectarian school. The available school fund shall be distributed to the several counties according to their scholastic population and applied in the manner provided by law.

(d) The legislature by law may provide for using the permanent school fund to guarantee bonds issued by school districts or by the state for the purpose of making loans to or purchasing the bonds of school districts for the purpose of acquisition, construction, or improvement of instructional facilities including all furnishings thereto. If any payment is required to be made by the permanent school fund as a result of its guarantee of bonds issued by the state, an amount equal to this payment shall be immediately paid by the state from the treasury to the permanent school fund. An amount owed by the state to the permanent school fund under this section shall be a general obligation of the state until paid. The amount of bonds authorized hereunder shall not exceed \$750 million or a higher amount authorized by a two-thirds record vote of both houses of the legislature. If the proceeds of bonds issued by the state are used to provide a loan to a school district and the district becomes delinquent on the loan payments, the amount of the delinquent payments shall be offset against state aid to which the district is otherwise entitled.

(e) The legislature may appropriate part of the available school fund for administration of a bond guarantee program established under this section.

(f) Notwithstanding any other provision of this constitution, in managing the assets of the permanent school fund, the State Board of Education may acquire, exchange, sell, supervise, manage, or retain, through procedures and subject to restrictions it establishes and in amounts it considers appropriate, any kind of investment, including investments in the Texas growth fund created by Article XVI, Section 70, of this constitution, that persons of ordinary prudence, discretion, and intelligence, exercising the judgment and care under the circumstances then prevailing, acquire or retain for their own account in the management of their affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income as well as the probable safety of their capital.

(g) Notwithstanding Subsection (a) of this section, the total amount distributed from the permanent school fund to the available school fund for the state fiscal years beginning September 1, 2003, and September 1, 2004, must be an amount equal to 4.5 percent of the average of the market value of

Art. 7 Sec. 6

the permanent school fund, excluding real property belonging to the fund that is managed, sold, or acquired under Section 4 of this article, on the last day of each of the 16 state fiscal quarters preceding the regular session of the 78th Legislature.

(h) Subsection (g) of this section and this subsection expire December 1, 2006. (Amended Aug. 11, 1891, and Nov. 3, 1964; Subsec. (a) amended and (b) and (c) added Nov. 8, 1983; Subsec. (d) added Nov. 8, 1988; Subsec. (b) amended Nov. 7, 1989; Subsec. (a) amended, a new (b) added, a portion of (a) redesignated as (c), former (b) and (c) amended, former (b)-(d) redesignated as (d)-(f), and (g) and (h) added Sept. 13, 2003.)

Sec. 6. COUNTY SCHOOL LANDS; PROCEEDS OF SALES; INVESTMENT; AVAILABLE SCHOOL FUND. All lands heretofore, or hereafter granted to the several counties of this State for educational purposes, are of right the property of said counties respectively, to which they were granted, and title thereto is vested in said counties, and no adverse possession or limitation shall ever be available against the title of any county. Each county may sell or dispose of its lands in whole or in part, in manner to be provided by the Commissioners Court of the county. Said lands, and the proceeds thereof, when sold, shall be held by said counties alone as a trust for the benefit of public schools therein; said proceeds to be invested in bonds of the United States, the State of Texas, or counties in said State, or in such other securities, and under such restrictions as may be prescribed by law; and the counties shall be responsible for all investments; the interest thereon, and other revenue, except the principal shall be available fund. (Amended Aug. 14, 1883, and Nov. 6, 2001.)

Sec. 6b. REDUCTION OF COUNTY PERMANENT SCHOOL FUND; DISTRIBUTION. Notwithstanding the provisions of Section 6, Article VII, Constitution of the State of Texas, any county, acting through the commissioners court, may reduce the county permanent school fund of that county and may distribute the amount of the reduction to the independent and common school districts of the county on a per scholastic basis to be used solely for the purpose of reducing bonded indebtedness of those districts or for making permanent improvements. The commissioners court shall, however, retain a sufficient amount of the corpus of the county permanent school fund to pay ad valorem taxes on school lands or royalty interests owned at the time of the distribution. Nothing in this Section affects financial aid to any school district by the state. (Added Nov. 7, 1972.)

Sec. 10. ESTABLISHMENT OF UNIVERSITY; AGRICULTURAL AND MECHANICAL DEPARTMENT. The legislature shall as soon as practicable establish, organize and provide for the maintenance, support and direction of a University of the first class, to be located by a vote of the people of this State, and styled, "The University of Texas," for the promotion of literature, and the arts and sciences, including an Agricultural, and Mechanical department.

Sec. 11. PERMANENT UNIVERSITY FUND; INVESTMENT; ALTERNATE SECTIONS OF RAILROAD GRANT. In order to enable the Legislature to perform the duties set forth in the foregoing Section, it is hereby declared all lands and other property heretofore set apart and appropriated for the establishment and maintenance of the University of Texas, together with all the proceeds of sales of the same, heretofore made or hereafter to be made, and all grants, donations and appropriations that may hereafter be made by the State of Texas, or from any other source, except donations limited to specific purposes, shall constitute and become a Permanent University Fund. And the same as realized and received into the Treasury of the State (together with such sums belonging to the Fund, as may now be in the Treasury), shall be invested in bonds of the United States, the State of Texas, or counties of said State, or in School Bonds or municipalities, or in bonds of any city of this State, or in bonds issued under and by virtue of the Federal Farm Loan Act approved by

Art. 7 Sec. 11a

the President of the United States, July 17, 1916, and amendments thereto; and the interest accruing thereon shall be subject to appropriation by the Legislature to accomplish the purpose declared in the foregoing Section; provided, that the one-tenth of the alternate Section of the lands granted to railroads, reserved by the State, which were set apart and appropriated to the establishment of the University of Texas, by an Act of the Legislature of February 11, 1858, entitled, "An Act to establish the University of Texas," shall not be included in, or constitute a part of, the Permanent University Fund. (Amended Nov. 4, 1930, and Nov. 8, 1932.)

Sec. 11a. INVESTMENT OF PERMANENT UNIVERSITY FUND. In addition to the bonds enumerated in Section 11 of Article VII of the Constitution of the State of Texas, the Board of Regents of The University of Texas may invest the Permanent University Fund in securities, bonds or other obligations issued, insured, or guaranteed in any manner by the United States Government, or any of its agencies, and in such bonds, debentures, or obligations, and preferred and common stocks issued by corporations, associations, or other institutions as the Board of Regents of The University of Texas System may deem to be proper investments for said funds; provided, however, that not more than one per cent (1%) of said fund shall be invested in the securities of any one (1) corporation, nor shall more than five per cent (5%) of the voting stock of any one (1) corporation be owned: provided, further, that stocks eligible for purchase shall be restricted to stocks of companies incorporated within the United States which have paid dividends for five (5) consecutive years or longer immediately prior to the date of purchase and which, except for bank stocks and insurance stocks, are listed upon an exchange registered with the Securities and Exchange Commission or its successors.

In making each and all of such investments said Board of Regents shall exercise the judgment and care under the circumstances then prevailing which men of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital.

The interest, dividends and other income accruing from the investments of the Permanent University Fund, except the portion thereof which is appropriated by the operation of Section 18 of Article VII for the payment of principal and interest on bonds or notes issued thereunder, shall be subject to appropriation by the Legislature to accomplish the purposes declared in Section 10 of Article VII of this Constitution.

This amendment shall be self-enacting, and shall become effective upon its adoption, provided, however, that the Legislature shall provide by law for full disclosure of all details concerning the investments in corporate stocks and bonds and other investments authorized herein. (Added Nov. 6, 1956; amended Nov. 5, 1968.)

Sec. 11b. PERMANENT UNIVERSITY FUND; AUTHORIZED INVESTMENTS. Notwithstanding any other provision of this constitution, in managing the assets of the permanent university fund, the Board of Regents of

The University of Texas System may acquire, exchange, sell, supervise, manage, or retain, through procedures and subject to restrictions it establishes and in amounts it considers appropriate, any kind of investment, including investments in the Texas growth fund created by Article XVI, Section 70, of this constitution, that prudent investors, exercising reasonable care, skill, and caution, would acquire or retain in light of the purposes, terms, distribution requirements, and other circumstances of the fund then prevailing, taking into consideration the investment of all the assets of the fund rather than a single investment. (Added Nov. 8, 1988; amended Nov. 7, 1995, and Nov. 2, 1999.)

Sec. 12. SALE OF LANDS. The land herein set apart to the University fund shall be sold under such regulations, at such times, and on such terms as may be provided by law; and the Legislature shall provide for the prompt collection, at maturity, of all debts due on account of University lands, heretofore sold, or that may hereafter be sold, and shall in neither event have the power to grant relief to the purchasers.

Sec. 13. AGRICULTURAL AND MECHANICAL COLLEGE. (Amended Nov. 6, 1984.)

Sec. 15. GRANT OF ADDITIONAL LANDS TO UNIVERSITY. In addition to the lands heretofore granted to the University of Texas, there is hereby set apart, and appropriated, for the endowment maintenance, and support of said University and its branches, one million acres of the unappropriated public domain of the State, to be designated, and surveyed as may be provided by law; and said lands shall be sold under the same regulations, and the proceeds invested in the same manner, as is provided for the sale and investment of the permanent University fund; and the Legislature shall not have power to grant any relief to the purchasers of said lands.

Sec. 16. COUNTY TAXATION OF UNIVERSITY LANDS. All land mentioned in Sections 11, 12, and 15 of Article VII, of the Constitution of the State of Texas, now belonging to the University of Texas shall be subject to the taxation for county purposes to the same extent as lands privately owned; provided they shall be rendered for taxation upon values fixed by the State Tax Board; and providing that the State shall remit annually to each of the counties in which said lands are located an amount equal to the tax imposed upon said land for county purposes. (Added Nov. 4, 1930.)

Art. 7 Sec. 16-a

For the five-year period that begins on September 1, 2000, and for each five-year period that begins after that period, the legislature, during a regular session that is nearest, but preceding, a five-year period, may by two-thirds vote of the membership of each house increase the amount of the constitutional appropriation for the five-year period but may not adjust the appropriation in such a way as to impair any obligation created by the issuance of bonds or notes in accordance with this section.

 - (25) West Texas A&M University; and
 - (26) Texas State Technical College System and its campuses, but not its extension centers or programs.

(c) Pursuant to a two-thirds vote of the membership of each house of the legislature, institutions of higher education may be created at a later date by general law, and, when created, such an institution shall be entitled to participate in the funding provided by this section if it is not created as a part of The University of Texas System or The Texas A&M University System. An institution that is entitled to participate in dedicated funding provided by Article VII, Section 18, of this constitution may not be entitled to participate in the funding provided by this section.

(d) In the year 1985 and every 10 years thereafter, the legislature or an agency designated by the legislature no later than August 31 of such year shall allocate by equitable formula the annual appropriations made under Subsection (a) of this section to the governing boards of eligible agencies and institutions of higher education. The legislature shall review, or provide for a review, of the allocation formula at the end of the fifth year of each 10-year allocation period. At that time adjustments may be made in the allocation formula, but no adjustment that will prevent the payment of outstanding bonds and notes, both principal and interest, may be made.

(d-1) Notwithstanding Subsection (d) of this section, the allocation of the annual appropriation to Texas State Technical College System and its campuses may not exceed 2.2 percent of the total appropriation each fiscal year.

(e) Each governing board authorized to participate in the distribution of money under this section is authorized to expend all money distributed to it for any of the purposes enumerated in Subsection (a). In addition, such governing board may issue bonds and notes for the purposes of refunding bonds or notes issued under this section or prior law, acquiring land either with or

Art. 7 Sec. 17

without permanent improvements, constructing and equipping buildings or other permanent improvements, acquiring capital equipment, library books, and library materials, paying for acquiring, constructing, or equipping or for major repair or rehabilitation of buildings, facilities, other permanent improvements, or capital equipment used jointly for educational and general activities and for auxiliary enterprises to the extent of their use for educational and general activities, and for major repair and rehabilitation of buildings or other permanent improvements, and may pledge up to 50 percent of the money allocated to such governing board pursuant to this section to secure the payment of the principal and interest of such bonds or notes. Proceeds from the issuance of bonds or notes under this subsection shall be maintained in a local depository selected by the governing board issuing the bonds or notes. The bonds and notes issued under this subsection shall be payable solely out of the money appropriated by this section and shall mature serially or otherwise in not more than 10 years from their respective dates. All bonds issued under this section shall be sold only through competitive bidding and are subject to approval by the attorney general. Bonds approved by the attorney general shall be incontestable. The permanent university fund may be invested in the bonds and notes issued under this section.

(f) The funds appropriated by this section may not be used for the purpose of constructing, equipping, repairing, or rehabilitating buildings or other permanent improvements that are to be used only for student housing, intercollegiate athletics, or auxiliary enterprises.

(g) The comptroller of public accounts shall make annual transfers of the funds allocated pursuant to Subsection (d) directly to the governing boards of the eligible institutions.

(h) To assure efficient use of construction funds and the orderly development of physical plants to accommodate the state's real need, the legislature may provide for the approval or disapproval of all new construction projects at the eligible agencies and institutions entitled to participate in the funding provided by this section.

(i) The legislature by general law may dedicate portions of the state's revenues to the creation of a dedicated fund ("the higher education fund") for the purposes expressed in Subsection (a) of this section. The legislature shall provide for administration of the fund, which shall be invested in the manner provided for investment of the permanent university fund. The income from the investment of the higher education fund shall be credited to the higher education fund until such time as the fund totals \$2 billion. The principal of the higher education fund shall never be expended. At the beginning of the fiscal year after the fund reaches \$2 billion, as certified by the comptroller of public accounts, the dedication of general revenue funds provided for in Subsection (a) of this section shall cease. At the beginning of the fiscal year after the fund reaches \$2 billion, and each year thereafter, 10 percent of the interest, dividends, and other income accruing from the investments of the higher education fund during the previous fiscal year shall be deposited and become part of the principal of the fund, and out of the remainder of the annual income

from the investment of the principal of the fund there shall be appropriated an annual sum sufficient to pay the principal and interest due on the bonds and notes issued under this section and the balance of the income shall be allocated, distributed, and expended as provided for the appropriations made under Subsection (a).

(j) The state systems and institutions of higher education designated in this section may not receive any additional funds from the general revenue of the state for acquiring land with or without permanent improvements, for constructing or equipping buildings or other permanent improvements, or for major repair and rehabilitation of buildings or other permanent improvements except that:

(1) in the case of fire or natural disaster the legislature may appropriate from the general revenue an amount sufficient to replace the uninsured loss of any building or other permanent improvement; and

(2) the legislature, by two-thirds vote of each house, may, in cases of demonstrated need, which need must be clearly expressed in the body of the act, appropriate additional general revenue funds for acquiring land with or without permanent improvements, for constructing or equipping buildings or other permanent improvements, or for major repair and rehabilitation of buildings or other permanent improvements.

This subsection does not apply to legislative appropriations made prior to the adoption of this amendment.

(k) Without the prior approval of the legislature, appropriations under this section may not be expended for acquiring land with or without permanent improvements, or for constructing and equipping buildings or other permanent improvements, for a branch campus or educational center that is not a separate degree-granting institution created by general law.

(l) This section is self-enacting upon the issuance of the governor's proclamation declaring the adoption of the amendment, and the state comptroller of public accounts shall do all things necessary to effectuate this section. This section does not impair any obligation created by the issuance of any bonds and notes in accordance with prior law, and all outstanding bonds and notes shall be paid in full, both principal and interest, in accordance with their terms. If the provisions of this section conflict with any other provisions of this constitution, then the provisions of this section shall prevail, notwithstanding all such conflicting provisions. (Added Nov. 6, 1984; Subsecs. (a), (b), (e), (f), and (g) amended and (d-1) added Nov. 2, 1993; Subsec. (l) amended Nov. 7, 1995.)

Sec. 18. TEXAS A&M UNIVERSITY SYSTEM; UNIVERSITY OF TEXAS SYSTEM; BONDS OR NOTES PAYABLE FROM INCOME OF AVAILABLE UNIVERSITY FUND. (a) The Board of Regents of The Texas A&M University System may issue bonds and notes not to exceed a total amount of 10 percent of the cost value of the investments and other assets of the permanent university fund (exclusive of real estate) at the time of the issuance thereof, and may pledge all or any part of its one-third interest in the available

Art. 7 Sec. 18

university fund to secure the payment of the principal and interest of those bonds and notes, for the purpose of acquiring land either with or without permanent improvements, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of buildings and other permanent improvements, acquiring capital equipment and library books and library materials, and refunding bonds or notes issued under this Section or prior law, at or for The Texas A&M University System administration and the following component institutions of the system:

- (1) Texas A&M University, including its medical college which the legislature may authorize as a separate medical institution;
- (2) Prairie View A&M University, including its nursing school in Houston;
- (3) Tarleton State University;
- (4) Texas A&M University at Galveston;
- (5) Texas Forest Service;
- (6) Texas Agricultural Experiment Stations;
- (7) Texas Agricultural Extension Service;
- (8) Texas Engineering Experiment Stations;
- (9) Texas Transportation Institute; and
- (10) Texas Engineering Extension Service.

(b) The Board of Regents of The University of Texas System may issue bonds and notes not to exceed a total amount of 20 percent of the cost value of investments and other assets of the permanent university fund (exclusive of real estate) at the time of issuance thereof, and may pledge all or any part of its two-thirds interest in the available university fund to secure the payment of the principal and interest of those bonds and notes, for the purpose of acquiring land either with or without permanent improvements, constructing and equipping buildings or other permanent improvements, major repair and rehabilitation of buildings and other permanent improvements, acquiring capital equipment and library books and library materials, and refunding bonds or notes issued under this section or prior law, at or for The University of Texas System administration and the following component institutions of the system:

- (1) The University of Texas at Arlington;
- (2) The University of Texas at Austin;
- (3) The University of Texas at Dallas;
- (4) The University of Texas at El Paso;
- (5) The University of Texas of the Permian Basin;
- (6) The University of Texas at San Antonio;
- (7) The University of Texas at Tyler;
- (8) The University of Texas Health Science Center at Dallas;
- (9) The University of Texas Medical Branch at Galveston;

- (10) The University of Texas Health Science Center at Houston;
- (11) The University of Texas Health Science Center at San Antonio;
- (12) The University of Texas System Cancer Center;
- (13) The University of Texas Health Center at Tyler; and
- (14) The University of Texas Institute of Texan Cultures at San Antonio.

(c) Pursuant to a two-thirds vote of the membership of each house of the legislature, institutions of higher education may be created at a later date as a part of The University of Texas System or The Texas A&M University System by general law, and, when created, such an institution shall be entitled to participate in the funding provided by this section for the system in which it is created. An institution that is entitled to participate in dedicated funding provided by Article VII, Section 17, of this constitution may not be entitled to participate in the funding provided by this section.

(d) The proceeds of the bonds or notes issued under Subsection (a) or (b) of this section may not be used for the purpose of constructing, equipping, repairing, or rehabilitating buildings or other permanent improvements that are to be used for student housing, intercollegiate athletics, or auxiliary enterprises.

(e) The available university fund consists of the distributions made to it from the total return on all investment assets of the permanent university fund, including the net income attributable to the surface of permanent university fund land. The amount of any distributions to the available university fund shall be determined by the board of regents of The University of Texas System in a manner intended to provide the available university fund with a stable and predictable stream of annual distributions and to maintain over time the purchasing power of permanent university fund investments and annual distributions to the available university fund. The amount distributed to the available university fund in a fiscal year must be not less than the amount needed to pay the principal and interest due and owing in that fiscal year on bonds and notes issued under this section. If the purchasing power of permanent university fund investments for any rolling 10-year period is not preserved, the board may not increase annual distributions to the available university fund until the purchasing power of the permanent university fund investments is restored, except as necessary to pay the principal and interest due and owing on bonds and notes issued under this section. An annual distribution made by the board to the available university fund during any fiscal year may not exceed an amount equal to seven percent of the average net fair market value of permanent university fund investment assets as determined by the board, except as necessary to pay any principal and interest due and owing on bonds issued under this section. The expenses of managing permanent university fund land and investments shall be paid by the permanent university fund.

(f) Out of one-third of the annual distribution from the permanent university fund to the available university fund, there shall be appropriated an annual sum sufficient to pay the principal and interest due on the bonds and notes issued by the Board of Regents of The Texas A&M University System under this section and prior law, and the remainder of that one-third of the annual distribution to

Art. 7 Sec. 18

the available university fund shall be appropriated to the Board of Regents of The Texas A&M University System which shall have the authority and duty in turn to appropriate an equitable portion of the same for the support and maintenance of The Texas A&M University System administration, Texas A&M University, and Prairie View A&M University. The Board of Regents of The Texas A&M University System, in making just and equitable appropriations to Texas A&M University and Prairie View A&M University, shall exercise its discretion with due regard to such criteria as the board may deem appropriate from year to year. Out of the other two-thirds of the annual distribution from the permanent university fund to the available university fund there shall be appropriated an annual sum sufficient to pay the principal and interest due on the bonds and notes issued by the Board of Regents of The University of Texas System under this section and prior law, and the remainder of such two-thirds of the annual distribution to the available university fund, shall be appropriated for the support and maintenance of The University of Texas at Austin and The University of Texas System administration.

(f) (Expired Nov. 6, 1994.)

(g) The bonds and notes issued under this section shall be payable solely out of the available university fund, mature serially or otherwise in not more than 30 years from their respective dates, and, except for refunding bonds, be sold only through competitive bidding. All of these bonds and notes are subject to approval by the attorney general and when so approved are incontestable. The permanent university fund may be invested in these bonds and notes.

(h) To assure efficient use of construction funds and the orderly development of physical plants to accommodate the state's real need, the legislature may provide for the approval or disapproval of all new construction projects at the eligible agencies and institutions entitled to participate in the funding provided by this section except The University of Texas at Austin, Texas A&M University in College Station, and Prairie View A&M University.

(i) The state systems and institutions of higher education designated in this section may not receive any funds from the general revenue of the state for acquiring land with or without permanent improvements, for constructing or equipping buildings or other permanent improvements, or for major repair and rehabilitation of buildings or other permanent improvements except that:

(1) in the case of fire or natural disaster the legislature may appropriate from the general revenue an amount sufficient to replace the uninsured loss of any building or other permanent improvement; and

(2) the legislature, by two-thirds vote of each house, may, in cases of demonstrated need, which need must be clearly expressed in the body of the act, appropriate general revenue funds for acquiring land with or without permanent improvements, for constructing or equipping buildings or other permanent improvements, or for major repair and rehabilitation of buildings or other permanent improvements.

This subsection does not apply to legislative appropriations made prior to the adoption of this amendment.

(j) This section is self-enacting on the issuance of the governor's proclamation declaring the adoption of this amendment, and the state comptroller of public accounts shall do all things necessary to effectuate this section. This section does not impair any obligation created by the issuance of bonds or notes in accordance with prior law, and all outstanding bonds and notes shall be paid in full, both principal and interest, in accordance with their terms, and the changes herein made in the allocation of the available university fund shall not affect the pledges thereof made in connection with such bonds or notes heretofore issued. If the provisions of this section conflict with any other provision of this constitution, then the provisions of this section shall prevail, notwithstanding any such conflicting provisions. (Added Aug. 23, 1947; amended Nov. 6, 1956, Nov. 8, 1966, and Nov. 6, 1984; Subsec. (j) amended Nov. 7, 1995; Subsec. (e) amended and Subsec. (f) added Nov. 2, 1999.)

TEMPORARY PROVISION.²

Sec. 19. TEXAS TOMORROW FUND. (a) The Texas tomorrow fund is created as a trust fund dedicated to the prepayment of tuition and fees for higher education as provided by the general laws of this state for the prepaid higher education tuition program. The assets of the fund are held in trust for the benefit of participants and beneficiaries and may not be diverted. The state shall hold the assets of the fund for the exclusive purposes of providing benefits to participants and beneficiaries and defraying reasonable expenses of administering the program.

(b) Financing of benefits must be based on sound actuarial principles. The amount contributed by a person participating in the prepaid higher education program shall be as provided by the general laws of this state, but may not be less than the amount anticipated for tuition and required fees based on sound actuarial principles. If in any fiscal year there is not enough money in the Texas tomorrow fund to pay the tuition and required fees of an institution of higher education in which a beneficiary enrolls or the appropriate portion of the tuition and required fees of a private or independent institution of higher education in which a beneficiary enrolls as provided by a prepaid tuition contract, there is appropriated out of the first money coming into the state treasury in each fiscal year not otherwise appropriated by the constitution the amount that is sufficient to pay the applicable amount of tuition and required fees of the institution.

(c) Assets of the fund may be invested by an entity designated by general law in securities considered prudent investments. Investments shall be made in the exercise of judgment and care under the circumstances that a person of ordinary prudence, discretion, and intelligence exercises in the management of the person's affairs, not for speculation, but for the permanent disposition of funds, considering the probable income from the disposition as well as the probable safety of capital.

(d) The state comptroller of public accounts shall take the actions necessary to implement this section.

(e) To the extent this section conflicts with any other provision of this constitution, this section controls. (Added Nov. 4, 1997.)

ARTICLE 8

TAXATION AND REVENUE

Sec. 1. EQUALITY AND UNIFORMITY; TAX IN PROPORTION TO VALUE; INCOME TAX; EXEMPTION OF CERTAIN TANGIBLE PERSONAL PROPERTY FROM AD VALOREM TAXATION.

(a) Taxation shall be equal and uniform.

(b) All real property and tangible personal property in this State, unless exempt as required or permitted by this Constitution, whether owned by natural persons or corporations, other than municipal, shall be taxed in proportion to its value, which shall be ascertained as may be provided by law.

(c) The Legislature may provide for the taxation of intangible property and may also impose occupation taxes, both upon natural persons and upon corporations, other than municipal, doing any business in this State. Subject to the restrictions of Section 24 of this article, it may also tax incomes of both natural persons and corporations other than municipal. Persons engaged in mechanical and agricultural pursuits shall never be required to pay an occupation tax.

(d) The Legislature by general law shall exempt from ad valorem taxation household goods not held or used for the production of income and personal effects not held or used for the production of income. The Legislature by general law may exempt from ad valorem taxation:

(1) all or part of the personal property homestead of a family or single adult, "personal property homestead" meaning that personal property exempt by law from forced sale for debt;

(2) subject to Subsections (e) and (g) of this section, all other tangible personal property, except structures which are substantially affixed to real estate and are used or occupied as residential dwellings and except property held or used for the production of income; and

(3) subject to Subsection (e) of this section, a leased motor vehicle that is not held primarily for the production of income by the lessee and that otherwise qualifies under general law for exemption.

(e) The governing body of a political subdivision may provide for the taxation of all property exempt under a law adopted under Subdivision (2) or (3) of Subsection (d) of this section and not exempt from ad valorem taxation by any other law. The Legislature by general law may provide limitations to the application of this subsection to the taxation of vehicles exempted under the authority of Subdivision (3) of Subsection (d) of this section.

(f) The occupation tax levied by any county, city or town for any year on persons or corporations pursuing any profession or business, shall not exceed one half of the tax levied by the State for the same period on such profession or business.

(g) The Legislature may exempt from ad valorem taxation tangible personal property that is held or used for the production of income and has a taxable value of less than the minimum amount sufficient to recover the costs of the administration of the taxes on the property, as determined by or under the general law granting the exemption.

(h) The Legislature may exempt from ad valorem taxation a mineral interest that has a taxable value of less than the minimum amount sufficient to recover the costs of the administration of the taxes on the interest, as determined by or under the general law granting the exemption.

(i) Notwithstanding Subsections (a) and (b) of this section, the Legislature by general law may limit the maximum average annual percentage increase in the appraised value of residence homesteads for ad valorem tax purposes to 10 percent, or a greater percentage, for each year since the most recent tax appraisal. A limitation on appraisal increases authorized by this subsection:

(1) takes effect as to a residence homestead on the later of the effective date of the law imposing the limitation or January 1 of the tax year following the first tax year the owner qualifies the property for an exemption under Section 1-b of this article; and

(2) Expires on January 1 of the first tax year that neither the owner of the property when the limitation took effect nor the owner's spouse or surviving spouse qualifies for an exemption under Section 1-b of this article.

(i-1) Temporary Provision. (a) This temporary provision applies to the constitutional amendment proposed by the 78th Legislature, Regular Session, 2003, authorizing the legislature to exempt from ad valorem taxation a travel trailer not held or used for the production of income and expires January 1, 2005.

(b) The amendment to Section 1(d), Article VIII of this constitution, takes effect January 1, 2004, and applies only to a tax year that begins on or after January 1, 2002. The repeal of Section 1(j), Article VIII of this constitution, takes effect January 1, 2004.

(j) (Repealed Sept. 13, 2003.)

(j-1) (Added Nov. 6, 2001; expires Jan. 1, 2004.) (Amended Nov. 7, 1978, and Nov. 3, 1987; Subsecs. (b) and (f) amended Nov. 7, 1989; Subsec. (e) amended Aug. 10, 1991; Subsec. (c) amended Nov. 2, 1993; Subsec. (d) amended and (g) and (h) added Nov. 7, 1995; Subsec. (i) added Nov. 4, 1997; Subsecs. (d) and (e) amended Nov. 2, 1999; Subsec. (d) amended and (j) and (j-1) added Nov. 6, 2001; Subsec. (d) amended, (i-1) added, and (j) repealed Sept. 13, 2003.)

Sec. 1-a. NO STATE AD VALOREM TAX LEVY; COUNTY LEVY FOR ROADS AND FLOOD CONTROL; TAX DONATIONS. The several counties of the State are authorized to levy ad valorem taxes upon all property within their respective boundaries for county purposes, except the first Three Thousand Dollars (\$3,000) value of residential homesteads of married or unmarried adults, including those living alone, not to exceed thirty cents (30¢) on each One Hundred Dollars (\$100) valuation, in addition to all other ad valorem taxes authorized by the Constitution of this State, provided the revenue derived therefrom shall be used for construction and maintenance of Farm to Market Roads or for Flood Control, except as herein otherwise provided. (Added Nov. 8, 1932; amended Aug. 26, 1933, Nov. 2, 1948, Nov. 6, 1973, Nov. 2, 1999, and Nov. 6, 2001.)

TEMPORARY TRANSITION PROVISIONS.¹

Art. 8 Sec. 1-b

TEMPORARY TRANSITION PROVISION.⁴

Sec. 1-b. RESIDENCE HOMESTEAD EXEMPTION. (a) Three Thousand Dollars (\$3,000) of the assessed taxable value of all residence homesteads of married or unmarried adults, male or female, including those living alone, shall be exempt from all taxation for all State purposes.

(b) The governing body of any county, city, town, school district, or other political subdivision of the State may exempt by its own action not less than Three Thousand Dollars (\$3,000) of the market value of residence homesteads of persons, married or unmarried, including those living alone, who are under a disability for purposes of payment of disability insurance benefits under Federal Old-Age, Survivors, and Disability Insurance or its successor or of married or unmarried persons sixty-five (65) years of age or older, including those living alone, from all ad valorem taxes thereafter levied by the political subdivision. As an alternative, upon receipt of a petition signed by twenty percent (20%) of the voters who voted in the last preceding election held by the political subdivision, the governing body of the subdivision shall call an election to determine by majority vote whether an amount not less than Three Thousand Dollars (\$3,000) as provided in the petition, of the market value of residence homesteads of disabled persons or of persons sixty-five (65) years of age or over shall be exempt from ad valorem taxes thereafter levied by the political subdivision. An eligible disabled person who is sixty-five (65) years of age or older may not receive both exemptions from the same political subdivision in the same year but may choose either if the subdivision has adopted both. Where any ad valorem tax has theretofore been pledged for the payment of any debt, the taxing officers of the political subdivision shall have authority to continue to levy and collect the tax against the homestead property at the same rate as the tax so pledged until the debt is discharged, if the cessation of the levy would impair the obligation of the contract by which the debt was created.

TEMPORARY TRANSITION PROVISIONS.¹

(c) Fifteen Thousand Dollars (\$15,000) of the market value of the residence homestead of a married or unmarried adult, including one living alone, is exempt from ad valorem taxation for general elementary and secondary public school purposes. The legislature by general law may provide that all or part of the exemption does not apply to a district or political subdivision that imposes ad valorem taxes for public education purposes but is not the principal school district providing general elementary and secondary public education throughout its territory. In addition to this exemption, the legislature by general law may exempt an amount not to exceed Ten Thousand Dollars (\$10,000) of the market value of the residence homestead of a person who is disabled as defined in Subsection (b) of this section and of a person sixty-five (65) years of age or older from ad valorem taxation for general elementary and secondary public school purposes. The legislature by general law may base the amount of and condition eligibility for the additional exemption authorized by this subsection for disabled persons and for persons sixty-five (65) years of age or older on economic need. An eligible disabled person who is sixty-five (65) years of age or older may not receive both exemptions from a school district but may choose either. An eligible person is entitled to receive both the exemption

required by this subsection for all residence homesteads and any exemption adopted pursuant to Subsection (b) of this section, but the legislature shall provide by general law whether an eligible disabled or elderly person may receive both the additional exemption for the elderly and disabled authorized by this subsection and any exemption for the elderly or disabled adopted pursuant to Subsection (b) of this section. Where ad valorem tax has previously been pledged for the payment of debt, the taxing officers of a school district may continue to levy and collect the tax against the value of homesteads exempted under this subsection until the debt is discharged if the cessation of the levy would impair the obligation of the contract by which the debt was created. The legislature shall provide for formulas to protect school districts against all or part of the revenue loss incurred by the implementation of Article VIII, Sections 1-b(c), 1-b(d), and 1-d-1, of this constitution. The legislature by general law may define residence homestead for purposes of this section.

(d) Except as otherwise provided by this subsection, if a person receives a residence homestead exemption prescribed by Subsection (c) of this section for homesteads of persons who are sixty-five (65) years of age or older or who are disabled, the total amount of ad valorem taxes imposed on that homestead for general elementary and secondary public school purposes may not be increased while it remains the residence homestead of that person or that person's spouse who receives the exemption. If a person sixty-five (65) years of age or older dies in a year in which the person received the exemption, the total amount of ad valorem taxes imposed on the homestead for general elementary and secondary public school purposes may not be increased while it remains the residence homestead of that person's surviving spouse if the spouse is fifty-five (55) years of age or older at the time of the person's death, subject to any exceptions provided by general law. The legislature, by general law, may provide for the transfer of all or a proportionate amount of a limitation provided by this subsection for a person who qualifies for the limitation and establishes a different residence homestead. However, taxes otherwise limited by this subsection may be increased to the extent the value of the homestead is increased by improvements other than repairs or improvements made to comply with governmental requirements and except as may be consistent with the transfer of a limitation under this subsection. For a residence homestead subject to the limitation provided by this subsection in the 1996 tax year or an earlier tax year, the legislature shall provide for a reduction in the amount of the limitation for the 1997 tax year and subsequent tax years in an amount equal to \$10,000 multiplied by the 1997 tax rate for general elementary and secondary public school purposes applicable to the residence homestead.

(e) The governing body of a political subdivision, other than a county education district, may exempt from ad valorem taxation a percentage of the market value of the residence homestead of a married or unmarried adult, including one living alone. In the manner provided by law, the voters of a county education district at an election held for that purpose may exempt from ad valorem taxation a percentage of the market value of the residence homestead of a married or unmarried adult, including one living alone. The percentage may not exceed twenty percent. However, the amount of an exemption

Art. 8 Sec. 1-b

authorized pursuant to this subsection may not be less than Five Thousand Dollars (\$5,000) unless the legislature by general law prescribes other monetary restrictions on the amount of the exemption. An eligible adult is entitled to receive other applicable exemptions provided by law. Where ad valorem tax has previously been pledged for the payment of debt, the governing body of a political subdivision may continue to levy and collect the tax against the value of the homesteads exempted under this subsection until the debt is discharged if the cessation of the levy would impair the obligation of the contract by which the debt was created. The legislature by general law may prescribe procedures for the administration of residence homestead exemptions.

(e-1) (Added Nov. 3, 1981; expired Jan. 2, 1982.)

(f) The surviving spouse of a person who received an exemption under Subsection (b) of this section for the residence homestead of a person sixty-five (65) years of age or older is entitled to an exemption for the same property from the same political subdivision in an amount equal to that of the exemption received by the deceased spouse if the deceased spouse died in a year in which the deceased spouse received the exemption, the surviving spouse was fifty-five (55) years of age or older when the deceased spouse died, and the property was the residence homestead of the surviving spouse when the deceased spouse died and remains the residence homestead of the surviving spouse. A person who receives an exemption under Subsection (b) of this section is not entitled to an exemption under this subsection. The legislature by general law may prescribe procedures for the administration of this subsection.

(g) If the legislature provides for the transfer of all or a proportionate amount of a tax limitation provided by Subsection (d) of this section for a person who qualifies for the limitation and subsequently establishes a different residence homestead, the legislature by general law may authorize the governing body of a school district to elect to apply the law providing for the transfer of the tax limitation to a change of a person's residence homestead that occurred before that law took effect, subject to any restrictions provided by general law. The transfer of the limitation may apply only to taxes imposed in a tax year that begins after the tax year in which the election is made.

(h) The governing body of a county, a city or town, or a junior college district by official action may provide that if a person who is disabled or is sixty-five (65) years of age or older receives a residence homestead exemption prescribed or authorized by this section, the total amount of ad valorem taxes imposed on that homestead by the county, the city or town, or the junior college district may not be increased while it remains the residence homestead of that person or that person's spouse who is disabled or sixty-five (65) years of age or older and receives a residence homestead exemption on the homestead. As an alternative, on receipt of a petition signed by five percent (5%) of the registered voters of the county, the city or town, or the junior college district, the governing body of the county, the city or town, or the junior college district shall call an election to determine by majority vote whether to establish a tax limitation provided by this subsection. If a county, a city or town, or a junior college district establishes a tax limitation provided by this subsection and a

disabled person or a person sixty-five (65) years of age or older dies in a year in which the person received a residence homestead exemption, the total amount of ad valorem taxes imposed on the homestead by the county, the city or town, or the junior college district may not be increased while it remains the residence homestead of that person's surviving spouse if the spouse is fifty-five (55) years of age or older at the time of the person's death, subject to any exceptions provided by general law. The legislature, by general law, may provide for the transfer of all or a proportionate amount of a tax limitation provided by this subsection for a person who qualifies for the limitation and establishes a different residence homestead within the same county, within the same city or town, or within the same junior college district. A county, a city or town, or a junior college district that establishes a tax limitation under this subsection must comply with a law providing for the transfer of the limitation, even if the legislature enacts the law subsequent to the county's, the city's or town's, or the junior college district's establishment of the limitation. Taxes otherwise limited by a county, a city or town, or a junior college district under this subsection may be increased to the extent the value of the homestead is increased by improvements other than repairs and other than improvements made to comply with governmental requirements and except as may be consistent with the transfer of a tax limitation under a law authorized by this subsection. The governing body of a county, a city or town, or a junior college district may not repeal or rescind a tax limitation established under this subsection. (Added Nov. 2, 1948; Subsec. TEMPORARY TRANSITION PROVISIONS.¹

Sec. 1-d. ASSESSMENT OF LANDS DESIGNATED FOR AGRICULTURAL USE. (a) All land owned by natural persons which is designated for agricultural use in accordance with the provisions of this Section shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use. "Agricultural use" means the raising of livestock or growing of crops, fruit, flowers, and other products of the soil under natural conditions as a business venture for profit, which business is the primary occupation and source of income of the owner.

(b) For each assessment year the owner wishes to qualify his land under provisions of this Section as designated for agricultural use he shall file with the local tax assessor a sworn statement in writing describing the use to which the land is devoted.

Art. 8 Sec. 1-d-1

(c) Upon receipt of the sworn statement in writing the local tax assessor shall determine whether or not such land qualifies for the designation as to agricultural use as defined herein and in the event it so qualifies he shall designate such land as being for agricultural use and assess the land accordingly.

(d) Such local tax assessor may inspect the land and require such evidence of use and source of income as may be necessary or useful in determining whether or not the agricultural use provision of this article applies.

If designated land is subsequently diverted to a purpose other than that of agricultural use, or is sold, the land shall be subject to an additional tax. The additional tax shall equal the difference between taxes paid or payable, hereunder, and the amount of tax payable for the preceding three years had the land been otherwise assessed. Until paid there shall be a lien for additional taxes and interest on land assessed under the provisions of this Section.

(g) The valuation and assessment of any minerals or subsurface rights to minerals shall not come within the provisions of this Section. (Added Nov. 8, 1966.)

The legislature by general law may provide eligibility limitations under this section and may impose sanctions in furtherance of the taxation policy of this section.

(b) If a property owner qualifies his land for designation for agricultural use under Section 1-d of this article, the land is subject to the provisions of Section 1-d for the year in which the designation is effective and is not subject to a law enacted under this Section 1-d-1 in that year. Sec. 19a. IMPLEMENTS OF HUSBANDRY; EXEMPTION. Implements of husbandry that are used in the production of farm or ranch products are exempt from ad valorem taxation. (Added Nov. 2, 1982.)

Sec. 20. FAIR CASH MARKET VALUE NOT TO BE EXCEEDED; DISCOUNTS FOR ADVANCE PAYMENT. No property of any kind in this State shall ever be assessed for ad valorem taxes at a greater value than its fair cash market value nor shall any Board of Equalization of any governmental or political subdivision or taxing district within this State fix the value of any property for tax purposes at more than its fair cash market value; provided that in order to encourage the prompt payment of taxes, the Legislature shall have the power to provide that the taxpayer shall be allowed by the State and all governmental and political subdivisions and taxing districts of the State a three per cent (3%) discount on ad valorem taxes due the State or due any governmental or political subdivision or taxing district of the State if such taxes are paid ninety (90) days before the date when they would otherwise become delinquent; and the taxpayer shall be allowed a two per cent (2%) discount on said taxes if paid sixty (60) days before said taxes would become delinquent; and the taxpayer shall be allowed a one per cent (1%) discount if said taxes are paid thirty (30) days before they would otherwise become delinquent. The Legislature shall pass necessary laws for the proper administration of this Section. (Added Aug. 23, 1937; amended Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 21. INCREASE IN TOTAL PROPERTY TAXES; NOTICE AND HEARING; CALCULATION. (a) Subject to any exceptions prescribed by general law, the total amount of property taxes imposed by a political subdivision in any year may not exceed the total amount of property taxes imposed by that subdivision in the preceding year unless the governing body of the subdivision gives notice of its intent to consider an increase in taxes and holds a public hearing on the proposed increase before it increases those total taxes. The legislature shall prescribe by law the form, content, timing, and methods of giving the notice and the rules for the conduct of the hearing.

(b) In calculating the total amount of taxes imposed in the current year for the purposes of Subsection (a) of this section, the taxes on property in territory added to the political subdivision since the preceding year and on new improvements that were not taxable in the preceding year are excluded. In calculating the total amount of taxes imposed in the preceding year for the purposes of Subsection (a) of this section, the taxes imposed on real property that is not taxable by the subdivision in the current year are excluded.

(c) The legislature by general law shall require that, subject to reasonable exceptions, a property owner be given notice of a revaluation of his property and a reasonable estimate of the amount of taxes that would be imposed on

his property if the total amount of property taxes for the subdivision were not increased according to any law enacted pursuant to Subsection (a) of this section. The notice must be given before the procedures required in Subsection (a) are instituted. (Added Nov. 7, 1978; Subsec. (c) amended Nov. 3, 1981.)

Sec. 22. RESTRICTION ON APPROPRIATIONS. (a) In no biennium shall the rate of growth of appropriations from state tax revenues not dedicated by this constitution exceed the estimated rate of growth of the state's economy. The legislature shall provide by general law procedures to implement this subsection.

(b) If the legislature by adoption of a resolution approved by a record vote of a majority of the members of each house finds that an emergency exists and identifies the nature of the emergency, the legislature may provide for appropriations in excess of the amount authorized by Subsection (a) of this section. The excess authorized under this subsection may not exceed the amount specified in the resolution.

(c) In no case shall appropriations exceed revenues as provided in Article III, Section 49a, of this constitution. Nothing in this section shall be construed to alter, amend, or repeal Article III, Section 49a, of this constitution. (Added Nov. 7, 1978.)

Sec. 23. APPRAISAL OF PROPERTY; ENFORCEMENT OF STANDARDS. (a) There shall be no statewide appraisal of real property for ad valorem tax purposes; however, this shall not preclude formula distribution of tax revenues to political subdivisions of the state.

(b) Administrative and judicial enforcement of uniform standards and procedures for appraisal of property for ad valorem tax purposes, as prescribed by general law, shall originate in the county where the tax is imposed, except that the legislature may provide by general law for political subdivisions with boundaries extending outside the county. (Added Nov. 7, 1978.)

Sec. 24. PERSONAL INCOME TAX; DEDICATION OF PROCEEDS. (a) A general law enacted by the legislature that imposes a tax on the net incomes of natural persons, including a person's share of partnership and unincorporated association income, must provide that the portion of the law imposing the tax not take effect until approved by a majority of the registered voters voting in a statewide referendum held on the question of imposing the tax. The referendum must specify the rate of the tax that will apply to taxable income as defined by law.

(b) A general law enacted by the legislature that increases the rate of the tax, or changes the tax, in a manner that results in an increase in the combined income tax liability of all persons subject to the tax may not take effect until approved by a majority of the registered voters voting in a statewide referendum held on the question of increasing the income tax. A determination of whether a bill proposing a change in the tax would increase the combined income tax liability of all persons subject to the tax must be made by comparing the provisions of the proposed change in law with the provisions of the law for the most recent year in which actual tax collections have been made. A

Art. 8 Sec. 24

referendum held under this subsection must specify the manner in which the proposed law would increase the combined income tax liability of all persons subject to the tax.

(c) Except as provided by Subsection (b) of this section, the legislature may amend or repeal a tax approved by the voters under this section without submitting the amendment or the repeal to the voters as provided by Subsection (a) of this section.

(d) If the legislature repeals a tax approved by the voters under this section, the legislature may reenact the tax without submitting the reenactment to the voters as provided by Subsection (a) of this section only if the effective date of the reenactment of the tax is before the first anniversary of the effective date of the repeal.

(e) The legislature may provide for the taxation of income in a manner which is consistent with federal law.

(f) In the first year in which a tax described by Subsection (a) is imposed and during the first year of any increase in the tax that is subject to Subsection (b) of this section, not less than two-thirds of all net revenues remaining after payment of all refunds allowed by law and expenses of collection from the tax shall be used to reduce the rate of ad valorem maintenance and operation taxes levied for the support of primary and secondary public education. In subsequent years, not less than two-thirds of all net revenues from the tax shall be used to continue such ad valorem tax relief.

(g) The net revenues remaining after the dedication of money from the tax under Subsection (f) of this section shall be used for support of education, subject to legislative appropriation, allocation, and direction.

(h) The maximum rate at which a school district may impose ad valorem maintenance and operation taxes is reduced by an amount equal to one cent per \$100 valuation for each one cent per \$100 valuation that the school district's ad valorem maintenance and operation tax is reduced by the minimum amount of money dedicated under Subsection (f) of this section, provided that a school district may subsequently increase the maximum ad valorem maintenance and operation tax rate if the increased maximum rate is approved by a majority of the voters of the school district voting at an election called and held for that purpose. The legislature by general law shall provide for the tax relief that is required by Subsection (f) and this subsection.

(i) Subsections (f) and (h) of this section apply to ad valorem maintenance and operation taxes levied by a school district on or after the first January 1 after the date on which a tax on the net incomes of natural persons, including a person's share of partnership and unincorporated association income, begins to apply to that income, except that if the income tax begins to apply on a January 1, Subsections (f) and (h) of this section apply to ad valorem maintenance and operation taxes levied on or after that date.

(j) A provision of this section prevails over a conflicting provision of Article VII, Section 3, of this Constitution to the extent of the conflict. (Added Nov. 2, 1993.)

ARTICLE 9

COUNTIES

Sec. 1. CREATION OF COUNTIES. The Legislature shall have power to create counties for the convenience of the people subject to the following provisions:

(1) Within the territory of any county or counties, no new county shall be created with a less area than seven hundred square miles, nor shall any such county now existing be reduced to a less area than seven hundred square miles. No new counties shall be created so as to approach nearer than twelve miles of the county seat of any county from which it may in whole or in part be taken. Counties of a less area than nine hundred, but of seven hundred or more square miles, within counties now existing, may be created by a two-thirds vote of each House of the Legislature, taken by yeas and nays and entered on the journals. Any county now existing may be reduced to an area of not less than seven hundred square miles by a like two-thirds vote. When any part of a county is stricken off and attached to, or created into another county, the part stricken off shall be holden for and obliged to pay its proportion of all the liabilities then existing, of the county from which it was taken, in such manner as may be prescribed by law.

(2) No part of any existing county shall be detached from it and attached to another existing county until the proposition for such change shall have been submitted, in such manner as may be provided by law, to a vote of the voters of both counties, and shall have received a majority of those voting on the question in each. (Amended Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 1-A. COUNTIES BORDERING ON GULF OF MEXICO OR TIDEWATER LIMITS THEREOF; REGULATION OF MOTOR VEHICLES ON BEACHES. The Legislature may authorize the governing body of any county bordering on the Gulf of Mexico or the tidewater limits thereof to regulate and restrict the speed, parking and travel of motor vehicles on beaches available to the public by virtue of public right and the littering of such beaches.

Nothing in this amendment shall increase the rights of any riparian or littoral landowner with regard to beaches available to the public by virtue of public right or submerged lands.

The Legislature may enact any laws not inconsistent with this Section which it may deem necessary to permit said counties to implement, enforce and administer the provisions contained herein.

Should the Legislature enact legislation in anticipation of the adoption of this amendment, such legislation shall not be invalid by reason of its anticipatory character. (Added Nov. 6, 1962.)

COUNTY SEATS

Sec. 2. REMOVAL OF COUNTY SEATS. The Legislature shall pass laws regulating the manner of removing county seats, but no county seat situated within five miles of the geographical centre of the county shall be removed, except by a vote of two-thirds of all the voters voting on the subject. A majority

Art. 9 Sec. 3

of such voters, however, voting at such election, may remove a county seat from a point more than five miles from the geographical centre of the county to a point within five miles of such centre, in either case the centre to be determined by a certificate from the Commissioner of the General Land Office. (Amended Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

HOME RULE CHARTERS

Sec. 3. (Repealed Aug. 5, 1969.)

HOSPITAL DISTRICTS

Sec. 4. COUNTY-WIDE HOSPITAL DISTRICTS. The Legislature may by law authorize the creation of county-wide Hospital Districts in counties having a population in excess of 190,000 and in Galveston County, with power to issue bonds for the purchase, acquisition, construction, maintenance and operation of any county owned hospital, or where the hospital system is jointly operated by a county and city within the county, and to provide for the transfer to the county-wide Hospital District of the title to any land, buildings or equipment, jointly or separately owned, and for the assumption by the district of any outstanding bonded indebtedness theretofore issued by any county or city for the establishment of hospitals or hospital facilities; to levy a tax not to exceed seventy-five (\$.75) cents on the One Hundred (\$100.00) Dollars valuation of all taxable property within such district, provided, however, that such district shall be approved at an election held for that purpose, and that only qualified voters in such county shall vote therein; provided further, that such Hospital District shall assume full responsibility for providing medical and hospital care to needy inhabitants of the county, and thereafter such county and cities therein shall not levy any other tax for hospital purposes; and provided further that should such Hospital District construct, maintain and support a hospital or hospital system, that the same shall never become a charge against the State of Texas, nor shall any direct appropriation ever be made by the Legislature for the construction, maintenance or improvement of the said hospital or hospitals. (Added Nov. 2, 1954; amended Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 5. CITY OF AMARILLO; WICHITA COUNTY; JEFFERSON COUNTY; CREATION AND FUNDING OF HOSPITAL DISTRICTS.

(a) The Legislature may by law authorize the creation of two hospital districts, one to be coextensive with and have the same boundaries as the incorporated City of Amarillo, as such boundaries now exist or as they may hereafter be lawfully extended, and the other to be coextensive with Wichita County.

If such district or districts are created, they may be authorized to levy a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified voters. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed

the maximum limit of Seventy-five Cents (75¢) per One Hundred Dollars (\$100.00) valuation, and no election shall be required by subsequent changes in the boundaries of the City of Amarillo.

If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said Seventy-five Cents (75¢) tax. The Legislature shall provide for transfer of title to properties to the district.

TEMPORARY TRANSITION PROVISIONS.¹

(b) The Legislature may by law permit the County of Potter (in which the City of Amarillo is partially located) to render financial aid to that district by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the district (whether assumed or created by the district) and may authorize the levy of a tax not to exceed Ten Cents (10¢) per One Hundred Dollars (\$100.00) valuation (in addition to other taxes permitted by this Constitution) upon all property within the county but without the City of Amarillo at the time such levy is made for such purposes. If such tax is authorized, the district shall by resolution assume the responsibilities, obligations, and liabilities of the county in the manner and to the extent hereinabove provided for political subdivisions having boundaries coextensive with the district, and the county shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the county.

(c) The Legislature may by law authorize the creation of a hospital district within Jefferson County, the boundaries of which shall include only the area comprising the Jefferson County Drainage District No. 7 and the Port Arthur Independent School District, as such boundaries existed on the first day of January, 1957, with the power to issue bonds for the sole purpose of purchasing a site for, and the construction and initial equipping of, a hospital system, and with the power to levy a tax of not to exceed Seventy-five Cents (75¢) on the One Hundred Dollars (\$100.00) valuation of property therein for the purpose of paying the principal and interest on such bonds.

The bonds may not be issued or such tax be levied until approved by such voters.

The district shall not have the power to levy any tax for maintenance or operation of the hospital or facilities, but shall contract with other political subdivisions of the state or private individuals, associations, or corporations for such purposes.

Art. 9 Sec. 6

If the district hereinabove authorized is finally created, no other hospital district may be created embracing any part of the territory within its boundaries, but the Legislature by law may authorize the creation of a hospital district incorporating therein the remainder of Jefferson County, having the powers and duties and with the limitations presently provided by Article IX, Section 4, of the Constitution of Texas. A majority of those participating in the election voting in favor of the district shall be necessary for bonds to be issued.

TEMPORARY TRANSITION PROVISIONS.¹

(d) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character.

(e) The legislature by law may authorize Randall County to render financial assistance to the Amarillo Hospital District by paying part of the district's operating and maintenance expenses and the debts assumed or created by the district and to levy a tax for that purpose in an amount not to exceed seventy-five cents (75¢) on the One Hundred Dollars (\$100.00) valuation on all property in Randall County that is not within the boundaries of the City of Amarillo or the South Randall County Hospital District. This tax is in addition to any other tax authorized by this constitution. If the tax is authorized by the legislature and approved by the voters of the area to be taxed, the Amarillo Hospital District shall, by resolution, assume the responsibilities, obligations, and liabilities of Randall County in accordance with Subsection (a) of this section and, except as provided by this subsection, Randall County may not levy taxes or issue bonds for hospital purposes or for providing hospital care for needy inhabitants of the county.

TEMPORARY TRANSITION PROVISIONS.¹

(f) Notwithstanding the provisions of Article IX of this constitution, if a hospital district was created or authorized under a constitutional provision that includes a description of the district's boundaries or jurisdiction, the legislature by law may authorize the district to change its boundaries or jurisdiction. The change must be approved by a majority of the qualified voters of the district voting at an election called and held for that purpose. (Added Nov. 4, 1958; Subsecs. (e) and (f) added Nov. 3, 1987; Subsecs. (a), (c), and (e) amended Nov. 2, 1999.)

Sec. 6. (Repealed Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 7. HIDALGO COUNTY HOSPITAL DISTRICT; CREATION; TAX RATE. The Legislature may by law authorize the creation of a Hospital District co-extensive with Hidalgo County, having the powers and duties and with the limitations presently provided in Article IX, Section 5(a), of the Constitution of Texas, as it applies to Hidalgo County, except that the maximum rate of tax that the said Hidalgo County Hospital District may be authorized to levy shall be ten cents (10¢) per One Hundred Dollars (\$100) valuation of taxable property within the District subject to district taxation. (Added Nov. 8, 1960.)

Sec. 8. COUNTY COMMISSIONERS PRECINCT NO. 4 OF COMANCHE COUNTY; HOSPITAL DISTRICT; CREATION; TAX RATE. (a) The Legislature may by law authorize the creation of a Hospital District to be co-extensive with the limits of County Commissioners Precinct No. 4 of Comanche County, Texas.

If such District is created, it may be authorized to levy a tax not to exceed seventy-five cents (75¢) on the One Hundred Dollar (\$100) valuation of taxable property within the District; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified voters. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of seventy-five cents (75¢) per One Hundred Dollar (\$100) valuation, and no election shall be required by subsequent changes in the boundaries of the Commissioners Precinct No. 4 of Comanche County.

If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the District may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the District shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge such obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the District to issue tax bonds for the purpose of the purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said seventy-five cent (75¢) tax. The Legislature shall provide for transfer of title to properties to the District.

TEMPORARY TRANSITION PROVISIONS.¹

(b) The Legislature may by law permit the County of Comanche to render financial aid to that District by paying a part of the expenses of operating and maintaining the system and paying a part of the debts of the District (whether assumed or created by the District) and may authorize the levy of a tax not to exceed ten cents (10¢) per One Hundred Dollar (\$100) valuation (in addition to other taxes permitted by this Constitution) upon all property within the County but without the County Commissioners Precinct No. 4 of Comanche County at the time such levy is made for such purposes. If such tax is authorized, the District shall by resolution assume the responsibilities, obligations, and liabilities of the County in the manner and to the extent hereinabove provided for political subdivisions having boundaries co-extensive with the District, and the County shall not thereafter levy taxes (other than herein provided) for hospital purposes nor for providing hospital care for needy individuals of the County.

(c) Should the Legislature enact enabling laws in anticipation of the adoption of this amendment, such Acts shall not be invalid because of their anticipatory character. (Added Nov. 8, 1960; Subsec. (a) amended Nov. 2, 1999.)

Sec. 9. HOSPITAL DISTRICTS; CREATION, OPERATION, POWERS, DUTIES AND DISSOLUTION. The Legislature may by general or special law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county, providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties is less than all the territory thereof is included within the district boundaries; providing that after its creation no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (\$.75) on the One Hundred Dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified voters thereof voting at an election called for the purpose; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district.

Provided, however, that no district shall be created by special law except after thirty (30) days' public notice to the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the qualified voters in the district concerned.

The Legislature may also provide for the dissolution of hospital districts provided that a process is afforded by statute for:

(1) determining the desire of a majority of the qualified voters within the district to dissolve it;

(2) disposing of or transferring the assets, if any, of the district; and

(3) satisfying the debts and bond obligations, if any, of the district, in such manner as to protect the interests of the citizens within the district, including their collective property rights in the assets and property of the district, provided, however, that any grant from federal funds, however dispensed, shall be considered an obligation to be repaid in satisfaction and provided that no election to dissolve shall be held more often than once each year. In such connection, the statute shall provide against disposal or transfer of the assets of the district

except for due compensation unless such assets are transferred to another governmental agency, such as a county, embracing such district and using such transferred assets in such a way as to benefit citizens formerly within the district. (Added Nov. 6, 1962; amended Nov. 8, 1966, and Nov. 7, 1989.)

Sec. 9A. HOSPITAL DISTRICTS; REGULATION OF HEALTH CARE SERVICES. The legislature by law may determine the health care services a hospital district is required to provide, the requirements a resident must meet to qualify for services, and any other relevant provisions necessary to regulate the provision of health care to residents. (Added Nov. 5, 1985.)

Sec. 9B. HOSPITAL DISTRICTS IN COUNTIES WITH POPULATION OF 75,000 OR LESS. The legislature by general or special law may provide for the creation, establishment, maintenance, and operation of hospital districts located wholly in a county with a population of 75,000 or less, according to the most recent federal decennial census, and may authorize the commissioners court to levy a tax on the ad valorem property located in the district for the support and maintenance of the district. A district may not be created or a tax levied unless the creation and tax are approved by a majority of the registered voters who reside in the district. The legislature shall set the maximum tax rate a district may levy. The legislature may provide that the county in which the district is located may issue general obligation bonds for the district and provide other services to the district. The district may provide hospital care, medical care, and other services authorized by the legislature. (Added Nov. 7, 1989.)

Sec. 10. (Blank.)

Sec. 11. HOSPITAL DISTRICTS; OCHILTREE, CASTRO, HANSFORD, AND HOPKINS COUNTIES; CREATION; TAXES. (a) The Legislature may by law authorize the creation of hospital districts in Ochiltree, Castro, Hansford and Hopkins Counties, each district to be coextensive with the limits of such county.

(b) If any such district is created, it may be authorized to levy a tax not to exceed Seventy-five Cents (75¢) on the One Hundred Dollar (\$100) valuation of taxable property within the district; provided, however, no tax may be levied until approved by a majority vote of the participating resident qualified voters. The maximum rate of tax may be changed at subsequent elections so long as obligations are not impaired, and not to exceed the maximum limit of Seventy-five Cents (75¢) per One Hundred Dollar (\$100) valuation.

(c) If such tax is authorized, no political subdivision or municipality within or having the same boundaries as the district may levy a tax for medical or hospital care for needy individuals, nor shall they maintain or erect hospital facilities, but the district shall by resolution assume all such responsibilities and shall assume all of the liabilities and obligations (including bonds and warrants) of such subdivisions or municipalities or both. The maximum tax rate submitted shall be sufficient to discharge obligations, liabilities, and responsibilities, and to maintain and operate the hospital system, and the Legislature may authorize the district to issue tax bonds for the purpose of the

Art. 9 Sec. 12

purchase, construction, acquisition, repair or renovation of improvements and initially equipping the same, and such bonds shall be payable from said Seventy-five Cent (75¢) tax. The Legislature shall provide for transfer of title to properties to the district. (Added Nov. 6, 1962; amended Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISIONS.¹

Sec. 12. AIRPORT AUTHORITIES. (a) The Legislature may by law provide for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties, with power to issue general obligation bonds, revenue bonds, either or both of them, for the purchase, acquisition by the exercise of the power of eminent domain or otherwise, construction, reconstruction, repair or renovation of any airport or airports, landing fields and runways, airport buildings, hangars, facilities, equipment, fixtures, and any and all property, real or personal, necessary to operate, equip and maintain an airport.

(b) The Legislature shall provide for the option by the governing body of the city or cities whose airport facilities are served by certificated airlines and whose facility or some interest therein, is proposed to be or has been acquired by the Authority, to either appoint or elect a Board of Directors of said Authority. If the Directors are appointed such appointment shall be made by the County Commissioners Court after consultation with and consent of the governing body or bodies of such city or cities. If the Board of Directors is elected they shall be elected by the qualified voters of the county which chooses to elect the Directors to represent that county. Directors shall serve without compensation for a term fixed by the Legislature not to exceed six (6) years, shall be selected on the basis of the proportionate population of each county based upon the last preceding Federal Census, and shall be residents of such county. No county shall have less than one (1) member on the Board of Directors.

(c) The Legislature shall provide for the holding of an election in each county proposing the creation of an Authority to be called by the Commissioners Court or Commissioners Courts, as the case may be, upon petition of five per cent (5%) of the qualified voters within the county or counties. The elections must be held on the same day if more than one county is included. No more than one (1) such election may be called in a county until after the expiration of one (1) year in the event such an election has failed, and thereafter only upon a petition of ten per cent (10%) of the qualified voters being presented to the Commissioners Court or Commissioners Courts of the county or counties in which such an election has failed. In the event that two or more counties vote on the proposition of the creation of an Authority therein, the proposition shall not be deemed to carry unless the majority of the qualified voters in each county voting thereon vote in favor thereof. An Airport Authority may be created and be composed of the county or counties that vote in favor of its creation if separate propositions are submitted to the voters of each county so that they may vote for a two or more county Authority or a single county Authority.

(d) The Legislature shall provide for the appointment by the Board of Directors of an Assessor and Collector of Taxes in the Authority, whether constituted of one or more counties, whose duty it shall be to assess all taxable

property, both real and personal, and collect the taxes thereon, based upon the tax rolls approved by the Board of Directors, the tax to be levied not to exceed Seventy-Five Cents (\$.75) per One Hundred Dollars (\$100) assessed valuation of the property. The property of state regulated common carriers required by law to pay a tax upon intangible assets shall not be subject to taxation by the Authority. The taxable property shall be assessed on a valuation not to exceed the market value and shall be equal and uniform throughout the Authority as is otherwise provided by the Constitution.

(e) The Legislature shall authorize the purchase or acquisition by the Authority of any existing airport facility publicly owned and financed and served by certificated airlines, in fee or of any interest therein, or to enter into any lease agreement therefor, upon such terms and conditions as may be mutually agreeable to the Authority and the owner of such facilities, or authorize the acquisition of same through the exercise of the power of eminent domain. In the event of such acquisition, if there are any general obligation bonds that the owner of the publicly owned airport facility has outstanding, the same shall be fully assumed by the Authority and sufficient taxes levied by the Authority to discharge said outstanding indebtedness. If any city or owner has outstanding revenue bonds where the revenues of the airport have been pledged or said bonds constitute a lien against the airport facilities, the Authority shall assume and discharge all the obligations of the city under the ordinances and bond indentures under which said revenue bonds have been issued and sold.

(f) Any city which owns airport facilities not serving certificated airlines which are not purchased or acquired or taken over as herein provided by such Authority shall have the power to operate the same under the existing laws or as the same may hereafter be amended.

(g) Any such Authority when created may be granted the power and authority to promulgate, adopt and enforce appropriate zoning regulations to protect the airport from hazards and obstructions which would interfere with the use of the airport and its facilities for landing and take-off.

(h) An additional county or counties may be added to an existing Authority if a petition of five per cent (5%) of the qualified voters is filed with and an election is called by the Commissioners Court of the county or counties seeking admission to an Authority. If the vote is favorable, then admission may be granted to such county or counties by the Board of Directors of the then existing Authority upon such terms and conditions as they may agree upon and evidenced by a resolution approved by two-thirds (2/3rds) of the then existing Board of Directors. The county or counties that may be so added to the then existing Authority shall be given representation on the Board of Directors by adding additional directors in proportion to their population according to the last preceding Federal Census. (Added Nov. 8, 1966; amended Nov. 2, 1999.)

Such machines may perform all banking functions. Banks which are domiciled within a city lying in two or more counties may be permitted to establish and operate unmanned teller machines within both the city and the county of their domicile. The Legislature shall provide that a bank shall have the right to share in the use of these teller machines, not situated at a banking house, which are located within the county or the city of the bank's domicile, on a reasonable, nondiscriminatory basis, consistent with anti-trust laws. The Legislature may permit a bank domiciled within a city located in two or more counties to establish and operate branches within both the city and the county of its domicile, subject to limitations the Legislature imposes.

(f) A bank may not be considered a branch or facility of another bank solely because it is owned or controlled by the same stockholders as the other bank, has common accounting and administrative systems with the other bank, or has a name similar to the other bank's or because of a combination of those factors. (Amended Nov. 8, 1904, and Aug. 23, 1937; Subsecs. (a) and (b) amended Nov. 4, 1980; Subsec. (c) added Nov. 6, 1984; Subsecs. (a) and (c) amended and (d)-(f) added Nov. 4, 1986.)

“THIS NOTICE IS ONLY A SUMMARY OF YOUR RIGHTS UNDER THE TEXAS CONSTITUTION. YOUR RIGHTS ARE GOVERNED BY SECTION 50, ARTICLE XVI, OF THE TEXAS CONSTITUTION, AND NOT BY THIS NOTICE.”

If the discussions with the borrower are conducted primarily in a language other than English, the lender shall, before closing, provide an additional copy of the notice translated into the written language in which the discussions were conducted.

(h) A lender or assignee for value may conclusively rely on the written acknowledgment as to the fair market value of the homestead property made in accordance with Subsection (a)(6)(Q)(ix) of this section if:

(1) the value acknowledged to is the value estimate in an appraisal or evaluation prepared in accordance with a state or federal requirement applicable to an extension of credit under Subsection (a)(6); and

(2) the lender or assignee does not have actual knowledge at the time of the payment of value or advance of funds by the lender or assignee that the fair market value stated in the written acknowledgment was incorrect.

(i) This subsection shall not affect or impair any right of the borrower to recover damages from the lender or assignee under applicable law for wrongful foreclosure. A purchaser for value without actual knowledge may conclusively presume that a lien securing an extension of credit described by Subsection (a)(6) of this section was a valid lien securing the extension of credit with homestead property if:

(1) the security instruments securing the extension of credit contain a disclosure that the extension of credit secured by the lien was the type of credit defined by Section 50(a)(6), Article XVI, Texas Constitution;

(2) the purchaser acquires the title to the property pursuant to or after the foreclosure of the voluntary lien; and

(3) the purchaser is not the lender or assignee under the extension of credit.

(j) Subsection (a)(6) and Subsections (e)-(i) of this section are not severable, and none of those provisions would have been enacted without the others. If any of those provisions are held to be preempted by the laws of the United States, all of those provisions are invalid. This subsection shall not apply to any lien or extension of credit made after January 1, 1998, and before the date any provision under Subsection (a)(6) or Subsections (e)-(i) is held to be preempted.

(k) "Reverse mortgage" means an extension of credit:

(1) that is secured by a voluntary lien on homestead property created by a written agreement with the consent of each owner and each owner's spouse;

(2) that is made to a person who is or whose spouse is 62 years or older;

(3) that is made without recourse for personal liability against each owner and the spouse of each owner;

(4) under which advances are provided to a borrower based on the equity in a borrower's homestead;

(5) that does not permit the lender to reduce the amount or number of advances because of an adjustment in the interest rate if periodic advances are to be made;

(6) that requires no payment of principal or interest until:

(A) all borrowers have died;

(B) the homestead property securing the loan is sold or otherwise transferred;

(C) all borrowers cease occupying the homestead property for a period of longer than 12 consecutive months without prior written approval from the lender; or

(D) the borrower:

(i) defaults on an obligation specified in the loan documents to repair and maintain, pay taxes and assessments on, or insure the homestead property;

(ii) commits actual fraud in connection with the loan; or

(iii) fails to maintain the priority of the lender's lien on the homestead property, after the lender gives notice to the borrower, by promptly discharging any lien that has priority or may obtain priority over the lender's lien within 10 days after the date the borrower receives the notice, unless the borrower:

(a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to the lender;

Art. 16 Sec. 50

(b) contests in good faith the lien by, or defends against enforcement of the lien in, legal proceedings so as to prevent the enforcement of the lien or forfeiture of any part of the homestead property; or

(c) secures from the holder of the lien an agreement satisfactory to the lender subordinating the lien to all amounts secured by the lender's lien on the homestead property;

(7) that provides that if the lender fails to make loan advances as required in the loan documents and if the lender fails to cure the default as required in the loan documents after notice from the borrower, the lender forfeits all principal and interest of the reverse mortgage, provided, however, that this subdivision does not apply when a governmental agency or instrumentality takes an assignment of the loan in order to cure the default;

(8) that is not made unless the owner of the homestead attests in writing that the owner received counseling regarding the advisability and availability of reverse mortgages and other financial alternatives;

(9) that requires the lender, at the time the loan is made, to disclose to the borrower by written notice the specific provisions contained in Subdivision (6) of this subsection under which the borrower is required to repay the loan;

(10) that does not permit the lender to commence foreclosure until the lender gives notice to the borrower, in the manner provided for a notice by mail related to the foreclosure of liens under Subsection (a)(6) of this section, that a ground for foreclosure exists and gives the borrower at least 30 days, or at least 20 days in the event of a default under Subdivision (6)(D)(iii) of this subsection, to:

(A) remedy the condition creating the ground for foreclosure;

(B) pay the debt secured by the homestead property from proceeds of the sale of the homestead property by the borrower or from any other sources; or

(C) convey the homestead property to the lender by a deed in lieu of foreclosure; and

(11) that is secured by a lien that may be foreclosed upon only by a court order, if the foreclosure is for a ground other than a ground stated by Subdivision (6)(A) or (B) of this subsection.

(l) Advances made under a reverse mortgage and interest on those advances have priority over a lien filed for record in the real property records in the county where the homestead property is located after the reverse mortgage is filed for record in the real property records of that county.

(m) A reverse mortgage may provide for an interest rate that is fixed or adjustable and may also provide for interest that is contingent on appreciation in the fair market value of the homestead property. Although payment of principal or interest shall not be required under a reverse mortgage until the entire loan becomes due and payable, interest may accrue and be compounded during the term of the loan as provided by the reverse mortgage loan agreement.

(n) A reverse mortgage that is secured by a valid lien against homestead property may be made or acquired without regard to the following provisions of any other law of this state:

(1) a limitation on the purpose and use of future advances or other mortgage proceeds;

(2) a limitation on future advances to a term of years or a limitation on the term of open-end account advances;

(3) a limitation on the term during which future advances take priority over intervening advances;

(4) a requirement that a maximum loan amount be stated in the reverse mortgage loan documents;

(5) a prohibition on balloon payments;

(6) a prohibition on compound interest and interest on interest;

(7) a prohibition on contracting for, charging, or receiving any rate of interest authorized by any law of this state authorizing a lender to contract for a rate of interest; and

(8) a requirement that a percentage of the reverse mortgage proceeds be advanced before the assignment of the reverse mortgage.

(o) For the purposes of determining eligibility under any statute relating to payments, allowances, benefits, or services provided on a means-tested basis by this state, including supplemental security income, low-income energy assistance, property tax relief, medical assistance, and general assistance:

(1) reverse mortgage loan advances made to a borrower are considered proceeds from a loan and not income; and

(2) undisbursed funds under a reverse mortgage loan are considered equity in a borrower's home and not proceeds from a loan.

(p) The advances made on a reverse mortgage loan under which more than one advance is made must be made according to the terms established by the loan documents by one or more of the following methods:

(1) at regular intervals;

(2) at regular intervals in which the amounts advanced may be reduced, for one or more advances, at the request of the borrower; or

(3) at any time by the lender, on behalf of the borrower, if the borrower fails to timely pay any of the following that the borrower is obligated to pay under the loan documents to the extent necessary to protect the lender's interest in or the value of the homestead property:

(A) taxes;

(B) insurance;

(C) costs of repairs or maintenance performed by a person or company that is not an employee of the lender or a person or company that directly or indirectly controls, is controlled by, or is under common control with the lender;

Art. 16 Sec. 50

(D) assessments levied against the homestead property; and

(E) any lien that has, or may obtain, priority over the lender's lien as it is established in the loan documents.

(q) To the extent that any statutes of this state, including without limitation, Section 41.001 of the Texas Property Code, purport to limit encumbrances that may properly be fixed on homestead property in a manner that does not permit encumbrances for extensions of credit described in Subsection (a)(6) or (a)(7) of this section, the same shall be superseded to the extent that such encumbrances shall be permitted to be fixed upon homestead property in the manner provided for by this amendment.

(r) The supreme court shall promulgate rules of civil procedure for expedited foreclosure proceedings related to the foreclosure of liens under Subsection (a)(6) of this section and to foreclosure of a reverse mortgage lien that requires a court order.

(s) The Finance Commission of Texas shall appoint a director to conduct research on the availability, quality, and prices of financial services and research the practices of business entities in the state that provide financial services under this section. The director shall collect information and produce reports on lending activity of those making loans under this section. The director shall report his or her findings to the legislature not later than December 1 of each year.

(t) A home equity line of credit is a form of an open-end account that may be debited from time to time, under which credit may be extended from time to time and under which:

(1) the owner requests advances, repays money, and reborrows money;

(2) any single debit or advance is not less than \$4,000;

(3) the owner does not use a credit card, debit card, preprinted solicitation check, or similar device to obtain an advance;

(4) any fees described by Subsection (a)(6)(E) of this section are charged and collected only at the time the extension of credit is established and no fee is charged or collected in connection with any debit or advance;

(5) the maximum principal amount that may be extended under the account, when added to the aggregate total of the outstanding principal balances of all indebtedness secured by the homestead on the date the extension of credit is established, does not exceed an amount described under Subsection (a)(6)(B) of this section;

(6) no additional debits or advances are made if the total principal amount outstanding exceeds an amount equal to 50 percent of the fair market value of the homestead as determined on the date the account is established;

(7) the lender or holder may not unilaterally amend the extension of credit; and

(8) repayment is to be made in regular periodic installments, not more often than every 14 days and not less often than monthly, beginning not later than two months from the date the extension of credit is established, and:

(A) during the period during which the owner may request advances, each installment equals or exceeds the amount of accrued interest; and

(B) after the period during which the owner may request advances, installments are substantially equal.

(u) The legislature may by statute delegate one or more state agencies the power to interpret Subsections (a)(5)-(a)(7), (e)-(p), and (t), of this section. An act or omission does not violate a provision included in those subsections if the act or omission conforms to an interpretation of the provision that is:

(1) in effect at the time of the act or omission; and

(2) made by a state agency to which the power of interpretation is delegated as provided by this subsection or by an appellate court of this state or the United States. (Amended Nov. 6, 1973, and Nov. 7, 1995; Subsecs. (a)-(d) amended and (e)-(s) added Nov. 4, 1997; Subsecs. (k), (p), and (r) amended Nov. 2, 1999; Subsec. (a) amended Nov. 6, 2001; Subsecs. (a), (f), and (g) amended and (t) and (u) added Sept. 13, 2003.)

Sec. 51. AMOUNT OF HOMESTEAD; USES. The homestead, not in a town or city, shall consist of not more than two hundred acres of land, which may be in one or more parcels, with the improvements thereon; the homestead in a city, town or village, shall consist of lot or contiguous lots amounting to not more than 10 acres of land, together with any improvements on the land; provided, that the homestead in a city, town or village shall be used for the purposes of a home, or as both an urban home and a place to exercise a calling or business, of the homestead claimant, whether a single adult person, or the head of a family; provided also, that any temporary renting of the homestead shall not change the character of the same, when no other homestead has been acquired; provided further that a release or refinance of an existing lien against a homestead as to a part of the homestead does not create an additional burden on the part of the homestead property that is unreleased or subject to the refinance, and a new lien is not invalid only for that reason. (Amended Nov. 3, 1970, Nov. 6, 1973, Nov. 8, 1983, and Nov. 2, 1999.)

NOTE: The joint resolution amending Sec. 51 in 1983 included a section that did not purport to amend the constitution and that provided the following: "This amendment applies to all homesteads in this state, including homesteads acquired before the adoption of this amendment."

Sec. 52. DESCENT AND DISTRIBUTION OF HOMESTEAD; RESTRICTIONS ON PARTITION. On the death of the husband or wife, or both, the homestead shall descend and vest in like manner as other real property of the deceased, and shall be governed by the same laws of descent and distribution, but it shall not be partitioned among the heirs of the deceased during the lifetime of the surviving husband or wife, or so long as the survivor may elect to use or occupy the same as a homestead, or so long as the guardian of the minor children of the deceased may be permitted, under the order of the proper court having the jurisdiction, to use and occupy the same.

Sec. 59. CONSERVATION AND DEVELOPMENT OF NATURAL RESOURCES AND PARKS AND RECREATIONAL FACILITIES; CONSERVATION AND RECLAMATION DISTRICTS. (a) The conservation and development of all of the natural resources of this State, and development of parks and recreational facilities, including the control, storing, preservation and distribution of its storm and flood waters, the waters of its rivers and streams, for irrigation, power and all other useful purposes, the reclamation and irrigation of its arid, semiarid and other lands needing irrigation, the reclamation and drainage of its overflowed lands, and other lands needing drainage, the conservation and development of its forests, water and hydro-electric power, the navigation of its inland and coastal waters, and the preservation and conservation of all such natural resources of the State are each and all hereby declared public rights and duties; and the Legislature shall pass all such laws as may be appropriate thereto.

(b) There may be created within the State of Texas, or the State may be divided into, such number of conservation and reclamation districts as may be determined to be essential to the accomplishment of the purposes of this amendment to the constitution, which districts shall be governmental agencies and bodies politic and corporate with such powers of government and with the authority to exercise such rights, privileges and functions concerning the subject matter of this amendment as may be conferred by law.

(c) The Legislature shall authorize all such indebtedness as may be necessary to provide all improvements and the maintenance thereof requisite to the achievement of the purposes of this amendment. All such indebtedness may be evidenced by bonds of such conservation and reclamation districts, to be issued under such regulations as may be prescribed by law. The Legislature shall also authorize the levy and collection within such districts of all such taxes, equitably distributed, as may be necessary for the payment of the interest and the creation of a sinking fund for the payment of such bonds and for the maintenance of such districts and improvements. Such indebtedness shall be a lien upon the property assessed for the payment thereof. The Legislature shall not authorize the issuance of any bonds or provide for any indebtedness against any reclamation district unless such proposition shall first be submitted to the qualified voters of such district and the proposition adopted.

TEMPORARY TRANSITION PROVISIONS.¹

(c-1) In addition and only as provided by this subsection, the Legislature may authorize conservation and reclamation districts to develop and finance

with taxes those types and categories of parks and recreational facilities that were not authorized by this section to be developed and financed with taxes before September 13, 2003. For development of such parks and recreational facilities, the Legislature may authorize indebtedness payable from taxes as may be necessary to provide for improvements and maintenance only for a conservation and reclamation district all or part of which is located in Bexar County, Bastrop County, Waller County, Travis County, Williamson County, Harris County, Galveston County, Brazoria County, Fort Bend County, or Montgomery County, or for the Tarrant Regional Water District, a water control and improvement district located in whole or in part in Tarrant County. All the indebtedness may be evidenced by bonds of the conservation and reclamation district, to be issued under regulations as may be prescribed by law. The Legislature may also authorize the levy and collection within such district of all taxes, equitably distributed, as may be necessary for the payment of the interest and the creation of a sinking fund for the payment of the bonds and for maintenance of and improvements to such parks and recreational facilities. The indebtedness shall be a lien on the property assessed for the payment of the bonds. The Legislature may not authorize the issuance of bonds or provide for indebtedness under this subsection against a conservation and reclamation district unless a proposition is first submitted to the qualified voters of the district and the proposition is adopted. This subsection expands the authority of the Legislature with respect to certain conservation and reclamation districts and is not a limitation on the authority of the Legislature with respect to conservation and reclamation districts and parks and recreational facilities pursuant to this section as that authority existed before September 13, 2003.

(d) No law creating a conservation and reclamation district shall be passed unless notice of the intention to introduce such a bill setting forth the general substance of the contemplated law shall have been published at least thirty (30) days and not more than ninety (90) days prior to the introduction thereof in a newspaper or newspapers having general circulation in the county or counties in which said district or any part thereof is or will be located and by delivering a copy of such notice and such bill to the Governor who shall submit such notice and bill to the Texas Water Commission, or its successor, which shall file its recommendation as to such bill with the Governor, Lieutenant Governor and Speaker of the House of Representatives within thirty (30) days from date notice was received by the Texas Water Commission. Such notice and copy of bill shall also be given of the introduction of any bill amending a law creating or governing a particular conservation and reclamation district if such bill (1) adds additional land to the district, (2) alters the taxing authority of the district, (3) alters the authority of the district with respect to the issuance of bonds, or (4) alters the qualifications or terms of office of the members of the governing body of the district.

(e) No law creating a conservation and reclamation district shall be passed unless, at the time notice of the intention to introduce a bill is published as provided in Subsection (d) of this section, a copy of the proposed bill is delivered to the commissioners court of each county in which said district or any part thereof is or will be located and to the governing body of each incorporated

Art. 16 Sec. 60

city or town in whose jurisdiction said district or any part thereof is or will be located. Each such commissioners court and governing body may file its written consent or opposition to the creation of the proposed district with the governor, lieutenant governor, and speaker of the house of representatives. Each special law creating a conservation and reclamation district shall comply with the provisions of the general laws then in effect relating to consent by political subdivisions to the creation of conservation and reclamation districts and to the inclusion of land within the district.

(f) A conservation and reclamation district created under this section to perform any or all of the purposes of this section may engage in fire-fighting activities and may issue bonds or other indebtedness for fire-fighting purposes as provided by law and this constitution. (Added Aug. 21, 1917; Subsec. (d) added Nov. 3, 1964; Subsec. (e) added Nov. 6, 1973; Subsec. (f) added Nov. 7, 1978; Subsec. (c) amended Nov. 2, 1999; Subsec. (a) amended and (c-1) added Sept. 13, 2003.)

Sec. 60. (Repealed Aug. 5, 1969.)

Sec. 61. COMPENSATION OF DISTRICT, COUNTY, AND PRECINCT OFFICERS; SALARY OR FEE BASIS; DISPOSITION OF FEES. (a) All district officers in the State of Texas and all county officers in counties having a population of twenty thousand (20,000) or more, according to the then last preceding Federal Census, shall be compensated on a salary basis.

(b) In all counties in this State, the Commissioners Courts shall be authorized to determine whether precinct officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts, to compensate all justices of the peace, constables, deputy constables and precinct law enforcement officers on a salary basis.

(c) In counties having a population of less than twenty thousand (20,000), according to the then last preceding Federal Census, the Commissioners Courts have the authority to determine whether county officers shall be compensated on a fee basis or on a salary basis, with the exception that it shall be mandatory upon the Commissioners Courts to compensate all sheriffs, deputy sheriffs, county law enforcement officers including sheriffs who also perform the duties of assessor and collector of taxes, and their deputies, on a salary basis.

(d) All fees earned by district, county and precinct officers shall be paid into the county treasury where earned for the account of the proper fund, provided that fees incurred by the State, county and any municipality, or in case where a pauper's oath is filed, shall be paid into the county treasury when collected and provided that where any officer is compensated wholly on a fee basis such fees may be retained by such officer or paid into the treasury of the county as the Commissioners Court may direct.

(e) All Notaries Public, county surveyors and public weighers shall continue to be compensated on a fee basis. (Added Aug. 24, 1935; amended Nov. 2, 1948, Nov. 7, 1972, and Nov. 2, 1999.)

The office of Inspector of Hides and Animals, the elective district, county and precinct offices which have heretofore had terms of two years, shall hereafter have terms of four years; and the holders of such offices shall serve until their successors are qualified. (Added Nov. 2, 1954.)

Sec. 65. TERMS OF OFFICE; AUTOMATIC RESIGNATION. (b) If any of the officers named herein shall announce their candidacy, or shall in fact become a candidate, in any General, Special or Primary Election, for any office of profit or trust under the laws of this State or the United States other than the office then held, at any time when the unexpired term of the office then held shall exceed one (1) year, such announcement or such candidacy shall constitute an automatic resignation of the office then held, and the vacancy thereby created shall be filled pursuant to law in the same manner as other vacancies for such office are filled. (Added Nov. 2, 1954; amended Nov. 4, 1958, and Nov. 2, 1999.)

TEMPORARY TRANSITION PROVISION.⁴

Sec. 66. PROTECTED BENEFITS UNDER CERTAIN PUBLIC RETIREMENT SYSTEMS. (a) This section applies only to a public retirement system that is not a statewide system and that provides service and disability retirement benefits and death benefits to public officers and employees.

(b) This section does not apply to a public retirement system that provides service and disability retirement benefits and death benefits to firefighters and police officers employed by the City of San Antonio.

(c) This section does not apply to benefits that are:

- (1) health benefits;
- (2) life insurance benefits; or

(3) disability benefits that a retirement system determines are no longer payable under the terms of the retirement system as those terms existed on the date the retirement system began paying the disability benefits.

(d) On or after the effective date of this section, a change in service or disability retirement benefits or death benefits of a retirement system may not reduce or otherwise impair benefits accrued by a person if the person:

(1) could have terminated employment or has terminated employment before the effective date of the change; and

Art. 16 Sec. 67

(2) would have been eligible for those benefits, without accumulating additional service under the retirement system, on any date on or after the effective date of the change had the change not occurred.

(e) Benefits granted to a retiree or other annuitant before the effective date of this section and in effect on that date may not be reduced or otherwise impaired.

(f) The political subdivision or subdivisions and the retirement system that finance benefits under the retirement system are jointly responsible for ensuring that benefits under this section are not reduced or otherwise impaired.

(g) This section does not create a liability or an obligation to a retirement system for a member of the retirement system other than the payment by active members of a required contribution or a future required contribution to the retirement system.

(h) A retirement system described by Subsection (a) and the political subdivision or subdivisions that finance benefits under the retirement system are exempt from the application of this section if:

(1) the political subdivision or subdivisions hold an election on the date in May 2004 that political subdivisions may use for the election of their officers;

(2) the majority of the voters of a political subdivision voting at the election favor exempting the political subdivision and the retirement system from the application of this section; and

(3) the exemption is the only issue relating to the funding and benefits of the retirement system that is presented to the voters at the election. (Former Sec. 66 repealed Nov. 2, 1999; current Sec. 66 added Sept. 13, 2003.)

Sec. 67. STATE AND LOCAL RETIREMENT SYSTEMS. (a) General Provisions. (1) The legislature may enact general laws establishing systems and programs of retirement and related disability and death benefits for public employees and officers. Financing of benefits must be based on sound actuarial principles. The assets of a system are held in trust for the benefit of members and may not be diverted.

(2) A person may not receive benefits from more than one system for the same service, but the legislature may provide by law that a person with service covered by more than one system or program is entitled to a fractional benefit from each system or program based on service rendered under each system or program calculated as to amount upon the benefit formula used in that system or program. Transfer of service credit between the Employees Retirement System of Texas and the Teacher Retirement System of Texas also may be authorized by law.

(3) Each statewide benefit system must have a board of trustees to administer the system and to invest the funds of the system in such securities as the board may consider prudent investments. In making investments, a board shall exercise the judgment and care under the circumstances then prevailing that persons of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation, but in regard to

the permanent disposition of their funds, considering the probable income therefrom as well as the probable safety of their capital. The legislature by law may further restrict the investment discretion of a board.

(4) General laws establishing retirement systems and optional retirement programs for public employees and officers in effect at the time of the adoption of this section remain in effect, subject to the general powers of the legislature established in this subsection.

(b) State Retirement Systems. (1) The legislature shall establish by law a Teacher Retirement System of Texas to provide benefits for persons employed in the public schools, colleges, and universities supported wholly or partly by the state. Other employees may be included under the system by law.

(2) The legislature shall establish by law an Employees Retirement System of Texas to provide benefits for officers and employees of the state and such state-compensated officers and employees of appellate courts and judicial districts as may be included under the system by law.

(3) The amount contributed by a person participating in the Employees Retirement System of Texas or the Teacher Retirement System of Texas shall be established by the legislature but may not be less than six percent of current compensation. The amount contributed by the state may not be less than six percent nor more than 10 percent of the aggregate compensation paid to individuals participating in the system. In an emergency, as determined by the governor, the legislature may appropriate such additional sums as are actuarially determined to be required to fund benefits authorized by law.

(c) Local Retirement Systems. (1) The legislature shall provide by law for:

(A) the creation by any city or county of a system of benefits for its officers and employees;

(B) a statewide system of benefits for the officers and employees of counties or other political subdivisions of the state in which counties or other political subdivisions may voluntarily participate; and

(C) a statewide system of benefits for officers and employees of cities in which cities may voluntarily participate.

(2) Benefits under these systems must be reasonably related to participant tenure and contributions.

(d) Judicial Retirement System. (1) Notwithstanding any other provision of this section, the system of retirement, disability, and survivors' benefits heretofore established in the constitution or by law for justices, judges, and commissioners of the appellate courts and judges of the district and criminal district courts is continued in effect. Contributions required and benefits payable are to be as provided by law.

(2) General administration of the Judicial Retirement System of Texas is by the Board of Trustees of the Employees Retirement System of Texas under such regulations as may be provided by law.

Art. 16 Sec. 68

(e) Anticipatory Legislation. Legislation enacted in anticipation of this amendment is not void because it is anticipatory.

(f) Retirement Systems Not Belonging to a Statewide System. The board of trustees of a system or program that provides retirement and related disability and death benefits for public officers and employees and that does not participate in a statewide public retirement system shall:

(1) administer the system or program of benefits;

(2) hold the assets of the system or program for the exclusive purposes of providing benefits to participants and their beneficiaries and defraying reasonable expenses of administering the system or program; and

(3) select legal counsel and an actuary and adopt sound actuarial assumptions to be used by the system or program.

(g) If the legislature provides for a fire fighters' pension commissioner, the term of office for that position is four years. (Added April 22, 1975; Subsec. (f) added Nov. 2, 1993; Subsec. (g) added Nov. 6, 2001.)

Sec. 68. ASSOCIATIONS OF AGRICULTURAL PRODUCERS; ASSESSMENTS ON PRODUCT SALES TO FINANCE PROGRAMS OF MARKETING, PROMOTION, RESEARCH, AND EDUCATION. The legislature may provide for the advancement of food and fiber in this state by providing representative associations of agricultural producers with authority to collect such refundable assessments on their product sales as may be approved by referenda of producers. All revenue collected shall be used solely to finance programs of marketing, promotion, research, and education relating to that commodity. (Added Nov. 8, 1983.)

Sec. 69. PRIOR APPROVAL OF EXPENDITURE OR EMERGENCY TRANSFER OF APPROPRIATED FUNDS. The legislature may require, by rider in the General Appropriations Act or by separate statute, the prior approval of the expenditure or the emergency transfer of any funds appropriated to the agencies of state government. (Added Nov. 5, 1985.)

Sec. 70. TEXAS GROWTH FUND. (a) In this section:

(1) "Board of trustees" means the board of trustees of the Texas growth fund.

(2) "Fund" means the Texas growth fund.

(3) "Venture capital investment" means an investment in debt, equity, or a combination of debt and equity that possesses the potential for substantial investment returns, and includes investments in new or small businesses, investments in businesses with rapid growth potential, or investments in applied research and organizational activities leading to business formation and opportunities involving new or improved processes or products.

(b) The Texas growth fund is created as a trust fund. Except as otherwise provided by this section, the fund is subject to the general laws of this state governing private sector trusts. The governing boards of the permanent university fund, the permanent school fund, the Teacher Retirement System of

Texas, the Employees Retirement System of Texas, and any other pension system created under this constitution or by statute of this state in their sole discretion may make investments in the fund.

(c) The fund is managed by a board of trustees consisting of four public members appointed by the governor and one member from and elected by the membership of each of the following:

- (1) the Board of Regents of The University of Texas System;
 - (2) the Board of Regents of The Texas A&M University System;
 - (3) the Board of Trustees of the Teacher Retirement System of Texas;
 - (4) the Board of Trustees of the Employees Retirement System of Texas;
- and
- (5) the State Board of Education.

(d) Each public member of the board must have demonstrated substantial investment expertise. A public member serves for a six-year term expiring February 1 of an odd-numbered year.

(e) A person filling an elected position on the board of trustees ceases to be a member of the board of trustees when the person ceases to be a member of the board the person represents or as otherwise provided by procedures adopted by the board the person represents. The governor shall designate a chairman from among the members of the board of trustees who serves a term of two years expiring February 1 of each odd-numbered year. A member may serve more than one term as chairman.

- (f) The board of trustees shall manage the investment of the fund, and may:
- (1) employ and retain staff, including a chief executive officer;
 - (2) analyze and structure investments;
 - (3) set investment policy of the fund;

 - (8) alternatively, or in combination with its own staff, contract for the management of investments under this section with a private investment management firm or with an investing fund or system electing a member of the board of trustees.

(g) In making investments, including venture capital investments, the board of trustees shall exercise the judgment and care under the circumstances then prevailing that persons of ordinary prudence, discretion, and intelligence exercise in the management of their own affairs, not in regard to speculation but in regard to the permanent disposition of their funds, considering the probable income

Art. 16 Sec. 70

as well as the probable safety of the capital of the fund. All investments of the fund shall be directly related to the creation, retention, or expansion of employment opportunity and economic growth in Texas. In making venture capital investments, all other material matters being equal, the board of trustees shall invest in technological advances that could be expected to result in the greatest increase in employment opportunity and economic growth in Texas.

(h) The board of trustees shall establish and operate the fund to the extent practical under the generally accepted business procedures relating to a mutual fund and shall value the investments for determining the purchase or sales price of participating shares of investing funds or systems participating in the fund consistent with investment contracts. Evidences of participation in the fund shall be held by the comptroller of public accounts in keeping with the custodial responsibilities of that office.

(i) An investing fund or system, without liability at law or in equity to members of the governing board of the fund or system in their personal or official capacities, may cumulatively invest in the Texas growth fund not more than one percent of the book or cost value of the investing fund or system, as determined at the end of each fiscal year.

(j) The board of trustees shall establish criteria for the investment of not more than 10 percent of the fund in venture capital investments. Not more than 25 percent of the funds available for venture capital investments may be used for unilateral investment. Investments of the remainder of the funds available for venture capital investments must be matched at least equally by funds from sources other than the fund, with matching amounts established by the board of trustees. The board of trustees shall also establish criteria for the investment of not less than 50 percent of the fund in equity or debt security, or a combination of equity and debt security, for the initial construction, expansion, or modernization of business or industrial facilities in Texas. The board of trustees may invest in money funds whose underlying investments are consistent and acceptable under the investment policy of the fund.

(k) On a quarterly basis, the amount of income realized on investments under this section shall be distributed to each of the systems and funds investing in the Texas growth fund in proportion to the number of participating shares of each investing system and fund. Capital appreciation becomes a part of the corpus of the Texas growth fund and shall be distributed in accordance with the investment contracts.

(l) The board of trustees shall make arrangements to begin liquidation, phase out investments, and return the principal and capital gains on investments to the investors in the fund not later than the 10th anniversary of the date of the adoption of this section. Except under unusual circumstances where it may be necessary to protect investments previously made, further investments may not be made in or by the fund after the 10th anniversary of the date of the adoption of this section.

(m) At the regular legislative session next preceding the 10th anniversary of the date of the adoption of this section, the legislature, by two-thirds vote of each house, may authorize the creation of Texas growth fund II, which shall

operate under this section and under the board of trustees created by this section in the same manner as the Texas growth fund. Funds in Texas growth fund II may not be commingled with funds in the Texas growth fund.

(n) The board of trustees may purchase liability insurance for the coverage of the trustees, employees, and agents of the board.

(o) The legislature shall provide by law for the periodic review of the board of trustees in the same manner and at the same intervals as it provides for review of other state agencies, except that the legislature shall provide that the board of trustees is not subject to abolishment as part of the review process.

(p) This section expires September 1, 1998, except that if the legislature authorizes the creation of Texas growth fund II as provided by Subsection (m) of this section, this section expires September 1, 2008.

(q) This section is self-executing and takes effect on its adoption by the voters. All state officials named in this section and the comptroller of public accounts shall take all necessary actions for the implementation of this section. The legislature shall provide by law for full disclosure of all details concerning investments authorized by this section.

(r) (Repealed Nov. 2, 1999.) (Added Nov. 8, 1988; amended Nov. 7, 1995, and Nov. 2, 1999.)

Texas small business incubator fund and the issuance of up to \$20 million of general obligation bonds to provide initial funding of the Texas small business incubator fund. The Texas small business incubator fund is composed of the proceeds of the bonds authorized by this subsection, loan repayments, and other amounts received by the state for loans or grants made under this subsection and any other amounts required to be deposited in the Texas small business incubator fund by the legislature.

(c) The legislature may require review and approval of the issuance of bonds under this section, of the use of the bond proceeds, or of the rules adopted by an agency to govern use of the bond proceeds. Notwithstanding any other provision of this constitution, any entity created or directed to conduct this review and approval may include members, or appointees of members, of the executive, legislative, and judicial departments of state government.

(d) Bonds authorized under this section constitute a general obligation of the state. While any of the bonds or interest on the bonds is outstanding and unpaid, there is appropriated out of the first money coming into the treasury in each fiscal year, not otherwise appropriated by this constitution, the amount sufficient to pay the principal of and interest on the bonds that mature or become due during the fiscal year, less any amount in any interest and sinking account at the end of the preceding fiscal year that is pledged to payment of the bonds or interest. (Added Nov. 7, 1989; Subsec. (b) amended Nov. 2, 1999.)

Sec. 72. TEMPORARY REPLACEMENT OF PUBLIC OFFICER ON MILITARY ACTIVE DUTY. (a) An elected or appointed officer of the state or of any political subdivision who enters active duty in the armed forces of the United States as a result of being called to duty, drafted, or activated does not vacate the office held, but the appropriate authority may appoint a replacement to serve as temporary acting officer as provided by this section if the elected or appointed officer will be on active duty for longer than 30 days.

(b) For an officer other than a member of the legislature, the authority who has the power to appoint a person to fill a vacancy in that office may appoint a temporary acting officer. If a vacancy would normally be filled by special election, the governor may appoint the temporary acting officer for a state or district office, and the governing body of a political subdivision may appoint the temporary acting officer for an office of that political subdivision.

(c) For an officer who is a member of the legislature, the member of the legislature shall select a person to serve as the temporary acting representative or senator, subject to approval of the selection by a majority vote of the appropriate house of the legislature. The temporary acting representative or senator must be:

(1) a member of the same political party as the member being temporarily replaced; and

(2) qualified for office under Section 6, Article III, of this constitution for a senator, or Section 7, Article III, of this constitution for a representative.

(d) The officer who is temporarily replaced under this section may recommend to the appropriate appointing authority the name of a person to temporarily fill the office.

(e) The appropriate authority shall appoint the temporary acting officer to begin service on the date specified in writing by the officer being temporarily replaced as the date the officer will enter active military service.

(f) A temporary acting officer has all the powers, privileges, and duties of the office and is entitled to the same compensation, payable in the same manner and from the same source, as the officer who is temporarily replaced.

(g) A temporary acting officer appointed under this section shall perform the duties of office for the shorter period of:

(h) In this section, "armed forces of the United States" means the United States Army, the United States Navy, the United States Air Force, the United States Marine Corps, the United States Coast Guard, any reserve or auxiliary component of any of those services, or the National Guard. (Added Sept. 13, 2003.)

CONSTITUTION OF THIS STATE

Sec. 1. PROPOSED AMENDMENTS; PUBLICATION; SUBMISSION TO VOTERS; ADOPTION. (a) The Legislature, at any regular session, or at any special session when the matter is included within the purposes for which the session is convened, may propose amendments revising the Constitution, to be voted upon by the qualified voters for statewide offices and propositions, as defined in the Constitution and statutes of this State. The date of the elections shall be specified by the Legislature. The proposal for submission must be approved by a vote of two-thirds of all the members elected to each House, entered by yeas and nays on the journals.

The explanatory statement shall be prepared by the Secretary of State and shall be approved by the Attorney General. The Secretary of State shall send a full and complete copy of the proposed amendment or amendments to each county clerk who shall post the same in a public place in the courthouse at least 30 days prior to the election on said amendment. The first notice shall be published not more than 60 days nor less than 50 days before the date of the election, and the second notice shall be published on the same day in the succeeding week. (c) The election shall be held in accordance with procedures prescribed by the Legislature, and the returning officer in each county shall make returns to the Secretary of State of the number of legal votes cast at the election for and against each amendment. If it appears from the returns that a majority of the votes cast have been cast in favor of an amendment, it shall become a part of this Constitution, and proclamation thereof shall be made by the Governor. (Amended Nov. 7, 1972, and Nov. 2, 1999.)
